**The Five-hundred-word Theme** Lee J. Martin, Harry P. Kroitor, 1979      The five-hundred word theme (or) The 500 word theme Lee J. Martin,      **The Five-hundred-word Theme** ,1974      **Reflections on Biblical Themes by an Octogenarian** Reuben J. Swanson, 2007-01-01 Reflections on Biblical Themes by an Octogenarian represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college university and theological school levels There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life This growth came about through the interchange in the classroom as a student in preparation for ministry then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning Some of the viewpoints may seem to be controversial but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings      **Grand Themes And Key Words** Karl A Walther, 2011-07-01 Let s face it sometimes the Bible is confusing When reading the Bible have you ever come across words or ideas that are difficult to understand There are many complex words and themes in Scripture It can be hard to keep track of them all especially in their proper context Grand Themes and Key Words is a book that will give you a more thorough understanding of God s Word by defining these elements and arranging them alphabetically with a dictionary like layout making it a great tool that you can keep close at hand while reading the Bible Themes and Key Words include Abraham s Children The Angel of the Lord Covenant Gospel Grace Kingdom of God Light and Darkness Names Redemption Seven Water Yeast Zion And many more This book is part of the Bible Discovery Series which provides you with background resources to help you unearth and understand the Bible s greater meaning for your life today      **Catalog of Copyright Entries. highlighting the relationship between various models of the public sphere and rhetorical theory Deliberate Conflict cogently advocates reintegrating instruction in argumentation with the composition curriculum By linking effective argumentation in the public sphere with the ability to effect social change Roberts Miller pushes compositionists beyond a simplistic Aristotelian conception of how argumentation works and offers a means by which to prepare students for active participation in public discourse
