Paul A. Morrison

The Formed Trace The Later Poetry Of Ezra Pound:

The Forméd Trace Massimo Bacigalupo,1980 The Forméd Trace. the Later Poetry of Ezra Pound Massimo Bacigalupo,1980 Examines the verses written by Ezra Pound from 1945 1960 from the Pisan Cantos to the end as he did not write during the final twelve years of his life **Ezra Pound Among the Poets** George Bornstein,1988-10-03 Be influenced by as many great writers as you can said Ezra Pound Pound was an assimilative poet par excellence as George Bornstein calls him a writer who more often adhered to a classical conception of influence as benign and strengthening than to an anxiety model of influence To study Pound means to study also his precursors Homer Ovid Li Po Dante Whitman Browning as well as his contemporaries Yeats Williams and Eliot These poets discussed here by ten distinguished critics stimulated Pound s most important poetic encounters with the literature of Greece Rome China Tuscany England and the United States Fully half of these essays draw on previously unpublished manuscripts **The Cambridge Companion to Ezra Pound** Ira B.

Nadel,1999-02-11 An international team of scholars provides an invaluable introduction to Pound s work and life

Approaches to Teaching Pound's Poetry and Prose Demetres P. Tryphonopoulos,Ira B. Nadel,2021-04-05 Offers pedagogical techniques for teaching works by Ezra Pound including his prosody his references to classical and Asian traditions and his role in modernism as well as his fascism anti Semitism and other problematic beliefs Gives syllabus suggestions for undergraduate and graduate literature courses including many online resources The Late Cantos of Ezra Pound Michael Kindellan,2017-10-19 Drawing extensively on archival research The Late Cantos of Ezra Pound critically explores the textual history of Pound s late verse namely Section Rock Drill 1955 and Thrones 1959 Examining unpublished letters draft manuscripts and other prepublication material this book addresses the composition revision and dissemination of these difficult texts in order to shed new light on their significance to Pound s wider project his methods and techniques and the structures of authority literary and political that govern the meaning of his poetry Illustrated by reproductions of archival documents The Late Cantos of Ezra Pound is an innovative new study of one of the most important poets of the 20th century **Rethinking the North American Long Poem** Ridvan Askin,Julius Greve,2024-12-15 For centuries critics poets

poet scholars and philosophers have either openly proclaimed or tacitly assumed the long poem as the highest expression of literary ambition and excellence Rethinking the North American Long Poem focuses on the North American variant of this notorious form notorious because of its often forbidding and difficult character particularly with respect to the dialectics of content and form aesthetics and politics matter and genre In nine essays and a contextual introduction the editors and contributors scrutinize seminal long poems by North American writers including Walt Whitman s Song of Myself Ezra Pound s The Cantos Muriel Rukeyser s The Book of the Dead and Charles Olson s The Maximus Poems They also explore recent efforts that have redefined or reopened the case of the long poem including Rachel Blau DuPlessis s Drafts M NourbeSe Philip s Zong and Claudia Rankine s Citizen Taking the categories of form matter and experiment as frames of conceptual

reference the book examines the ways in which material and immaterial aspects of literary practice and the philosophically and politically inscribed duality of experience and experiment are negotiated in and by North American long poems from the nineteenth century to the present

A Companion to The Cantos of Ezra Pound Carroll F. Terrell, 1993-04-16 The Companion is a major contribution to the literary evaluation of Pound's great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound's literary and historical allusions and other exotica with exegeses based upon Pound's sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos

