## **The First And Second Epistles To The Thessalonians:**

The First and Second Epistles to the Thessalonians Leon Morris, 2009-04-10 The two letters to the Thessalonians dwell richly on the Christian hope and emphasize the significance of the Christian calling in the here and now In this commentary Leon Morris offers a solid exegetical discussion of specific problems relating to the composition of the letters themselves yet his exposition is also pervaded by an acute awareness of the relevance of Paul's message to the practical problems encountered in living the Christian life Long published as part of the New International Commentary on the New Testament series and here reprinted in paperback this classic work on 1 and 2 Thessalonians has proved and will continue to prove useful to a wide range of readers including scholars pastors Bible students and educated Christians Thorough and readable Leon Morris deals minutely with the grammatical meaning of the Greek text without being obscure or pedantic The main exposition of the commentary is comprehensible by any intelligent Bible student and provides ready reference for the casual reader Christianity Today Morris is an able exegete with a mind of his own and a stylistic facility that makes his commentary as readable as it is instructive Evangelical Quarterly This commentary is worthy of a place on the shelves of every student of the New Testament Didaskalia **The First and Second Epistles to the Thessalonians**, 1964 **The First and Second**

**Epistles to the Thessalonians** Ernest Best, 1993-10 Since its appearance nearly 35 years ago Black's New Testament Commentary Series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary Each book in the series includes an insightful introduction to the important historical literary and theological issues key terms and phrases from the translation highlighted in the commentary where they are discussed explanations of special Greek or foreign terms references to important primary and secondary literature and a Scripture index The 1974 estimate by Interpretation that Ernest Best's volume on 1 2 Thessalonians is probably the best exegetical study of I and II Thessalonians available a superb commentary continues to ring true nearly 20 years later This is indeed one of the finest commentaries on 1 2 Thessalonians available in any language The Journal of Theological Studies called it exhaustive and concluded by saying that the commentary is reliable judicious and nearly always lucid He Best takes us as far as we can reasonably go in understanding the mind of Paul as it expressed itself in these writings **The First and Second Letters to the**

**Thessalonians** Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text today Among other things Fee explores the occasion for writing for each epistle restoring 2 Thessalonians to the place it deserves as a full companion to the first letter rather than merely a tagalong to 1 Thessalonians *A Commentary on the First and Second Epistles to the*

*Thessalonians* Ernest Best, 1972 The First and Second Epistles to the Thessalonians Leon Morris, 1959 The writer's

eminent scholarly and literary qualifications make his authorship of this volume in the New International Commentary particularly appropriate and welcome While Dr Morris offers a scholarly exegetical discussion of specific problems and details there is pervading his exposition a sense of the relevancy and needs of his readers The letters to the Thessalonians dwell richly upon the Christian s hope but also in this very connection emphasize the meaning and earnestness of his calling in the present world The reader is constrained to redeem the time even as he contemplates that salvation is nearer than when he first believed and that the end of the ages has come upon him Careful to maintain a due balance between the interests of exact scholarship and the practical task of relating this portion of the New Testament message to the reader s personal faith Dr Morris has provided a commentary of extraordinary value for minister scholar and layman     *The First and Second Epistles to the Thessalonians* D.
