*The First World War in 100 Objects* Peter Doyle, 2014-03-01 Objects allow us to reach out and touch the past and they play a living role in history today Through them we can understand the experience of men and women during the First World War They bear witness to the stories of men whose only morning comfort in the trenches was the rum ration children who grew up with only one photograph of the father that they would never get to know women who would sacrifice their girlhood in hospitals yards from the frontline pinning a brooch on to remind themselves of a past life Weapons like the machine gun and vehicles like the tank that transformed the battlefield planes that had barely learnt to be flown entangled in dogfights far above the barbed wire of the frontline German submarines that stalked shipping across the seas Through these incredible artefacts Peter Doyle tells the story of the First World War in a whole new light

**The Complete Works (100+) of F. Scott Fitzgerald (Illustrated edition)** F. Scott Fitzgerald, Francis Scott Fitzgerald, 2021-02-01 This F Scott Fitzgerald collection compiles the works on which the fame of one of the most fascinating writers of the twentieth century was built Francis Scott Fitzgerald became a mouthpiece for ideas and expressed the spiritual moods bubbling amongst the young people during the 1920s Fitzgerald in the words of Amory from This Side of Paradise 1920 wrote that a generation had grown up to find all God s dead all wars fought all faiths in man shaken Fitzgerald was the first to tell the world about the commencement of the jazz age with its carnival approach towards life a lifestyle which he also followed However as a sensitive artist he could not help but notice the dualistic nature of this philosophy Fitzgerald s writing demonstrated that a

life spent at the carnival would inevitably lead to bankruptcy Fitzgerald often worked on multiple short stories simultaneously while writing his novels Later these stories were compiled His relationship and love for his wife Zelda fueled much of his writing Her diagnosis and hospitalization for schizophrenia in 1930 affected him greatly In his later years Fitzgerald worked in Hollywood on movie scripts His last novel The Last Tycoon remained unfinished at the time of his death in 1940 and reflected his Hollywood experiences THE NOVELS THIS SIDE OF PARADISE THE BEAUTIFUL AND DAMNED THE GREAT GATSBY TENDER IS THE NIGHT THE LOVE OF THE LAST TYCOON THE SHORT STORY COLLECTIONS FLAPPERS AND PHILOSOPHERS TALES FROM THE JAZZ AGE ALL THE SAD YOUNG MEN TAPS AT REVEILLE THE PAT HOBBY STORIES MISCELLANEOUS STORIES THE PLAYS AND SCREENPLAYS THE POETRY THE NON FICTION THE LETTERS      Report of the California State Agricultural Society ,1866      **Transactions of the California State**

(State),1889      *The Ghost In The White House* Gerald Stanley Lee,2019-11-22 The White House is haunted by a vague helpless abstraction by a kind of ghost of the nation called The People Excerpt No one has ever nominated a President in a book before I do it because a book can be more quiet more sensible and thoughtful more direct and human and closer to the hearts of the people than a convention can A book can be more public too can be attended by more people than a convention Only a few thousand people can get into a convention A hundred million can get into a book All in the same two hours by twenty million lamps thousands of miles apart the people can crowd into a book So in this book as I have said I am merely acting as the secretary or employee of the hundred million people I am writing a book a hundred million people would write if they could expressing for them the kind of President for the next four years of our nation the most colossal four years of the world the people have ordered in their hearts We are weary of politicians politicians We want ours Politicians may not be so bad but during the war they do not seem to us to have done as well as most people In the dead earnest of the war with our Liberty Loan and Red Cross and Council of Defense and our dollar a year men we have half taken over the government ourselves and we feel no longer awed by the regular political practitioners or government tinkers They are not all alike of course but we have turned our national glass on them and have come to see through them at least the worst ones and many thousands of them all these busy little worms of public diplomacy building their faint vague little coral islands of bluff and unbelief far far away from us out in the great ocean of their nothingness all by themselves      Biennial Report and Recommendations of the Superintendent of Public Instruction of North Carolina, to Governor ..., for the Scholastic Years ... **Literature, Politics, and the English Avant-Garde** Paul Peppis, 2000-02-10 Accounts of the historical avant garde and of high modernism often celebrate the former for its revolutionary aesthetics or denigrate the latter for its proto fascist politics In *Literature Politics and the English Avant Garde* Paul Peppis shows how neither interpretation explains the writings of avant gardists in early twentieth century England Peppis reads texts by writers such as Ford Madox Ford Wyndham Lewis Dora Marsden and Ezra Pound alongside English political discourse between the death of Victoria and the end of the Great War He traces the impact of nation and empire on the avant garde arguing that Vorticism England's foremost avant garde movement used nationalism to advance literature and avant garde literature to advance empire Peppis's study demonstrates that these ambitions were enabled by a period conception of nationality as an essence and construct By recovering these neglected aspects of avant garde politics Peppis's book opens important avenues for assessing modernist politics after the war