Ezra Pound and the Career of Modern Criticism Michael Coyle, Roxana Preda, 2018 Forty five years after his death and more than seventy years after his indictment for treason Ezra Pound remains a deeply controversial figure Today it is hard to imagine a poet sparking national debate but Pound did just that His receipt in 1949 of the first ever Bollingen Award for Poetry started a hue and cry that spread to every US periodical that made even a pretense of following cultural issues even Time weighed in It took two years for things to simmer down and when they finally did literary study looked profoundly different Everyone engaged in the study of poetry today professors and students alike works in an environment shaped by that national crisis of conscience The present book considers this untold story and investigates not just what critics have had to say about Pound but also why they have asked the questions they have asked It is routine for reception histories to distinguish between professional studies and more popular responses this book encourages us to consider why we make that distinction and what the costs of doing so might be Unprofessional responses to Pound have often been ideologically and politically embarrassing for Pound scholars who have in response policed the distinction between professional and popular readings with extraordinary vigilance As a result the history of Pound's reception unfolds as a kind of drama perhaps the last ongoing theater for McCarthyite cultural political anxieties Michael Coyle is Professor of English at Colgate University and has published widely on Pound Roxana Preda is Leverhulme Fellow in American Literature at the University of Edinburgh and President of the Ezra Pound Society

The Columbia History of American Poetry Jay Parini, 1993-12-23 New York Times Book Review

The Hall of Mirrors Peter Stoicheff, 1995 In The Hall of Mirrors Peter Stoicheff examines the complicated composition and publication history of Drafts Fragments to demonstrate how the volume has become a site where conflicting responses to Pound's public and poetic lives are interpreted and reconstructed Finally he delivers not only a well rounded study of one of Pound's most important texts but an exploration of the modern long poem whose very length works against the possibility of its satisfactory closure

Ezra Pound and His Classical Sources Jonathan Ullyot, 2022-08-25 This book uses Ezra Pound's The Cantos as a lens to understand modernism's ambition to revolutionize literature through mythical and

scientific methods Homer's *Odyssey* plays a unique methodological and structural role in *The Cantos*. *The Cantos* translates, interprets, abridges, adapts, critiques, parodies, trivializes, allegorizes, and ritualizes the *Odyssey*. Partly inspired by Joyce's use of different literary styles or techniques in *Ulysses* and partly inspired by medieval classicism and 19th century philology, Pound uses a plethora of methods to translate Homer and other classical texts. This book argues that *The Cantos* is a modernist vision of the Matter of Troy, a term used by medieval authors to designate the cycle of texts based on the Trojan war and its aftereffects, including the nostoi (returns) of the Greek heroes. This is the first study to explore how medieval classicism and translation inform Pound's mythical method and to systematically outline the variety and evolution of Pound's *Odyssey* translations in *The Cantos*.

Ezra Pound's Adams Cantos David Ten Eyck, 2013-02-28 Ezra Pound transformed his style of poetry when he wrote *The Adams Cantos* in the 1920s. But what caused him to rethink his earlier writing techniques? Grounded in archival material, this study explores the extent to which Pound's poetry changed in response to his reading of 17th century American history and the social climate of the pre-war period. Drawing on the Ezra Pound papers, David Ten Eyck documents the changes to Pound's documentary techniques, establishing a chronology of the composition of *The Cantos*. His close readings of specific passages set against the interwar years allow Ten Eyck to gain insights into Pound's 1930s political and social criticism. Through references to the annotated copy of *The Works of John Adams*, he explores Pound's engagement with Adams at the expense of Thomas Jefferson, a figure formally at the heart of his previous work. Ultimately, this contextual and archival study uses John Adams and America to unlock the fascist beliefs and the later poetry of Ezra Pound.

Ezra Pound and Italian Fascism Tim Redman, 1991-03-29 This fascinating account of Ezra Pound and Italian Fascism allows the reader to understand the causes and results of Pound's ideology and actions.

