The First Horsemen:

The Four Horsemen of the Apocalypse Gerald Flurry, Wayne Turgeon, Philadelphia Church of God, 2013-10-17 We should already hear and intently fear the galloping hoofbeats of the four horsemen They are racing toward us at this very moment And here is the most terrifying truth of all God s own people are going to be devastated more than anyone else In this booklet The White Horse The Red Horse The Black Horse The Pale Horse This ebook is offered completely free of charge by the Philadelphia Church of God However please not that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This refund can take up to 1 month to process *The Four Horsemen of the Apocalypse* Mark Hitchcock, 2010-04-28 The image of the four horsemen of the Apocalypse in Revelation 6 1 8 is one of the most vivid and powerful in all the writings of the prophets Their presence speaks of a coming day of horror the first four judgments of the tribulation White red black and pale they will wreak destruction around the world Prophecy expert Mark Hitchcock takes an in depth look at the horsemen and shows how today s events point toward the prophecy about them Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth T H U N D E R I N G H O O F B E A T S B R I N G W A R F A M I N E A N D P L A G U E The image of the four horsemen of the Apocalypse in Revelation 6 1 8 is one of the most vivid and powerful in all the writings of the prophets Their presence speaks of a coming day of horror the first four judgments of the Tribulation White red black and pale they will wreak destruction around the world Prophecy expert Mark Hitchcock takes an in depth look at the horsemen and shows how today s events point toward the prophecy about them Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth Mark Hitchcock packs a wealth of information on biblical prophecy into an excellent quick read I highly recommend Mark as a faithful guide to understanding current events in light of God s wonderful plan of prophecy TIM LAHAYE author educator minister Story Behind the Book The four horsemen of the Apocalypse in Revelation 6 1 8 is one of the most vivid powerful visions in all of the Scriptures The apostle John saw a vision of four horses white red black and pale galloping across the world in the end times leaving unbelievable destruction in their wake The chilling imagery of that vision has gripped believers for over two thousand years The purpose of the book is to take an in depth look at these four mysterious horsemen and show how their approach seems to be developing before our eyes signaling the advent of that terrible seven years known as the Great Tribulation The four horsemen are symbolic of great movements that will mark the onset of that climactic era in history **The Divine Feminine in Ancient Europe** Sharon Paice MacLeod, 2013-12-07 This book is an exploration of the spiritual traditions of ancient Europe focusing on the numinous presence of the divine feminine in Russia Central Europe France Britain Ireland and the northern regions Drawing upon research in archaeology history sociology anthropology and the study of religions to connect the reader with the myths and symbols of the European

traditions the book shows how the power of European goddesses and holy women evolved through the ages adapting to climate change and social upheaval but continually reflecting the importance of living in an harmonious relationship with the environment and the spirit world From the cave painting of southern France to ancient Irish tombs from shamanic rituals to Arthurian legends the divine feminine plays an essential role in understanding where we have come from and where we are going Comparative examples from other native cultures and quotes from spiritual leaders around the world set European religions in context with other indigenous cultures *The Scroll and Horsemen of the Book of Revelation* Al

Danks,2020-02-04 God gave Jesus a revelation to show his servants things which must come to pass In the revelation we see a scroll written on the inside and on the outside sealed with seven seals As each of the first four seals are opened we see a horseman What is the scroll Who or what are the horsemen How will we discern what or who they are How will we know we have discerned correctly Many others have attempted to identify the scroll and horsemen This book will not attempt to refute each and every identification they have made nor discuss every possible identification The approach is to show that the evidence fits a single scroll and a single set of horsemen If this approach is successful then it will effectively rule out all other scrolls and horsemen This book will not attempt to discuss the first horseman s bow and the green color of the fourth horseman as there is too little information available to discern them The scroll will be identified first using the evidence regarding the scroll Then each horseman will be identified using the evidence regarding each horseman The question about discerning correctly will be answered by showing how the horsemen fit together the horsemen fit the scroll the scroll and horsemen fit the book of Revelation and show us things to come *The Time in the End in the Book of Revelation* Thomas C.

