Weissman,2020-07-23 Through a detailed analysis of ghost tales in the Ashkenazi pietistic work *Sefer asidim* Susan Weissman documents a major transformation in Jewish attitudes and practices regarding the dead and the afterlife that took place between the rabbinic period and medieval times She reveals that a huge influx of Germano Christian beliefs customs and fears relating to the dead and the afterlife seeped into medieval Ashkenazi society among both elite and popular groups In matters of sin penance and posthumous punishment the infiltration of Christian notions was so strong as to effect a radical departure in Pietist thinking from rabbinic thought and to spur outright contradiction of talmudic principles regarding the realm of the hereafter Although it is primarily a study of the culture of a medieval Jewish enclave this book demonstrates how seminal beliefs of medieval Christendom and monastic ideals could take root in a society with contrary religious values even in the realm of doctrinal belief **Final Judgement Day** C.L. Krishnakant,2023-01-04 THE BOOK THAT HAS THE GURUS ON THE RUN The Final Order by Krishnakant Desai has been

perhaps the most influential post 1977 publication in the Vaisnava world HH Bhakti Vikasa Swami ISKCON guru Who should initiate disciples in the Hare Krishna Movement The spiritual purity and general prestige of the International Society for Krishna Consciousness ISKCON or the Hare Krishna Movement has undergone a serious meltdown since the physical departure on November 14th 1977 of its pure and saintly founder His Divine Grace A C Bhaktivedanta Swami Srila Prabhupada Most of the scandals that have rocked the Movement can be traced back to fairly blatant deviations from the instructions and pure standards given by Srila Prabhupada the chief of which being his unauthorised displacement as the sole initiating diksa guru for ISKCON This particular deviation was highlighted in 1996 in the first edition of The Final Order which was sent to all ISKCON s leaders in a bid to help solve the Movement s problems No ISKCON leader could now credibly claim to be oblivious to the legal documents personally signed by Srila Prabhupada that clearly set out his intention to remain the sole initiating guru for the global spiritual movement he founded It is these legal documents that constitute the core of The Final Order Far from accepting the conclusions of The Final Order ISKCON s Governing Body Commission GBC embarked on a systematic and sometimes brutal campaign of harassment suppression and evasion Surely it is no coincidence that most if not all of the members of the GBC are also initiating gurus This book will help the reader get to grips with the plain facts underlying one of the most fascinating and serious religious controversies of the modern age The GBC should all be the instructor gurus I am the initiator guru and you should be the instructor guru by teaching what I am teaching and doing what I am doing Srila Prabhupada Letter to Madhudvisa 4 8 1975 Yes I am the spiritual master of this institution and all the members of the Society they re supposed to be my disciples They follow the rules and regulations which I ask them to follow and they are initiated by me spiritually Srila Prabhupada Radio Interview 12 3 1968 [Pearl Harbor: Final Judgement](#) Henry C. Clausen, Bruce Lee, 2015-07-07 This account of the top secret investigation is essential history the authoritative appraisal of why American armed forces met the Japanese attack asleep The Christian Science Monitor On December 6 1941 Admiral Husband E Kimmel commander in chief of the United States Pacific Fleet assured his staff that the Japanese would not attack Pearl Harbor The next morning Japanese carriers steamed toward Hawaii to launch one of the most devastating surprise attacks in the history of war proving the admiral disastrously wrong Immediately an investigation began into how the American military could have been caught so unaware The results of the initial investigation failed to implicate who was responsible for this intelligence debacle Secretary of War Henry L Stimson realizing that high ranking members of the military had provided false testimony decided to reopen the investigation by bringing in an unknown major by the name of Henry C Clausen Over the course of ten months from November 1944 to September 1945 Clausen led an exhaustive investigation He logged more than fifty five thousand miles and interviewed over one hundred military and civilian personnel ultimately producing an eight hundred page report that brought new evidence to light Clausen left no stone unturned in his dogged effort to determine who was truly responsible for the disaster at Pearl Harbor Pearl Harbor Final Judgement reveals

all of the eye opening details of Clausen s investigation and is a damning account of massive intelligence failure To this day the story surrounding the Japanese attack on Pearl Harbor stokes controversy and conspiracy theories This book provides conclusive evidence that shows how the US military missed so many signals and how it could have avoided the events of that fateful day

