The First Easter Bunny:

The First Easter Bunny Allison Schuetzler,2014-11-12 The First Easter Bunny A colorful array of watercolor illustrations with scripture references brings to life the unique story of Jesus arriving in Jerusalem on Palm Sunday to his ascension into the heavens all through the eyes of one small rabbit named Arnebeth Included inside is a photograph of a real Israeli rock rabbit known as a hyrax just like Arnebeth **The First Easter Bunny** Frrich Lewandowski,1999-02 The story of a bunny who witnesses the Passion death and resurrection of Jesus **The First Easter Rabbit** Kate Walker,Marina McAllan,1989 **The First Easter Bunny** Makyla Hays,Melanie Garland,2015-03-17 The First Easter Bunny is a short children s story that connects the fun Easter Traditions kids love bunnies and eggs to the deeper meaning behind Easter the death and resurrection of Christ The story follows Arnie the First Easter Bunny as he discovers what Easter truly means

Noam-The First Easter Bunny Emile B LaCerte,2020-04-06 Emile B LaCerte Jr with the help of his sister We restored the legend of the Easter Bunny with the Passion story of Christ With imagination hope and love becomes reality That s what we storytellers do We restore order with imagination We instill hope again and again and again Walt Disney [The Story of the First Easter Bunny](#) Anthony Destefano,2024-01-16 At a time when the profound significance of Easter is often overshadowed by commercialism The Story of the First Easter Bunny is a refreshing and heartwarming reminder of the true meaning of this most holy of Christian holidays Best selling author Anthony DeStefano tells the tale of a pint size bunny with enormous ears who seeks healing for his sick mother by searching for Jesus and listening to His words The bunny shows courage and compassion on his selfless journey When all seems dark and he is afraid the bunny remembers Christ s words and takes refuge in God s promise by calmly waiting for the light After the bunny witnesses the Last Supper the Crucifixion and the Resurrection he and his mother experience a life changing miracle and the bunny goes on to spread the message of salvation to all who will listen His inspiring example is a reminder to readers both the young and the young at heart that God s love is ever present and that when we trust Him with the confidence of a child we find redemption fulfillment and lasting joy This instant classic told in charming rhyming verse and wonderfully illustrated by New York Times best selling artist Richard Cowdrey adopts the Easter Bunny as a symbol of hope in the Risen Lord of the transformative power of faith and of the reality of Heaven It offers an inspiring alternative to our culture s obsession with chocolate treats dyed eggs and cartoon characters of little substance The moving tale of this endearing bunny who refused to give up hope will fill your heart with a song of praise and be a favorite in your home classroom and church for years to come [Pittsburgh Teachers Bulletin](#) ,1929

[The Tale of Rebekah Rabbit](#) Jean McCurdy Meade,2009-09 Where did the story of the Easter Bunny come from What does Easter the Day on which Jesus was raised from the dead that Christians celebrate every year with great joy have to do with a rabbit that brings joy to children Did it ever occur to you that there might have been a family of rabbits in the Garden outside Jerusalem where Jesus was laid in the tomb on that sad amazing day we call Good Friday Well if there were rabbits in that

garden maybe one of them saw the Risen Lord even before the faithful women went to the tomb and encountered the Angel telling the news of His Resurrection Maybe she was a little bunny named Rebekah who was curious about the strange rumbling she felt early early that Sunday morning and the beautiful light that came with the dawn so out she hopped into the garden all alone while her brothers and sisters slept And there she met the most wonderful person in the world and somehow she knew Him and He knew her And then maybe that little bunny was able to say something without words to those women and they included her in their story to the others But then over the centuries the part about the rabbit and the first Easter day got forgotten mostly Fantasy can be a wonderful way to connect with the truths taught by the Christian faith Based on the Gospel of Matthew The Tale of Rebekah Rabbit is for children and adults with a heart for what may have happened if as old legends tell us animals can talk among themselves and like humans can recognize the voice of their Maker Jean Alden McCurdy Meade an Episcopal priest since 2002 is the Rector of Mount Olivet Episcopal Church New Orleans She is the mother of four step mother of one and grandmother of four so far A pianist organist singer and lover of reading and good conversation her special calling is teaching the Bible to young and old For 19 years she served as the lay chaplain of St Andrew s Episcopal School where she used impromptu drama and music to bring the Bible stories to life She has broadcast a Bible study Light unto my Path on New Orleans public access television for years and has been the speaker for many conferences and retreats especially on Women of the Bible and Male and Female in the Image of God A graduate of Agnes Scott College and Duke University she taught English in high schools and college before retiring for a while to bring up her children In 1988 she was the first non Roman Catholic graduate of Notre Dame Roman Catholic Seminary of New Orleans and then earned a PhD in Philosophy from Tulane University in 2000 She has taught Religious Studies and Philosophy at Loyola Notre Dame Seminary and Tulane in recent years She is dedicated to fostering ecumenical work and understanding serving as a Chaplain in the Order of St Lazarus of Jerusalem and in the Sovereign Military Order of the Temple in Jerusalem and she has been an oblate of St Joseph Abbey Order of Saint Benedict in Covington Louisiana for many years Ever since the 200th anniversary of the Louisiana Purchase in 2003 Jean has led an ecumenical service of Vespers in French at Mount Olivet Church to celebrate the French heritage of Louisiana A native of San Antonio Texas she has four sisters and one brother many nieces and nephews and is married to Louis R Koerner Jr a lawyer Jean and Louis live in New Orleans in a big old Garden District house built in 1893 They grow their own vegetables and herbs in the garden and love to cook and to travel especially to France Illustrator Barbara Hosterman Clark is a mother and grandmother who lives in Grapeland Texas A locally well known artist she is also an Elder in the First Presbyterian Church of Crockett Texas *The Very First Easter Bunny* Kari Dahlin,1995-02 A little bunny comes to understand Jesus message of rebirth love and new life through a series of findings in the garden a chrysalis and its butterfly a tiny egg and the bird that emerged and the boulder where Jesus had risen **The Easter Bunny isn't Real...and Neither is Jesus** Oscar Arias,2014-06-20 This book explores the true origins

America Toons In David Perlmutter,2014-04-01 Animation has been part of television since the start of the medium but it has rarely received unbiased recognition from media scholars More often it has been ridiculed for supposedly poor technical quality accused of trafficking in violence aimed at children and neglected for indulging in vulgar behavior These accusations are often made categorically out of prejudice or ignorance with little attempt to

understand the importance of each program on its own terms This book takes a serious look at the whole genre of television animation from the early themes and practices through the evolution of the art to the present day Examining the productions of individual studios and producers the author establishes a means of understanding their work in new ways at the same time discussing the ways in which the genre has often been unfairly marginalized by critics and how especially in recent years producers have both challenged and embraced this marginality as a vital part of their work By taking seriously something often thought to be frivolous the book provides a framework for understanding the persistent presence of television animation in the American media and how surprisingly influential it has been