Nixon,2002-11-15 Exchanging Pleasantries begins in a fictional version of a town known as Beverly Massachusetts and takes a trip to the streets of New York City where MC takes a chance at re arranging his life style by fibbing to his long time companions about a job offer concerning his life s dream writing He lands in what becomes a new world of all work chasing dreams and exchanging pleasantries with a mixture of new found characters It is a fun feel good taste of the North East with a sprinkle of romance and a dash of racial tension *Revelation Realist* Eric V. Cline,2023-02-03 Like the rest of the Bible

Revelation is profitable for doctrine reproof correction and instruction for righteousness God s revelation of Jesus is not coded or a maze of literature with secrets for only theologians to decipher The Holy Spirit makes the central message of the Bible available to everyone Revelation uses literary devices within the context of a message to communicate an absolute truth Open this book enter this symbolic but authentic world and be transported by all the visions of Revelation Warning you may be shocked out of spiritual slumber **Revelation and the Mark of the Beast** Z. Richard Sawan M.D.,2011-08-17 No

longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us This book is a passport to the future of humanity and will explain the end times in simple ways for the most part based on Biblical interpretation and not on widely accepted views or mine Most of the prevalent views on Revelation that you have

learnt or learning are incorrect Not knowing the future with respect to God s plan could jeopardize the timing of your salvation which could put one in the receiving end of God s plagues Revelation was written for us today in the end times and not for the Jews and ancient Romans 2000 years ago This book will prove this to be true beyond a shadow of a doubt Revelation cannot be interpreted without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations IMPOSSIBLE We are presently near the end of the Great Tribulation with the Day of our Lord fast approaching Already five of the seven seals have been opened with the sixth approaching rapidly The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million man army would follow There is good news though Read this book What are We Hoping For? Daniel J. Harrington,2006 Daniel J Harrington S J writes this book not so much for biblical specialists as for the general public The author s popular and prayerful approach considers forty five images of hope from star water and rock through childbirth body and house to scroll woman and beast **Final Warnings** Emile Stephen,2012-08-10 Uncovering Prophecy THE BIBLE INTERPRETS ITSELF DEPICTING A WORLD CRISIS AND HOW WE CAN ALL AVOID IT GOD S TRUE WORD OF THINGS THAT ARE TO COME GIVEN TO HUMAN RACE AS AN ADVANCE WARNING TO REPENT OF INIQUITIES God Has helped me to understand a passage in revelation more deeply and I would like to share that understanding with You Picturing the Apocalypse Natasha O'Hear,Anthony O'Hear,2015-06-26 The book of Revelation has been a source of continual fascination for nearly two thousand years Concepts such as The Lamb of God the Four Horsemen the Seventh Seal the Beasts and Antichrist the Whore of Babylon Armageddon the Millennium the Last Judgement the New Jerusalem and the ubiquitous Angel of the Apocalypse have captured the popular imagination One can hardly open a newspaper or click on a news web site without reading about impending financial or climate change Armageddon while the concept of the Four Horsemen pervades popular music gaming and satire Yet few people know much about either the basic meaning or original context of these concepts or the multiplicity of different ways in which they have been interpreted by visual artists in particular The visual history of this most widely illustrated of all the biblical books deserves greater attention This book fills these gaps in a striking and original way by means of ten concise thematic chapters which explain the origins of these concepts from the book of Revelation in an accessible way These explanations are augmented and developed via a carefully selected sample of the ways in which the concepts have been treated by artists through the centuries The 120 visual examples are drawn from a wide range of time periods and media including the ninth century Trier Apocalypse thirteenth century Anglo Norman Apocalypse Manuscripts such as the Lambeth and Trinity Apocalypses the fourteenth century Angers Apocalypse Tapestry fifteenth century Apocalypse altarpieces by Van Eyck and Memling D rer and Cranach s sixteenth century Apocalypse

woodcuts and more recently a range of works by William Blake J M W Turner Max Beckmann as well as film posters and stills cartoons and children s book illustrations The final chapter demonstrates the continuing resonance of all the themes in contemporary religious political and popular thinking while throughout the book a contrast will be drawn between those readers of Revelation who have seen it in terms of earthly revolutions in the here and now and those who have adopted a more spiritual otherworldly approach