Romuald Dzemo ReadersFavorite com *The Final World Empire* Paul Garratt, 2014-08-05 Since the time of the Early Church Fathers Christians have sought to unravel the mystery of the fourth empire spoken of by the prophet Daniel Despite the explicit detail provided by Daniel and the additional insights of the apostle John in the Book of Revelation the identity of the final world empire has continued to frustrate commentators and polarise popular opinion And yet now with the privilege of being able to survey the two and a half millennia that makes up

our history since the days of Daniel we are not only able to correctly identify the fourth empire but also anticipate the likely sequence of events that will take place in the near future It will transpire that Europe is the location over which a celestial struggle is taking place to revive the fourth empire in preparation for the ascendance of the antichrist As such Europe stands as the bloodiest and most anti Semitic continent on earth You will discover The identity of Daniels four world empires How the fourth empire has undergone seven distinct episodes of revival The significance of the Roman Catholic Church in the evolution of Europe Why ancient Babylonian imagery has been embraced by the European Union The current evolution of the European Union is intrinsically linked to Bible prophecy Understanding what God seeks to do in Europe at this most anticipated moment in history will enable you to rise to unparalleled levels of influence in your sphere of ministry *Gog and Magog* Sverre Bøe,2001 The names Gog and Magog are found in the Old Testament in the Pseudepigrapha and the Qumran writings in the Targums and in other Jewish texts in the New Testament in the writings of the Church Fathers and even in the Koran In most of these texts Gog and Magog are persons or nations opposing God's people in the endtime tribulations Sverre Boe focuses on John's use of various Gog and Magog traditions in Revelation 19 17 20 10 He assembles all these traditions and also refers to several hundreds of scholarly works on these many texts He further contributes to the ongoing discussions about the inter textual relationship between Revelation and the Old Testament He argues that John used Ezekiel 38 39 extensively and that there are structural analogies between Rev 19 11 22 5 and Ezek 36 48 Although Sverre Boe does not raise the fundamental questions about the so called millennium in Rev 20 as such he gives many implications for that issue also Finally he concludes that Revelation does not see Gog and Magog as Israel's enemies in an ethnic sense since John seems to universalize his pre texts to fit the New Testament notion of God's people as comprising Christians of all nations

The Ezra-Apocalypse ,1912 **Beyond Canon** Meron Gebreanany, Francis Watson, Logan Williams,2020-12-24 This book highlights the significance of a group of five texts excluded from the standard Christian Bible and preserved only in Ge'ez the classical language of Ethiopia These texts are crucial for modern scholars due to their significance for a wide range of early readers as extant fragments of other early translations confirm in most cases Yet they are also noted for their eventual marginalization and abandonment as a more restrictive understanding of the biblical canon prevailed everywhere except in Ethiopia with its distinctive Christian tradition in which the concept of a closed canon is alien In focusing upon 1 Enoch Jubilees the Ascension of Isaiah the Epistula Apostolorum and the Apocalypse of Peter the contributors to this volume group them together as representatives of a time in early Christian history when sacred texts were not limited by a sharply defined canonical boundary In doing so this book also highlights the unique and under appreciated contribution of the Ethiopic Christian Tradition to the study of early Christianity **T&T Clark Handbook of Christian Eschatology** Markus Mühling,2015-06-18 This textbook offers a systematic introduction to eschatology The first part introduces the historical approaches to eschatology The second part concerns the reasons for eschatological statements in light of important aspects

of the doctrine of God and Christ The third part is devoted to different concepts of the relationship between eternity and time space and infinitude as well as the question of what is good true and beautiful Using a thematic structure the multiple different approaches and concepts of modern eschatology are clearly presented and illuminated by the perspective of the classical teachings on the Last Things which are ultimately brought together in a synthesis This is an important contribution to a crucial part of the study of systematic theology
