The Films Of James Mason:

The Films of James Mason Clive Hirschhorn, James Mason, Corin Moore, 1975 **Odd Man Out** Sheridan Morley, 2016-09-05 Incredibly good looking in a dark way that curious quality of a man with an eternal secret That was what was so arresting That and the voice Geraldine Fitzgerald The reason for watching a James Mason film as the film critic Pauline Kael once noted was usually only James Mason himself Mason was actually pointed toward a career in architecture before acting overtook him during his third year at Cambridge He went on to make an indelible impression playing emotionally haunted characters on stage and screen such as one early stand out role Johnny McQueen in Carol Reed's *Odd Man Out* 1947 Mason and his first wife Pamela arrived in the United States in the late forties and the Hollywood phase of his career lasted through the 1950s It memorably included diverse classics such as *The Desert Fox A Star is Born* for which he was Oscar nominated and *North by Northwest* After his return to Europe and remarried to Clarissa Kaye he continued in landmark movies such as *Lolita* *Georgy Girl* *The Verdict* and his last *The Shooting Party* receiving two more Oscar nominations in the process But in this revealing book Mason is shown to be a highly sensitive man uncomfortable with stardom and often at odds with attempts to mould or typecast him He remains in legacy the most intriguing and unpredictable of the great screen actors James knew how to steal movies and give a performance that only really got noticed when the whole film was put together so he would emerge with immense distinction having apparently been doing very little on the set Christopher Plummer James Mason Kevin Sweeney, 1999-01-30 James Mason broke into British films in 1935 after a few years working on the stage For the rest of the decade he alternated unsuccessful theatre ventures with increasingly important movies Though he was a conscientious objector he became one of the most popular British actors of the World War II era He moved to Hollywood after the war and made 34 films between 1949 and 1962 Though success initially eluded him he worked with some of the leading directors of the time and eventually won an Academy Award nomination for *A Star is Born* 1954 He worked steadily in the years that followed appearing in nearly 50 feature films from 1963 until his death in 1984 While many of these films were undistinguished he earned two additional Oscar nominations and was voted Cinema Actor of the Century by a panel of international critics in 1967 This reference book is a comprehensive guide to his life and career The volume begins with a biography in narrative form that traces Mason's life The biography is followed by a short chronology which highlights the principal events of his life and career An extensive annotated bibliography then reviews works by and about Mason The sections that follow detail his many performances in film radio television audio recordings and the stage Each section includes entries for individual productions with entries providing extensive cast and credit information plot summaries excerpts from reviews and critical commentary where available The volume also lists additional information such as Mason's awards and nominations **James Mason** Diana DeRosso, 2018

Films of Jean Seberg Michael Coates-Smith, Garry McGee, 2014-01-10 Here is the first comprehensive examination of the international film career of Iowa born actress Jean Seberg 1938 1979 Bursting onto the scene as star of Otto Preminger's controversial Saint Joan 1957 the 19 year old Seberg encountered great difficulty recovering from the devastating criticism of her performance The turnaround came in 1959 with her brilliant work in Jean Luc Godard's new wave classic A bout de souffle Breathless Though her Hollywood prospects were harmed by subsequent political involvements Seberg continued to work with some of Europe's finest directors Her later films offer a fascinating view of the movie industry in the 1960s and 1970s and of a courageous actress always ready for a new challenge A biographical sketch provides a framework for detailed scrutiny of her 37 films Background information and a critical evaluation is provided for each title LIFE, 1947-01-06 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use The Complete Films of Alfred Hitchcock Robert A. Harris, Michael S. Lasky, 2002 A tribute to the undisputed master of terror and suspense and the visionary who revolutionised the art of filmmaking this book covers everything from his 1922 silent film The Pleasure Garden to his final 1976 film Family Plot including such masterpieces as Vertigo Psycho Rear Window and The Birds and the years of his popular television show Alfred Hitchcock Presents Complete with 450 b/w stills from his many films and a text that examines the background of each production this is the ultimate portrait of the movie genius in all his cinematic glory

Films Famous, Fanciful, Frolicsome & Fantastic John Reid, 2006-04-05 Remember Humpy the talking camel You'll find him in this book along with a host of other legendary characters from Alice in Wonderland through the Mysterious Mr Wong to Wild Bill Hickok Movie stars featured include Lon Chaney Kay Francis Buster Keaton Greta Garbo Constance Bennett Adolphe Menjou and Will Rogers Directors include John Ford Cecil B DeMille Ernst Lubitsch and Fred Zinnemann It all adds up to many hours of pleasure for classic movie fans who can thumb through details of award winning films popular pictures and little known masterpieces that deserve wider recognition Yes there are famous B movies too like Sleepers West and its re-make The Narrow Margin **James Mason** Sarah Thomas, 2019-07-25 Sarah Thomas's study moves beyond the image of the brooding destructive man at odds with employers and his own star status to explore the complexity of Mason's career and star persona Her analysis is structured around three strands central to understanding stardom the star persona industry and power and screen performance Thomas addresses the incredible range of Mason's star career 1930s quota quickies 1940s Gainsborough melodramas the desperate IRA man in Carol Reed's Odd Man Out 1947 from the 1950s onwards Hollywood classics including starring in Hitchcock's North by Northwest 1959 and playing Humbert Humbert in Kubrick's Lolita 1962 She also considers in depth his undervalued post 1962 career off screen celebrity status non film work comic and vocal performances and the star's own self commentary In doing so she offers a new perspective on such subjects