The Book of Revelation Scott Storbakken, 2021-08-04 The Book of Revelation What the Spirit Says to the Churches in America instructs lay readers to understand the last book of the Bible as its earliest audiences would have The book aims to stimulate and educate Christians who find Revelation to be unapproachable It assists readers to responsibly apply Revelation s messages to their own settings once they understand what the Spirit said to the seven congregations in ancient settings Only with the original audiences in mind can modern American readers begin to discern what the Spirit says to them through the words of John s Apocalypse Through an accessible description of Revelation s linguistic literary and historical contexts readers can learn to approach the book as the seven churches of Asia Minor would have Comparisons and contrasts between the Greco Roman culture of Revelation and the United States of the twenty first century assist readers to answer Revelation s predominant question for themselves Who do you worship Many of John s own writing techniques are utilized to treat this book as a conversation so we can discover together what the Spirit says to the churches in America

Scripture On Scripture: The Book of Revelation Jonathan Witt, 2016-03-02 Scripture On Scripture The Book of Revelation is a Bible commentary written to explain this book of the Bible verse by verse while also demonstrating how this book fits with the rest of Scripture The Book of Revelation is one of the most unique and interesting books in all of the Bible There is much debate

between Christians about whose interpretation of Revelation is correct This commentary is written from the perspective that the book of Revelation describes those things that are yet to come in the future and most likely the near future This commentary is written with several key beliefs in mind namely that Jesus Christ promised to literally return to rule over the Earth that His return will be preceded by a seven year Tribulation Period of judgment from God upon the Earth and that this Tribulation Period will be initiated by a supernatural Rapture of His Church from the Earth **Hidden in Plain Sight** Mark Davidson, 2012 Hidden in Plain Sight is a book about Bible end times prophecy but it is not typical Starting with the assumption that the Antichrist may turn out to be a Muslim and not a Roman the book uses historical sources to show that Bible prophecy actually argues for a Muslim Antichrist Then using this new way of looking at prophecy this book explores several Bible passages revealing a series of events that must take place before the Tribulation Where the Bible was thought to be silent about the years leading up to the Tribulation it actually has much to say **Macmillan's Magazine**, 1861

Macmillan's Magazine David Masson, George Grove, John Morley, Mowbray Walter Morris, 1861 **The Book of Revelation and Its Interpreters** Ian Boxall, Richard Tresley, 2015-11-25 The Book of Revelation has fired the imaginations of theologians preachers artists and ordinary Christians across the centuries The resulting number of commentaries on the book is enormous and most studies can only touch upon at most a representative sample of this vast literature As a consequence many focus largely on the interpretation of the Apocalypse only within specific periods such as the patristic period or during the Reformation One result of this severe limitation given the vast literary corpus is how historical interpretations in critical commentaries of the Book of Revelations tend to prioritize authors from the modern period In The Book of Revelation and Its Interpreters Short Studies and an Annotated Bibliography editors Richard Tresley and Ian Boxall fill a significant gap in the scholarly literature At its heart is an extensive annotated bibliography covering commentaries on the book up to 1700 including most of the early illuminated Apocalypses Supporting the presentation of this survey of the historical interpretations of the Book of Revelation is an extended overview of Revelation's often colorful reception history by Christopher Rowland together with a number of short studies on various aspects of the book These include discussions of specific commentators such as Sean Michael Ryan's look at Tyconius and Francis X Gumerlock's exploration of Chromatius of Aquileia alongside a more general treatment of Revelation's impact on the figure of John of Patmos in an essay by Ian Boxall and the visual reception of Revelation in Natasha O'Hear's article The Book of Revelation and Its Interpreters provides a valuable bibliographical resource for those working in the field of Biblical Studies history of Christianity eschatology and apocalyptic studies The accompanying essays orient the authors recorded in the bibliography within a larger context offering specific examples of the Apocalypse's capacity to speak in fresh and often surprising ways to diverse audiences throughout history
