The Four Horses:

The Four Horses of the Apocalypse Benjamin Dock Jr.,2022-08-01 The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound The scriptures pertaining to the first three and a half years of seven week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand Consequently the same vision of John s revelation are written plainly and simple rolling up all of Daniel s entities into two basic ones One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast Secondly the beast out of the land is the false prophet sent for the destruction of Israel The scarlet woman is Jerusalem or Babylon That is pretty much it made simple so any one reading should comprehend the book Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book As well those who miss the catching away of the bride of Christ will need the information written in God s word Not much mention of this by modern ministers You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the everlasting gospel Jesus teaches in Mathew 25 3146 Evidently with so many failures of souls saved during the first half God sends an angel close to the first half ending of tribulation to announce the everlasting gospel Many people have hoarded food and other supplies but are only concerned with themselves It must have been that many people were unaware of this sheep and goat judgment in force Those who will not share with folks in need are goats and will be cast out of the kingdom You survived the 666 mark and the beast worship but failed to share God help you **The Four Horsemen of the**

Apocalypse Mark Hitchcock,2010-04-28 The image of the four horsemen of the Apocalypse in Revelation 6 1 8 is one of the most vivid and powerful in all the writings of the prophets Their presence speaks of a coming day of horror the first four judgments of the tribulation White red black and pale they will wreak destruction around the world Prophecy expert Mark Hitchcock takes an in depth look at the horsemen and shows how today s events point toward the prophecy about them Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth T H U N D E R I N G H O O F B E A T S B R I N G W A R F A M I N E A N D P L A G U E The image of the four horsemen of the Apocalypse in Revelation 6 1 8 is one of the most vivid and powerful in all the writings of the prophets Their presence speaks of a coming day of horror the first four judgments of the Tribulation White red black and pale they will wreak destruction around the world Prophecy expert Mark Hitchcock takes an in depth look at the horsemen and shows how today s events point toward the prophecy about them Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth Mark Hitchcock packs a wealth of information on biblical prophecy into an excellent

quick read I highly recommend Mark as a faithful guide to understanding current events in light of God's wonderful plan of prophecy TIM LAHAYE author educator minister Story Behind the Book The four horsemen of the Apocalypse in Revelation 6 1 8 is one of the most vivid powerful visions in all of the Scriptures The apostle John saw a vision of four horses white red black and pale galloping across the world in the end times leaving unbelievable destruction in their wake The chilling imagery of that vision has gripped believers for over two thousand years The purpose of the book is to take an in depth look at these four mysterious horsemen and show how their approach seems to be developing before our eyes signaling the advent of that terrible seven years known as the Great Tribulation The four horsemen are symbolic of great movements that will mark the onset of that climactic era in history **Hold Your Horses** D. A. Cleland,2017-11-24 Do we have a case of MISTAKEN IDENTITY Presented here is a fresh new reading on the four horsemen of the book of the apocalypse Highlighted is the importance of the denarius and the balances which prove to be the two symbols that are the essential keys confirming without a doubt who rides the mysterious Black Horse of Revelation [The Four Horsemen Of The Apocalypse](#) Vicente Blasco Ibanez,1918 Many authors have seen the Great War through the eyes of their own country Senor Ibanez seems to see it through eyes that are world wide in their sweep and with a mind that is very human and pitiful in its comprehension of the suffering and the heroism The Four Horsemen of the Apocalypse is a great novel one of the three of four outstanding novels of the war It is rich and varied in scene human in its characterizations interesting throughout and above all refreshingly straightforward and conclusive on the subject of the Germans and their methods of warfare **The Four Horsemen** Jim Sayles,2021-10-10 The prophetic events described by the Lord in Matthew 24 are not yet the end The beginning of birth pains Tribulation and Great Tribulation These are described as the four progressive beast kingdoms associated with the seven seals The lion the bear the leopard with four heads authorities and the diverse beast The horses represent kingdoms institutions and movements in the world The color of the four horses illustrate the nature of each horse and the riders of the horses represent the controlling spiritual entity or entities over the horses i e rider Our revelatory understanding of these metaphors lets us know exactly where we are on the prophetic timetable and exactly what happens during each progressive event This was deliberately intended by our Lord to equip the body of Christ to overcome during the ride of each horseman with the most important being the generation who will experience the ride of the pale green horseman otherwise identified as the antichrist man of sin *The Prophecy of the Four "Sevens" in the Bible* Witness Lee,1990-11 *Four Horsemen, Four Hearts* Paul Haynes,2013 Set one object beside another of a similar color and it has one appearance Set it beside an object of a different color and it seems to transform in appearance Author Paul Haynes lays two sets of biblical symbols side by side helping the reader conceive of something entirely new As he does the four horsemen of the Apocalypse no longer seem arbitrary and scary but are transformed into messengers of life and hope Galloping from the throne room of God the four horses of heaven speak to the condition of the human heart at this momentous hour in human history issuing a call to