as power and powerlessness public image and national identity contextualizing Mason's career in wider histories of British American and European transnational filmmaking

The Films of the Eighties Robert A. A Biographical Dictionary of Silent Film Western Actors and Actresses George A. Katchmer, 2015-05-20 Long before sound became an essential part of motion pictures Westerns were an established genre The men and women who brought to life cowboys cowgirls villains sidekicks distressed damsels and outraged townspeople often continued with their film careers finding success and fame well into the sound era always knowing that it was in silent Westerns that their careers began More than a thousand of these once silent Western players are featured in this fully indexed encyclopedic work Each entry includes a detailed biography covering both personal and professional milestones and a complete Western filmography A foreword is supplied by Diana Serra Cary formerly the child star Baby Peggy who performed with many of the actors herein

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all inclusive A Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the

director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author s private collection **The Cicero Spy**

Affair Richard Wires,1999-09-30 The episode of the opportunistic valet of Britain s ambassador to neutral Turkey during World War II dubbed Cicero for the eloquence of the top secret material he appropriated from his employer Sir Hughe Knatchbull Hugessen and sold to the Nazis is a staple of intelligence lore Yet this remarkable and sometimes comical story has often been recounted with little regard for the facts most prominently in the popular film Five Fingers Now historian and former intelligence officer Richard Wires presents the first full and objective account of the Cicero spy episode offering closure to past discrepancies and credible solutions to remaining mysteries Copiously documented The Cicero Spy Affair provides readers with the true chronology of events and places them in an international context It is a story set in the hotbed of intrigue that was wartime Turkey replete with a dramatic car chase a series of colorful mistresses ever loyal to their lover the spy and an old school British ambassador whose documents are photographed at night as he plays the piano in the drawing room and or slips into a sleeping pill induced slumber Despite the affair s amusing aspects it is also a sobering tale in which there are no winners and from which there are serious lessons to be learned Germany never made use of the highly sensitive British documents it obtained during this crucial four month period of the war because the handling of the information was caught up in a bitter and wasteful personal rivalry between Ribbentrop and Schellenberg It was sheer luck for the British that their war effort did not sustain any significant damage For while the book states definitively that security regarding the Allied invasion of Normandy was not breached in the Cicero affair Germany did gain a potential advantage concerning campaigns in the Aegean and the Balkans This embarrassed the British greatly especially since Cicero walked away a free man However the greedy valet the most highly paid spy in history at that time did not achieve his goals either he discovered some years later that the British banknotes he insisted on as payment were counterfeited by the Germans as part of a larger counterfeiting project Cicero died a desperate man deeply in debt a fitting anticlimax for an espionage episode resulting in neither bodily injury nor strategic impact but in humiliation on all sides Doomsday Machine - The Unofficial

James Bond Film Companion Tom Chapman,2025-05-06 Doomsday Machine is the ultimate one stop shop guide to the James Bond films This book is Packed full of James Bond trivia fascinating facts production details what might have been box office gadgets cars stunts locations opinion and so much more So pour yourself a vodka martini and prepare to celebrate the greatest film franchise of all *The Encyclopedia of Hollywood Film Actors* Barry Monush,2003-04-01 For decades Screen

World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin, Pickford, Fairbanks to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed Screen World archives with many rare shots, vital statistics, a comprehensive filmography, and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity, an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity, and glory that was the lifeblood of its subjects. Contains over 1,000 photos.

James Friedrich and Cathedral Films Kenneth Suit, 2017-12-01. James Friedrich and Cathedral Films: The Independent Religious Cinema of the Evangelist of Hollywood, 1939-1966. Looks at the religious sub-genre of independent cinema during the classical Hollywood period through the works of one of its most accomplished pioneers. Episcopal pastor James Friedrich used professional Hollywood casts and crews to produce over sixty short and feature length religious films in the 1940s and 50s, with critics and viewers alike offering praise for their cinematic and theological quality. This book is a unique contribution to our understanding of the history of the American film industry, providing unprecedented insight into the way a small independent B studio created and distributed religious films for the church, television, and theatrical markets, and anticipated and influenced the mid-century Hollywood biblical blockbusters and independent religious films that followed Friedrich's work.
