

# The First World War 1914 1918

**Holger H. Herwig**

## **The First World War 1914 1918:**

*The First World War, 1914-1918* Gerd Hardach, 1981 The First World War unquestionably represents an important climacteric in economic history However the significance of that climacteric is variously interpreted Essentially there are four themes whose order of priority depends on the observer's view point the decay of the classical capitalist world economy based on Great Britain and the gold standard the progress of industrialisation overseas brought about by the temporary economic paralysis of Europe the long term effect of structural changes in the economies of the warring industrial countries more especially the merging of the economy and the apparatus of state finally the development of the international labour movement from its nadir in August 1914 to its triumphant culmination of the Russian October Revolution I have endeavoured to the best of my ability to do justice to these various aspects and to place them in a common context which might be described as the crisis of the capitalist world economy

**The First World War** Holger H. Herwig, 2014 *The First World War, 1914-1918* Gerd Hardach, 1987 *1914-1918* David Stevenson, 2004 In the summer of 1914 Europe exploded into a frenzy of mass violence The war that followed had global repercussions destroying four empires and costing millions of lives Even the victorious countries were scarred for a generation and we still today remain within the conflict's shadow In this major new analysis published ninety years after the First World War began David Stevenson re-examines the causes course and impact of this war to end war placing it in the context of its era and exposing its underlying dynamics His book provides a wide ranging international history drawing on insights from the latest research It offers compelling answers to the key questions about how this terrible struggle unfolded questions that remain disturbingly relevant for our own time

*The First World War, 1914-1918* Charles à Court Repington, 1920 **The First World War** Charles à Court Repington, 1920 **The Great War** Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict's strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States

**A History of the Great War, 1914-1918** C.R.M.F. Cruttwell, 2019-09-03 This vivid detailed history of World War I presents the general reader with an accurate and readable account of the campaigns and battles along with brilliant portraits of the leaders and generals of all countries involved Scrupulously fair praising and blaming friend and enemy as circumstances demand this has become established as the classic

account of the first world wide war      **The First World War, 1914-1918** Charles à Court Repington,1920      *The First World War* Charles à Court Repington,1991      **The First World War, 1914-1918** C. Repington,1920      **The First World War, 1914-1918** Charles A'Court Repington,1921      **The First World War, 1914-1918** John Terraine,1965      **The Great War, 1914-1918** Marc Ferro,1990-09 A landmark history of the war that firmly places the First World War in the context of imperialism and gives due weight to the role of non Europeans in the conflict      *The First World War, 1914-1918* Charles à Court Repington,1920      **The First World War, 1914-1918; Volume 1** Charles À Court 1858-1925 Repington,2015-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *All About-- the First World War, 1914-1918* Pam Robson,1996 A simplified account of the key events and background issues of the First World War Suggested level primary intermediate      **The Oxford Illustrated History of the First World War** Hew Strachan,1998      The Great War Marc Ferro,2003-10-06 A landmark history of the war that firmly places the First World War in the context of imperialism and gives due weight to the role of non Europeans in the conflict      *The First World War* Alan John Percivale Taylor,1963