action for all who have received the Gospel of Jesus Christ Four Horsemen Four Hearts communicates a sense of responsibility for spreading the gospel message while liberating the gospel worker as he or she recognizes that not all will have a heart to receive the message

Scribe's Treasure Marion H. Gwynn, 2012-02 As both chemist and priest your scribe believes that the current gap between science and religion can be bridged largely by revelation Revelation is a select part of religion often beyond the ken or competence of qualified science Types of revelation comprise the manifest supernatural and prophecy fulfilled prophecy supporting what is yet to be fulfilled The book offers answers and asks a variety of questions This book is written in four sections each with chapter like and numbered subsections Section 1 the most scriptural and salvational Section 2 the most prophetic or revelatory Section 3 the most scientific and integrative knowledge Section 4 the most semantic and hypothetic Section 1 Scripture Old and New Testament appears to be a rich source of revelation and other reliable spiritual reality Its integrity distinguishes divine and

human reporting also religion versus irreligion Jesus early advent fulfilled dozens of Old Testament prophecies divine evidence for the reliability of its revelation Scripture reveals that Jesus of Nazareth walked among us both man and God Section 2 Section 2 comprise a commentary upon the Revelation to John The prophecy concentrated therein is mysterious in part yet relatively ordered and culminating It helps to organize other prophecy revealed in Scripture And it serves to guide our on going participation with the ascended Christ as Lord Prophecy reveals that God has operated mightily in and on history that he has revealed essential parts of his plan and care for mankind Section 3 Without religion science particularly inanimate science tends to support determinism also a relatively rigid causation or rationalism Science develops knowledge more than understanding Section 3 attempts to assemble salient science together with a minor proportion of related hypotheses Your scribe believes that God s concern and involvement and control of life is more intimate and profound than most science and philosophy has indicated Section 4 The relatively hypothetic Section 4 comprises much supposition some semantically treated Suppositions are offered concerning material or systematic structures for said living sub matter in body mind and soul Life after first death is a gift from the soul s Creator Spirits just and unjust await resurrection in the spirit not in the flesh not in reincarnation Tthe soul is foundational to theology and tends to respond to spiritual reality to living sub matter particularly to God and other souls

Church And Grace Age: Theological Explanation of State of Church, Nations, and the Cosmos at End Times Plammoottil V. Cherian Ph. D,2024-06-05 From a thorough understanding of the human history from a Biblical perspective and knowledge in science and theology author Plammoottil Cherian elucidates a vivid picture of the current state of the Christendom under the power of secularism atheism and apostasy in a confused and chaotic world The Church is at the crossroads of confusion losing its power in spreading the Gospel at a time when it is most needed The Book in five separate parts describes Who is true God the foundation of Church and God s religion What the mission of the Church is Church and nations are living in an Age of Delusion and a generation of compromised Christians Apostacy is on the rise and Church without Christ like in Laodicea Global Unhappiness because God is on the sidelines There is perfect harmony between science and Christian faith The world has been experiencing the bowls of wrath of God Nations morally deteriorate by the spiritual blindness of leaders of Church and State Humanity has been experiencing the hoofbeats of the four horses in the Book of Revelation The nations and Church are in the state of Mene Mene Tekel Upharsin The Babylons of the world nations are about to fall unless aligned with God The Grace Age is ending soon as scientific evidence proves the Biblical prophecies The pressing need of the Church is to prepare believers for Christ s Second Coming As a scientists and theologian Dr Cherian analyzes the present world culture and explains the Biblical prophecies that we are at the threshold of Church that lost the faith and calls church and nation s leaders to realign with God for his guidance and continued blessings *Reports of Committees* United States.
