A History Lover's Guide to Baltimore

Brennen Jensen, Tom Chalkley, 2021-05-31

Neither southern nor northern Baltimore has charted its own course through the American experience The spires of the nation's first cathedral rose into its sky and the first blood of the Civil War fell on its streets Here enslaved Frederick Douglass toiled before fleeing to freedom and Billie Holiday learned to sing Baltimore's clippers plied the seven seas while its pioneering railroads opened the prairie West The city that birthed The Star Spangled Banner also gave us Babe Ruth and the bottle cap This guide navigates nearly three hundred years of colorful history from Johns Hopkins's earnest philanthropy to the raucous camp of John Waters and from modest row houses to the marbled mansions of the Gilded Age Let local authors Brennen Jensen and Tom Chalkley introduce you to Mencken's ancient and solid city

The Ghosts of Johns Hopkins Antero Pietila, 2018-11-02

Johns Hopkins destroyed his private papers so thoroughly that no credible biography exists of the Baltimore Quaker titan One of America's richest men and the largest single shareholder of the Baltimore Ohio Railroad Hopkins was also one of the city's defining developers In *The Ghosts of Johns Hopkins* Antero Pietila weaves together a biography of the man with a portrait of how the institutions he founded have shaped the racial legacy of an industrial city from its heyday to its decline and revitalization From the destruction of neighborhoods to make way for the mercantile buildings that dominated Baltimore's downtown through much of the 19th century to the role that the president of Johns Hopkins University played in government sponsored Negro Removal that unleashed the migration patterns that created Baltimore's existing racial patchwork Pietila tells the story of how one man's wealth shaped and reshaped the life of a city long after his lifetime

Behind the Backlash Kenneth D. Durr, 2003-11-20

In this nuanced look at white working class life and politics in twentieth century America Kenneth Durr takes readers into the neighborhoods workplaces and community institutions of blue collar Baltimore in the decades after World War II Challenging notions that the white backlash of the 1960s and 1970s was driven by increasing race resentment Durr details the rise of a working class populism shaped by mistrust of the means and ends of postwar liberalism in the face of urban decline Exploring the effects of desegregation deindustrialization recession and the rise of urban crime Durr shows how legitimate

economic social and political grievances convinced white working class Baltimoreans that they were threatened more by the actions of liberal policymakers than by the incursions of urban blacks While acknowledging the parochialism and racial exclusivity of white working class life Durr adopts an empathetic view of workers and their institutions Behind the Backlash melds ethnic labor and political history to paint a rich portrait of urban life and the sweeping social and economic changes that reshaped America s cities and politics in the late twentieth century **The Baltimore Book** Elizabeth Fee,Linda Shopes,Linda Zeidman,1993-11 Baltimore has a long colorful history that traditionally has been focused on famous men social elites and patriotic events The Baltimore Book is both a history of the other Baltimore and a tour guide to places in the city that are important to labor African American and women s history The book grew out of a popular local bus tour conducted by public historians the People s History Tour of Baltimore that began in 1982 This book records and adds sites to that tour provides maps photographs and contemporary documents and includes interviews with some of the uncelebrated people whose experiences as Baltimoreans reflect more about the city than Francis Scott Key ever did The tour begins at the B Fells Point Sparrows Point the suburbs Federal Hill and Baltimore s renaissance at Harborplace Interviews with community activists civil rights workers Catholic Workers and labor union organizers bring color and passion to this historical tour Specific labor struggles class and race relations and the contributions of women to Baltimore s development are emphasized at each stop Author note Elizabeth Fee is Professor in the Department of Health Policy and Management of The Johns Hopkins University School of Hygiene and Public Health Linda Shopes is Associate Historian at the Pennsylvania Historical and Museum Commission Linda Zeidman is Professor of History and Economics at Essex Community College

Justice, Drug Policy, and Human Resources, 2004 *A Worst Case Scenario* J. Lynn, 2009-10

Lynn a Baltimore Surrealist artist reviews her unusual life without any knowledge that Asperger's Syndrome a mild form of autism exists Her life and circumstances certainly are the result of something She has always been different It is impossible to explain herself or confide in anyone even the closest friends and family Depressed overwhelmed and not knowing how to describe what she's going through to anybody she tries to figure out things on her own Can she find some clues in her dreams Nothing she tries works and she is ready to give up She looks back going deeper and deeper into her past What is it the thing that makes her different Has it prevailed throughout her entire life Maybe so does it have patterns She begins to see there are Are they responsible for things turning out so badly Does whatever It is make it possible to dream of the future and possibly travel through time The Last Exit before The Toll Art Death Asperger's and Dreams is the story of her journey to find out the truth of the mystery The story is told in an unusual timeline it is told backwards in decades a timeline never used in books but the usual way we get to know each other in real life The book also features pictures of her singular highly detailed art One chapter spotlights her epic painting Poe's Last Supper The large 4 x 6 oil painting depicts Poe on his deathbed in a hospital but he hallucinates he's in a Fell's Point bar drinking with his characters See more on the book and art in vivid color

