Management Association, Information Resources,2021-02-05 With the newly inaugurated US Presidential Administration signing several orders to mitigate discrimination and racism within the United States government attentions globally are once again brought to the Black Lives Matter campaign and its message Discrimination in business contexts social interactions and educational institutions remains a concern for leaders today The empowerment of marginalize communities has been rapidly spreading through societies thanks to the platforms that social media now offer The Research Anthology on Empowering Marginalized Communities and Mitigating Racism and Discrimination is a three volume hand selected compilation of the highest quality research on the empowerment of marginalized communities that have been experiencing ongoing discrimination To shed light on the underpinnings of disparities between marginalized groups and overreaching society this text explores social justice applications and practices and the changes being made or pushed for around the globe that promote equality fair treatment and inclusivity This book is ideal for sociologists teachers activists practitioners managers administrators policymakers government officials researchers academicians and students working in fields such as gender studies race studies social justice behavioral studies history sociology anthropology psychology law as well as anyone interested in the current practices and advances in mitigating racism and discrimination in society **Youth and**

Inequality in Education Michael Heathfield,Dana Fusco,2015-07-30 The transition to adulthood for many is mediated by class culture and local global influences on identity This volume analyzes the global injustices that create inequities and restrict future opportunities for young people during this transitional time including poverty unemployment human rights race ethnicity and location It critically examines global instances of youth discrimination offering positive strategies and practices such as youth work that successfully remediate these injustices With international contributions from Aotearoa New Zealand Australia England Malaysia Peru Philippines Portugal Morocco Jordan and the U S this volume is particularly

important to researchers and scholars in the fields of youth studies education and social work **Globalized Labour Markets and Social Inequality in Europe** H. Blossfeld, S. Buchholz, D. Hofäcker, K. Kolb, 2011-10-03 Based on contributions from international experts this volume provides an up to date account of globalization s influences on individual life courses in nine different modern societies and of cross nationally varying political strategies to mediate this influence *Work, Families and Organisations in Transition* Suzan Lewis, Julia Brannen, Ann Nilsen, 2009-07-22 Based upon cross national case studies of public and private sector workplaces *Work families and organisations in transition* illustrates how workplace practices and policies impact on employees experiences of work life balance in contemporary shifting contexts Handbook of Research in the Social Foundations of Education Steven Tozer, Bernardo P. Gallegos, Annette Henry, Mary Bushnell Greiner, Paula Groves Price, 2011-07-05 This groundbreaking volume helps readers understand the history evolution and significance of this wide ranging often misunderstood and increasingly important field of study Student Lives in Crisis Lorenza Antonucci, 2016-09-21 In the greatest social change of the last twenty years about half of Europe s young people now attend university Their lived experiences are however largely undocumented Antonucci travelled across six cities and three European countries England Italy and Sweden to provide the first ever comparison of the lives of university students across countries and socio economic backgrounds Contrasting students resources and backgrounds this original work exposes the profound social effects of austerity and the financial crisis on young people Questionnaires and first person interviews reveal that in contrast with what assumed by HE policies participating in university exacerbates inequalities among young people This work is a wake up call for re thinking the role of higher education in relation to social justice in European societies

IMF Research Perspectives Sophia Chen, 2020-07-27 IMF Research Perspectives Spring Summer 2020 *Crises at Work* Steve Williams, Mark Erickson, 2024-09-06 It is impossible to view the news at present without hearing talk of crisis This timely book looks at how three major crises the economy pandemic and climate are related to the crisis of work making it more precarious intense and unequal Providing an original and critical synthesis of recent trends in the field expert scholars offer a programme for transcending the crisis of work Offering a timely contribution to understanding the important issues facing the world this book presents an important new way of thinking about work in contemporary societies **Rising employment flexibility and young workers' economic insecurity** Dipl.-Soz. Ellen Ebralidze, 2011-11-29 How have the immediate school to work transition and the early career changed in different labour market entry regimes since the early 1980s How do institutional frameworks differ with regard to insecurity perception Ellen Ebralidze investigates these topics from a cross national perspective while focusing on Denmark the darling of flexicurity literature The results show that in all the labour market entry regimes the school to work transition has become increasingly difficult and flexible forms of work are more typical in the first job Furthermore the liberal institutional framework of the United States seems to produce a similarly low degree of job loss worry among young people in their early career as the Danish paradigm Education, Inequality And

Social Identity Lawrence B. Angus, 2005-07-28 The ethnographic studies in this volume explore issues and approaches in the study of education and inequality The authors identify that access to status knowledge and power in society and in particular in schools varies by virtue of individuals social and cultural identities The process of changing this system and resistance to change are examined in this collection in an attempt to find a course of action for those who are victims of inequality or who seek to combat inequality

The Inequality of Wealth Liam Byrne, 2024-01-11 The super rich have never had it so good But millions of us can't afford a home an education or a pension And unless we change course soon the future will be even worse Much worse But things don't have to be like this In this bold new book former Treasury Minister Liam Byrne explains why wealth inequality has grown so fast in recent years warns how it threatens our society economy and politics shows where economics has got it wrong and lays out a path back to common sense with five practical ways to rebuild an old ideal the wealth owning democracy Liam Byrne draws on conversations and debates with former prime ministers presidents and policymakers around the world together with experts at the OECD World Bank and IMF to argue that after twenty years of statistics and slogans it's time for solutions that aren't just radical but plausible and achievable as well The future won't be a land of milk and honey but it could be a place where we live longer happier healthier and wealthier lives
