[Cary Grant](#) Marc Eliot, 2009-02-04 Everybody wants to be Cary Grant Even I want to be Cary Grant Cary Grant He is Hollywood's most fascinating and timeless star Although he came to personify the debonair American Cary Grant was born Archibald Leach on January 18 1904 in the seaport village of Bristol England Combining the captivating beauty of silent screen legend Rudolph Valentino with the masculine irresistibility of Clark Gable Grant emerged as Hollywood's quintessential leading man Today the man from dream city as critic Pauline Kael once described him remains forever young an icon of quick wit romantic charm and urbane sophistication the epitome of male physical perfection Yet beneath this idealized movie image was a conflicted man struggling to balance fame with a desire for an intensely private life separate from the Cary Grant persona celebrated by directors and movie studios Exploring Grant's troubled childhood ambiguous sexuality and lifelong insecurities as well as the magical amalgam of characteristics that allowed him to remain Hollywood's favorite romantic lead for more than thirty five years Cary Grant is the definitive examination of every aspect of Grant's professional and private life and the first to reveal the man behind the movie star Working with the most talented directors of his time Grant starred in an astonishing seventy two films ranging from his groundbreaking comedic roles in such classics as *Bringing Up Baby* *Howard Hawks* and *The Philadelphia Story* George Cukor to the darker unforgettable characters of Alfred Hitchcock's *Suspicion* and *Notorious* culminating in the consummate sophisticates of *An Affair to Remember* *Leo McCarey* *North by Northwest* Hitchcock and *Charade* Stanley Donen The camera loved Grant and his magnetism helped illuminate his leading ladies some of the most glamorous women ever to grace the silver screen Mae West

Irene Dunne Katharine Hepburn Ingrid Bergman Grace Kelly and Sophia Loren among others Yet because of his pioneering role as an independent player Grant was repeatedly denied the Oscar he coveted a snub from the Academy that would last until 1970 when he graciously accepted a special lifetime achievement award Grant's sparkling image on screen hid a tumultuous personal life that he tried desperately to keep out of the public eye including his controversial eleven year relationship with Randolph Scott five marriages and numerous affairs Rigorously researched and elegantly written Cary Grant A Biography is a complete nuanced portrait of the greatest Hollywood star in cinema history **Cary Grant** Beverly Bare Buehrer,1990-04-20 Cary Grant one of the most enduring stars in the history of Hollywood history is the subject of this unique bio bibliography that places equal emphasis on the actor's professional and private lives Each chapter examines a different aspect of Grant's life and career beginning with a biography and a chronology of important events Comprehensive listings of Grant's films stage appearances radio and television credits and recordings thoroughly trace his professional life while an annotated bibliography provides important material for further research This entry in the series is particularly well written and includes considerable and valuable documentation Recommended Classic Images One of the biggest stars that Hollywood ever produced Cary Grant was a unique performer with an instantly recognizable persona and an appeal that lasted well beyond his retirement from the screen Adept at playing both comic and dramatic roles and as comfortable in a romantic scene as he was with a pratfall Grant eventually became something of an icon a romantic idol whom women wanted to love and men wanted to emulate This bio bibliography provides an overview of the life and career of this superstar and unlike other biographies it gives as much weight to Grant the star as it does to Grant the private person The book contains several sections that highlight individual aspects of Grant's life and career The biographical sections review the personal facts of the actor's life from his lower class birth in England to his screen stardom in America while a chronology presents an overview of the important professional and personal events in his life Four separate chapters detail Grant's career providing comprehensive listings of his films stage appearances radio and television credits and recordings The book concludes with an annotated bibliography of articles published in books and periodicals as well as a subject index This work will be a welcome resource for film fans and scholars and an important reference for courses in film history It will also be a valuable addition to both public and academic libraries Cary Grant Graham McCann,1998-06-02 More than a biography this is a savvy portrait of how Archie Leach born to a poor working class family in Bristol England became Cary Grant one of Hollywood's most irresistible and admired celebrities of all time **Cary Grant** Gary Morecambe,Martin Sterling,2001 A legendary leading man Cary Grant was what every man aspired to be and every woman desired But underlying the charm was a man determined to escape a wretched childhood and reinvent himself His life was a mass of contradictions and speculations Gary Morecombe's father Eric enjoyed a 20 year friendship with Grant and from this unique advantage point the authors have examined his life loves and career of the troubled screen icon This first truly objective study explores what drove this funny

