**The Five Books of Moses** Sol Scharfstein, 2005 Sol Scharfstein's new translation of the Torah The Five Books of Moses is written with a sense of piety and awe for the majesty and sanctity of the biblical text it conveys the content of the Five Book of Moses in language that is easy to read and understand The message of the Bible is ageless but for full comprehension it must be presented in language suited to the time and place of the reader Scharfstein's fluent idiomatic translation does exactly this replacing the ancient robes of 4000 years ago in which the Torah was given on Sinai with up to date garments of the 21st century that preserve its inner essence but make it familiar and user friendly The weekly readings and their divisions are all clearly designated and each book of the Torah is preceded by a brief introduction that explains its most important aspects In addition a long introductory illustrated essay gives a full account of the place of the Torah in Judaism and in the synagogue service All in all this new translation will prove to be an essential addition to the home library of people of all faiths

**Book of Haftarat for Shabbat, Festivals and Fast Days** Sol Scharfstein, 2007 The Book of Haftarat An Easy to Read Haftarah Translation is the sequel to the highly recommended The Five Books of Moses An Easy to Read Torah Translation

*The World, Genesis, and Theology of the Pentateuch* John M. Powell, 2022-03-11 The World Genesis and Theology of the Pentateuch sets its focus on God's redemption of the entire human race following the entrance of sin into the physical time space i.e. the physical universe physical realm of creation Redemption didn't begin in the New Testament but in the first book of the Bible called Genesis As such God has been reaching out to people through various means methods and ways to rebuild the divine and human relationship that became broken by Adam and Eve in the Garden of Eden Satan understood God's plan to save humanity and never set idly by to watch his purposes unfold in the lives of people He countered by introducing a false narrative of the origin of people and the universe to all of those willing to believe him and surrender faith in place of what can be explained away or sounds good The counter narrative to God's inspired message of creation is evolution It purports teachings by people who reject the creation account in Genesis chapter one Evolution is therefore populism It floods the education systems and many other worldly institutions under the disguise of being scientific which is not scientific at all Other counter narratives extending out of evolution includes the evolution of the species and the big bang theory which two systems that stand in opposition to the Bible Additional points of emphasis include Redemption began with the fall of humanity in Genesis and was completed in Jesus Christ in the New Testament It uncovers how redemption began and took shape in beginning stages of human history and how God's plan of redemption became clearer with the personal calling of Abraham through Israel and Moses The 5 books of Moses called the Pentateuch embodies one third of the Hebrew Bible Old Testament prior to Jesus Christ in the New Testament Genesis leads the way in God's message to the human race The ancient Gentile nations that vowed allegiance to other exalted deities apart from God manufactured their own religions beliefs literature and teachings they tied to the deities they revered as divine Such writings

became the nucleus through which the nations viewed the world from the concept of religion their gods and the afterlife and thereby competed with the knowledge of Israel's concepts in the way they viewed the God of Abraham Isaac and Jacob Redemption is not and cannot be found in other forms of worldly wisdom knowledge and teaching But God's concept of people accepting him on the basis of faith in his word mirrors the example of Abraham's faith in the one true God that created all things that exist John M Powell PhD ABD
