The Federal Union A History Of The United States To 1877:

The Federal Union John D. Hicks,1964 *The Federal Union* John Donald Hicks,1957 *The Federal Union* John Donald Hicks,George Edwin Mowry,Robert Eugene Burke,1970 **The Presbyterian Churches and the Federal Union, 1861-1869** Lewis George Vander Velde,1932 This book deals with the history of the particular American religious sect which because of its large and varied membership its intellectual vigor and the part played by its clergy in shaping public thought affords the richest field for a study of the influence of religious organizations upon American life The story of the struggle of the Old School Presbyterian leaders to choose between their desire to avoid a break in their church and their feeling that it was their duty to voice their loyalty to the Union forms an interesting and illuminating commentary on the problems of the troublous times of the War of the Rebellion The minor Presbyterian groups played varying parts but always occupied more than their proportionate share of public attention because each met its own problems with a characteristically Presbyterian individuality Professor Vander Velde s monograph is important not only for American religious history but also for the fact that it illustrates how closely Church and State were related during the Civil War period Catalogue of the Library of the Peabody Institute of the City of Baltimore ... George Peabody Library,1892 **Catalogue of the Library of the Peabody Institute of the City of Baltimore** Anonymous,2025-07-30 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *American Book Publishing Record Cumulative, 1950-1977* R.R. Bowker Company. Department of Bibliography,1978 **Records and Briefs of the United States Supreme Court** ,1832 The Enduring Lost Cause Edward R. Crowther,2023-08-18 Marking the fortieth anniversary of Charles Reagan Wilson s classic *Baptized in Blood The Religion of the Lost Cause 1865 1920* this volume collects essays by such scholars as Carolyn Rene Dupont Sandy Dwayne Martin Keith Harper and Wilson himself to show how various aspects of the Lost Cause ideology persist into the present The Enduring Lost Cause examines the lasting legacy of a belief system that sought to vindicate the antebellum South and the Confederate fight to preserve it Contributors treat such topics as symbolism the perpetuation of the Lost Cause in education and the effects of the Lost Cause on gender and religion as well as examining ways the ideology has changed over time The twelve essays gathered here help the reader understand the development of a cultural phenomenon that affected generations of southerners and northerners alike arising out of the efforts of former Confederates to make sense of their defeat even at the expense of often mythologizing it From fresh looks at towering figures of the Lost Cause to reexamining the role of African Americans in disseminating the ideology in the form of a religious explanation for suffering the essayists carefully analyze the tensions between the past and the present true belief and commercialization continuity and change Ultimately the narrative of the Lost Cause persists worldwide merging with American exceptionalism to become a pillar of the conservative wing of US politics as well as a lasting cultural legacy The

Enduring Lost Cause provides a window into this world helping us to understand the present in the context of the past