flawed man who never confronted let alone exorcised his inner demons **Cary Grant** Geoffrey Wansell,2011-11-15 His signature jaw line and charismatic characters made him an American symbol His films including Bringing Up Baby The Philadelphia Story and North by Northwest were timeless classics However Grant was also married five times and sustained a tortured obsessive relationship with money In this beautifully illustrated and comprehensive book Geoffrey Wansell traces the threads of both light and darkness in one of Hollywood's greatest stars As his friend and co star Deborah Kerr wrote he was one of the most outstanding personalities in the history of the cinema **Alfred Hitchcock All the Films** Bernard Benoliel,Gilles Esposito,Murielle Joudet,Jean-François Rauger,2024-10-29 Organized chronologically and covering every short film television episode and classic film that the Master of Suspense directed over the course of his illustrious 60 year career Alfred Hitchcock All the Films draws upon years of research to tell the behind the scenes stories of how each project was conceived cast and produced down to the creation of the costumes the search for perfect locations and of course the direction of some of cinema's most memorable scenes Spanning more than six decades and including stories of work with longtime collaborators like costume designer Edith Head title designer Saul Bass and composer Bernard Herrmann this book details the creative processes that resulted in numerous classic films like Vertigo The Birds Psycho Rear Window North By Northwest and To Catch a Thief to name a few The director's classic TV series are also covered extensively along with original release dates lesser known short films box office totals surreptitious casting details and other insider scoops that will keep fans and students alike turning pages Alfred Hitchcock All the Films is the perfect book for the movie fan in your life

American Legends Charles River Charles River Editors, 2018-03-02 Includes pictures of important people places and events Includes Cary Grant's quotes about his own life and working with other Hollywood stars Includes a bibliography for further reading Everyone wants to be Cary Grant Even I want to be Cary Grant Cary Grant A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Movie stars are revered for their ability to captivate audiences and perhaps no actor has done it as well as Cary Grant the epitome of the suave debonair actor who may have been rivaled only by dancer extraordinaire Fred Astaire Grant offered a version of the male actor that stood in stark contrast with the gangster heroes and hard boiled film noir detectives that populated the screen throughout his career Impeccably groomed and always clad in dapper attire Grant possessed a magnetism that was undeniably attractive all while managing to come across as well heeled and socially respectable As a result there was an archetypal quality to Cary Grant that endeared him to both male and female viewers After all he was able to star in major movies well into his 60s and even after he retired Grant never lost his charm and continued to maintain a universal appeal that has almost never been rivaled Cary Grant occupies an almost sacred place in American film history but it is still important to recognize that the persona that has enchanted audiences for decades was in fact a creation Grant was not born with the charm and elegance he later exuded and the contrast between his upbringing and the man he would later become is arguably the most remarkable aspect of his life story Born into a dysfunctional family Grant had a tumultuous childhood that saw him tasked with perpetually overcoming major adversity With a mother who was too ill to care for him and a father whose interests lay elsewhere he was in many respects charged with raising himself a dynamic entirely antithetical to the affluent characters he famously portrayed in films such as *The Philadelphia Story* 1939 *To Catch a Thief* 1953 and *An Affair to Remember* 1957 The progression from Grant's youth to his glamorous adult life was a complex transformation of its own and it is a Hollywood rags to riches story of its own At the same time Grant's rise to stardom was due to an intricate web of factors including his own natural acting ability developments in the motion picture industry and the fortuitous opportunity to consistently work with gifted directors who molded his image Like nearly every big star Grant was an exceptionally gifted actor and someone who

benefited from a fortunate string of career opportunities that he took advantage of to full effect American Legends The Life of Cary Grant examines the life and career of Hollywood's most iconic leading man Along with pictures of important people places and events you will learn about Cary Grant like never before in no time at all