lynnbarnes.net A passage from What Kind of Kid Were You In earlier childhood I could be a handful I don't know what happened It was as if something would take over I'd persistently asked questions and would make comments out loud or sounds The other kids would crack up I understand now they didn't think I was stupid although it felt so at the time I would ask outrageous questions whether the teacher acknowledged my raised hand or not They sometimes wouldn't Many times what I asked or my comments made me sound like a smart ass Right after the words left my mouth it sounded different than what I was trying to say This would drive the teachers up a wall right out of their minds My third grade teacher the elderly Mrs Mitchell got so fed up she separated my desk from the other kids by sitting me up front next to her desk Bad move I already had everybody's attention up front Everybody could then hear everything I said I did it one time too many I said something and the whole class shrieked She went ape shit She went over the edge She would have hit me if she could have gotten away with it if it weren't for my mother The best she could do was throw a cartoon like tantrum She jumped up and down with her knees a little bent She stopped writing on the blackboard and made tight fists clutching the chalk SHUT UP SHUT UP SHUT UP SHUT UP she screamed It was almost the same as the tantrum Mozart would throw at the costume party in Amadeus when he wanted his penalty except more aggressively I did shut up for then The image stunned me I had no idea I got to her that badly A note was sent home Another note one of many Let me tell you I got away with nothing at home I got whipped My mother was strict The only child spoiled brat wasn't correct That wasn't it The same basic kind of behavior got me whipped at home but whipped or not it would come out I know my mother was driven crazy sometimes She would practically lose her mind I was also hardheaded and wouldn't back down if I thought I was right I would face my punishment

such as staying out of the woods I wasn't going to stay out of the woods We played our roles in that one At school I don't know exactly what happened because most of the time I was so sincere I really did want to know something or I would make a comment about something It wasn't appreciated Most of it was

The Last Exit Before the Toll Lynn Barnes, 2012-10-26
 Author Lynn Barnes admits she's known all along that she'd been a little different in ways she can't explain In her memoir *The Last Exit before the Toll* she examines her life and tries to make sense of who and what she is and how her being affects her existence She reflects on growing up as an only child and her life now as a single surrealist artist and Poe aficionado Barnes recalls the events that have greatly impacted her including the deaths of her mother and father and the suicide of her best friend Marc But it was the discovery that she has undiagnosed Aspergers syndrome that helped piece together the puzzle that has been her life and allowed her to come to terms with the troubling personality traits she has experienced all her life An insightful and creative look at Barnes' life *The Last Exit before the Toll* provides a glimpse into the sometimes frustrating and unknown world of someone who lives with Aspergers syndrome

The Folklore of the Freeway Eric Avila, 2014-05-01 When the interstate highway program connected America's cities it also divided them cutting through and destroying countless communities Affluent and predominantly white residents fought back in a much heralded freeway revolt saving such historic neighborhoods as Greenwich Village and New Orleans's French Quarter This book tells of the other revolt a movement of creative opposition commemoration and preservation staged on behalf of the mostly minority urban neighborhoods that lacked the political and economic power to resist the onslaught of highway construction Within the context of the larger historical forces of the 1960s and 1970s Eric Avila maps the creative strategies devised by urban communities to document and protest the damage that highways wrought The works of Chicanas and other women of color from the commemorative poetry of Patricia Preciado Martin and Lorna Dee Cervantes to the fiction of Helena Maria Viramontes to the underpass murals of Judy Baca expose highway construction as not only a racist but also a sexist enterprise In colorful paintings East Los Angeles artists such as David Botello Carlos Almaraz and Frank Romero satirize criticize and aestheticize the structure of the freeway Local artists paint murals on the concrete piers of a highway interchange in San Diego's Chicano Park The Rondo Days Festival in St Paul Minnesota and the Black Archives History and Research Foundation in the Overtown neighborhood of Miami preserve and celebrate the memories of historic African American communities lost to the freeway Bringing such efforts to the fore in the

story of the freeway revolt The Folklore of the Freeway moves beyond a simplistic narrative of victimization Losers perhaps in their fight against the freeway the diverse communities at the center of the book nonetheless generate powerful cultural forces that shape our understanding of the urban landscape and influence the shifting priorities of contemporary urban policy
