The Galamere Chronicles: Volume One Gabrielle Landi, 2025-08-28 Get the cozy fantasy collection of Tales of Cake and Comfort Once Upon An Apple and Once Upon A Rose in one large volume The Galamere Chronicles are a cozy fantasy series by romance author Gabrielle Landi Each standalone book is inspired by a fairytale and has Hallmark movie vibes found family feels and swoon worthy family friendly love stories *The Vulture Council Chronicles* Sherridean Abddeen, 2025-09-28 A Dark Comedy About the Dumbest War That Ever Happened In a world not so far from ours the animals of the Global Farm are thrown into the most absurd war ever staged It's a conflict no one really wants to fight but everyone wants to win because the prize is a pasture full of rare minerals fertile grass and shiny new rebuilding contracts At the top of the food chain are The Vultures a committee of beady eyed bankers perched in the rafters of the UN Barn They never flap their wings unless there's profit to be made and they spend most of their time arguing over which carcass they'll pick first On the ground prowl The Wolves the war hawks always growling snapping and insisting someone let them off the leash They think this war is their moment of glory but half the time they're just fighting over which direction to charge in The Rooster represents NATO constantly flapping his wings crowing victory long before sunrise and trying to convince everyone that the farm is safer because he's awake His crowing is so loud that it wakes the entire barn every time a skirmish breaks out even if it's just two goats headbutting The Fox smooth talking and clever is the secret negotiator He's neither hero nor villain but he's always one step ahead cutting deals behind hay bales and making sure no one really loses too badly He's the one who convinces the wolves to stop fighting the vultures to stop circling so low and the rooster to stop yelling long enough to announce a peace treaty The Sheep are the ordinary people just trying to eat their grass stay warm and survive They're nervous skittish and never quite sure who actually won the latest fight Sometimes they cheer sometimes they scatter mostly they just want the ground to stop shaking so they can go back to grazing High above it all The Owls sit in the trees watching the entire performance with unblinking eyes They never interfere just offer the occasional hoo hoo warning that no one listens to until it's too late Through twenty five chaotic hilarious chapters the animals bicker form alliances declare victory and host endless council meetings at the UN Barn They argue about grain deals oil barrels borders fences and even balloons that appear in the night sky Every skirmish ends with the vultures clinking glasses over the next reconstruction feast because in the end it was never about winning or losing It was about carving up the carcass The comedy isn't just in the animals

ridiculous behavior it is in how recognizable it all is Readers will laugh out loud at how closely these creatures resemble real world leaders bankers and talking heads The war turns out to be the dumbest war in history because it was never designed for anyone to win It was designed to reset the entire farm give every animal a chance to save face and make sure the vultures have a banquet for years to come By the final chapter when the owls turn to the reader and ask Are you still just a sheep or are you ready to fly it is clear the story was never just about animals at all It was about us **Godia Chronicles** Daryl

Rice,2025-06-23 A New Must Read YA Fantasy Novel A dream that can never be and the will to defy nature's cruel fate Such was the upbringing of Kyleen Star A girl with aspirations to become a wizard born to a race incapable of professional magic An innate handicap overcome by unrelenting heart to achieve the impossible Standing at the cusp of those hardships Kyleen is soon to discover that life's real struggles have only just begun A journey that will venture to the farthest reaches of the continental Ashtopa on the planet Godia In the pursuit of a passion that's road will branch in directions she never could've possibly imagined **The Asbo Chronicles** Abbygail Donaldson,2007-07-03 This is the tragic story of a family's eleven year

struggle to survive the inhumane treatment violence crime and anti social behaviour at the hands of ruthless youths on the estate where they live It tells of their courageous stand and the high price they pay in their battle to take back their street and their home from the thugs controlling their estate Follow Valerie Collins roller coaster journey that takes her from the tragedies and trauma to beyond the legendary door of No 10 Downing Street in search of a solution to end her family's misery

Short Story Index ,1989 **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in

a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

New World Myth Marie Vautier, 1998-01-06 There is an emphasis on de constructing de centring de stabilizing and especially de mythologizing in the study that illustrates New World myth narrators questioning the past in the present and carrying out their original investigations of myth place and identity Underlining the fact that political realities are encoded in the language and narrative of the works Vautier argues that the reworkings of literary religious and historical myths and political ideologies in these novels are grounded in their shared situation of being in and of the New World

The Fiction of W.P. Kinsella Don Murray, 1987 *Canadian Books in Print. Author and Title Index*, 1975

The The Bequest Chronicles: Book 1 Robert M. Fitzpatrick, 2023-09-07 The adventure is set in South Western France in the aftermath of the Battle of Waterloo It begins in the small town of La Garenne home to the Ducs of Garenne and their ancestors for more than six hundred years La Garenne was a place where nothing much ever happened Even the French Revolution had passed by the town That is until the suspicious death of a national hero a man from the town known to all and the subsequent death of his mentor the Duc de Garenne There was also the unexplained disappearance of a famous hunting dog Hugo Hound once owned by both of these men Then the nation was gripped by the news that a patrol of gendarmes from La Garenne had vanished off the face of the earth at least according to their local commandant A young officer was dispatched from Paris to investigate and discovered that all these events had a common link the dog Hugo Hound To his bewilderment his orders are changed by the Head of Gendarmerie in Paris He must now also find Hugo Hound He finds

himself protecting not only Hugo but Hugo's companions including talking bears and lions. He also meets once again Catherine whom he had helped rescue from the chaotic aftermath of Waterloo. She and her cousin are far more involved with his task than he could ever have imagined. On a voyage across France to the safety of the Pyrenees, once home to these special beings, he and his charges are pursued by evil in the form of a Werewolf, once the leader of the lost patrol and the renegade son of the late Duc de Garenne, brother to Catherine.

Chronicles of Gaia: Children of the Moon Christopher Richard, 2024-08-22. Leonardus White is like any other typical teenager. Troubles at school. Trouble at home. And an ancient vampire that wants to kill him. Well, guess not so ordinary. And why is the Chronicler so interested in how this all plays out? Not only that, but Leonardus is next in line to be the alpha of alphas. No pressure, right? And what's all this prophecy nonsense about? About the Author: Christopher Richard grew up in the suburbs of Long Island, New York. He would spend his summers running through the woods, catching toads and snakes and getting covered in mud. His first introduction to the world of reading was *20,000 Leagues Under the Sea* at age nine, and by the time he entered high school, Richard had written over one hundred stories. After locating the flash drive containing those stories as an adult, he decided it was time to pick them up, polish them off, and put them out into the world.

Catahoula Lake Chronicles Jack Willis, 2011-08-30. CATAHOULA LAKE CHRONICLES: The View From Indian Bluff is the first book of its kind that describes in detail the history of Catahoula Lake along with some of its colorful legends and folklore. Catahoula Lake spans some 30,000 acres in the Louisiana parishes of LaSalle and Rapides and is actually a gigantic basin, an open sump area, roughly sixteen to eighteen miles long and six to eight miles wide. The lake is the most important inland wetland for waterfowl and shorebirds in Louisiana, providing habitat for as many as 500,000 waterfowl and 20 species of shorebirds. Hunters and fishers come from all over the world to experience the wonders of Catahoula Lake. Jack Willis, a longtime storyteller from Jena, Louisiana, spins his yarns, weaving historical fact with legendary tales from the people who have lived off the lake and the land for hundreds of years.
