WASHINGTON POST The Palgrave Handbook of Kenyan History Wanjala S. Nasong'o, Maurice N. Amutabi, Toyin Falola, 2023-01-25 This volume covers Kenya s history society culture economics politics and environment from precolonial times through the first years of independence The book comprises twenty one chapters divided into two parts Part I focuses on the long precolonial moment detailing the nature of precolonial Kenyan societies and their economics politics gender dynamics and social organization Part II examines Kenyan societies encounters with British colonialism critically outlining the impact and implications of these encounters The volume concludes with an examination of political consolidation after the country s attainment of political independence and the subsequent foundations for political authoritarianism Military Anthropology Montgomery McFate, 2018-05-01 In almost every military intervention in its history the US has made cultural mistakes that hindered attainment of its policy goals From the strategic bombing of Vietnam to the accidental burning of the Koran in Afghanistan it has blundered around with little consideration of local cultural beliefs and for the long term effects on the host nation s society Cultural anthropology the so called handmaiden of colonialism has historically served as an intellectual bridge between Western powers and local nationals What light can it shed on the intersection of the US military and foreign societies today This book tells the story of anthropologists who worked directly for the military such as Ursula Graham Bower the only woman to hold a British combat command during WWII Each faced challenges including the negative outcomes of exporting Western political models and errors of perception Ranging from the British colonial era in Africa to the recent wars in Iraq and Afghanistan Military Anthropology illustrates the conceptual cultural and practical barriers encountered by military organisations operating in societies vastly different from their own **Imperialism, Race and Resistance** Barbara Bush, 2002-01-04 Imperialism Race and Resistance marks an important new development in the study of British and imperial interwar history Focusing on Britain West Africa and South Africa Imperialism Race and Resistance charts the growth of anti colonial resistance and opposition to racism in the prelude to the post colonial era The complex

nature of imperial power in explored as well as its impact on the lives and struggles of black men and women in Africa and the African diaspora Barbara Bush argues that tensions between white dreams of power and black dreams of freedom were seminal in transforming Britain's relationship with Africa in an era bounded by global war and shaped by ideological conflict

Whiteness in Zimbabwe D. Hughes, 2010-04-12 European settler societies have a long history of establishing a sense of belonging and entitlement outside Europe but Zimbabwe has proven to be the exception to the rule Arriving in the 1890s white settlers never comprised more than a tiny minority Instead of grafting themselves onto local societies they adopted a strategy of escape

Paradise Discourse, Imperialism, and Globalization Sharae Deckard, 2009-12-04 This comparative study the first of its kind discusses paradise discourse in a wide range of writing from Mexico Zanzibar and Sri Lanka including novels by authors such as Malcolm Lowry Leonard Woolf Juan Rulfo Wilson Harris Abdulrazak Gurnah and Romesh Gunasekera Tracing dialectical tropes of paradise across the long modernity of the capitalist world system Deckard reads literature from postcolonial nations in context with colonial discourse in order to demonstrate how paradise begins as a topos motivating European exploration and colonization shifts into an ideological myth justifying imperial exploitation and finally becomes a literary motif used by contemporary writers to critique neocolonial representations and conditions in the age of globalization Combining a range of critical perspectives cultural materialist ecocritical and postcolonial the volume opens up a deeper understanding of the relation between paradise discourse and the destructive dynamics of plantation tourism and global capital Deckard uncovers literature from East Africa and South Asia which has been previously overlooked in mainstream postcolonial criticism and gestures to how the utopian dimensions of the paradise myth might be reclaimed to promote cultural resistance