Theodicy and Justice in Modern Islamic Thought Mr Ibrahim M Abu-Rabi, 2013-06-28 This book explores the theology and philosophy of the distinguished modern Muslim scholar and theologian Bediuzzaman Said Nursi. d. 1960. Nursi wrote in both Ottoman Turkish and Arabic, and his life and thought reflected the transition of modern Turkey from an empire to a secular republic. The contributors to this volume shed new light on two major dimensions of Nursi's thought: theodicy and justice. Classical Muslim theologians debated these two important issues; however, we must consider the modern debate of these issues in the context of the radical political and social transformations of modern Turkey. Nursi explored these matters as they related to the development of state and society and the crisis of Islam in the modern secular nation-state. Nursi is the founder of a faith movement in contemporary Turkey with millions of followers worldwide. In this book, distinguished scholars in Islamic, Middle Eastern, and Turkish Studies explore Nursi's thought on theodicy and justice in comparison with a number of western philosophers, theologians, and men of letters such as Dante, Merton, Kant, and Moltmann. This book presents an invaluable resource for studies in comparative religion, philosophy, and Islamic and Middle Eastern Studies.

The Poetics of Fascism Paul A. Morrison, 1996 Morrison concludes with a provocative analysis of deconstruction and the work of Paul de Man.

Without reducing the political implications of poetry to mere caricature and without slighting the force and fact of literary mediation The Poetics of Fascism will reshape the discussion of the social dimension of modernism **Ezra Pound and Referentiality** Hélène Aji,2003 Ezra Pound and Europe Richard A. Taylor,Claus Melchior,2023-10-16 The papers included were selected from those given at the 14th international Ezra Pound Conference held at Brunnenburg Tirolo di Merano 16 18 July 1991 The guiding principle for organizing the volume was thematic coherence and quality of thought as well as presentation The articles are gathered under five headings General Impressions Traditional Affiliations Contemporary Connections Constructing Continuities and Specific Texts The exhibitions accompanying the conference are represented and Pound s involvement with Europe is reflected in studies of his relationship with traditional authors as well as his contemporaries Larger considerations and analysis is offered in Section Four and Cathay Cantos LXXIII and Drafts and Fragments are given individual attention **Ezra Pound and Poetic Influence** Helen May Dennis,2000 This collection of twenty essays investigates a series of different aspects of poetic influence in relation to the major modernist poet Ezra Pound The volume commences with five essays on matters to do with translation and poetic influence which situate Ezra Pound as an important transitional figure between 19th century and 20th century translation strategies The next five essays consider different influences on Pound s poetry and introduce the reader to new research in a variety of areas including how specific Chinese cultural artefacts inform his poetry The following five essays explore Pound s influence on some of his major contemporaries such as Eugenio Montale and Charles Olson and also through the reading he gave her as a girl on his daughter Mary de Rachewiltz The concluding five essays exemplify different approaches to the thorny issue of Pound and politics and end with two diametrically opposed interpretations of Pound s political poetic thought The collection will be of great interest to scholars of Ezra Pound and of modern to postmodern poetry but it will also serve as a useful and lively introduction to some of the debates within Pound scholarship to students coming to his work for the first time Ezra Pound in Context Ira B. Nadel,2010-11-11 Long at the centre of the modernist project from editing Eliot s The Waste Land to publishing Joyce Pound has also been a provocateur and instigator of new movements while initiating a new poetics This is the first volume to summarize and analyze the multiple contexts of Pound s work underlining the magnitude of his contribution and drawing on new archival textual and theoretical studies Pound s political and economic ideas also receive attention With its concentration on the contexts of history sociology aesthetics and politics the volume will provide a portrait of Pound s unusually international reach an American born modern poet absorbing the cultures of England France Italy and China These essays situate Pound in the social and material realities of his time and will be invaluable for students and scholars of Pound and modernism

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **The Formed Trace The Later Poetry Of Ezra Pound**

In some sort of inundated with monitors and the cacophony of instantaneous communication, the profound power and psychological resonance of verbal artistry often fade into obscurity, eclipsed by the constant assault of noise and distractions. However, located within the musical pages of **The Formed Trace The Later Poetry Of Ezra Pound**, a charming function of literary splendor that impulses with fresh emotions, lies an unique trip waiting to be embarked upon. Composed with a virtuoso wordsmith, this magical opus courses readers on an emotional odyssey, gently exposing the latent potential and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse of the evocative examination, we will embark upon an introspective exploration of the book is key themes, dissect their charming writing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
