The Hidden Sovereign 1 Ethan,2024-12-24 *The Secret Doctrine (Vol. 1-3)* Helena Blavatsky,2023-12-03 Helena Blavatsky's monumental work *The Secret Doctrine* Volumes 1-3 serves as an intricate tapestry weaving together elements of theology, philosophy, and science, integrating esoteric traditions with a profound exploration of the cosmos and human evolution. Written in a dense yet poetic literary style, the text is structured around the dual doctrines of the universal and the individual, rooted deeply in theosophical thought. Blavatsky draws upon a wide array of religious and philosophical sources, including Eastern and Western esotericism, to expound upon the idea of a hidden knowledge that transcends the physical realm, presenting her insights as both a critique of materialism and an invitation to spiritual awakening. Helena Blavatsky, a seminal figure in the Theosophical Society, was profoundly influenced by her travels to India and her studies of ancient wisdom traditions. Her quest for universal truths led her to challenge prevailing scientific and religious dogmas of the 19th century, positioning her as a pioneer of modern spirituality and a bridge between Eastern spirituality and Western thought. *The Secret Doctrine* is a must-read for anyone intrigued by metaphysics, spirituality, and the quest for knowledge that transcends conventional wisdom. Blavatsky's comprehensive examination of the world's mystical traditions invites readers to explore the depths of their own consciousness and the interconnectedness of all existence.

Secrets of the Lost Mode of Prayer Gregg Braden,2016-07-26 Could our deepest hurts reveal the key to a powerful form of prayer that was lost 17 centuries ago? What can we learn today from the great secret of our most cherished traditions? There are beautiful and wild forces within us. With these words, the mystic St. Francis described what ancient traditions believed was the most powerful force in the universe: the power of prayer. For more than 20 years, Gregg Braden has searched for evidence of a forgotten form of prayer that was lost to the West following the biblical edits of the early Christian Church. In the 1990s, he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest. In this book, Braden describes this ancient form of prayer that has no words or outward expressions. Then, for the first time in print, he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through case histories and personal accounts, Braden explores the wisdom of these timeless secrets and the power that awaits each of us just beyond our deepest hurt.
