The Fragile Presence Transcendence In Modern Literature:

The Fragile Presence John Killinger, 1973-01-01 The Redemption of Tragedy Katherine T. Brueck, 1995-01-01

Simone Weil's supernaturalist interpretations of tragedy challenge not only the philosophical skepticism but also the religious rationalism characteristic of the modern age. This book boldly points out a supernaturalist alternative to contemporary post-structuralist literary theory. This study of classical tragic drama offers a sacralizing impetus to secular discussions of literature. The book's Platonic premises and its grounding in the transcendental outlook of the religious traditions furnish a sacred illumination. Religious mystery and the cross of Christ both overshadow and deepen philosophical approaches to literary criticism including theories of tragedy. Simone Weil's conception of tragic art rooted in a mystical Christian metaphysics offers original insight into the nature of tragedy. In contradiction of the prevailing secular outlook, Weil regards classical tragedy as a sacred art form. Tragic masterpieces evoke not the chaotic or irrational as modernist interpreters hold but rather a good which is absolute.

A Richard Wright Bibliography Kenneth Kinnamon, Joseph Benson, Michel Fabre, Craig Werner, 1988-01-13. Any future biographical work on Richard Wright will find this bibliography a necessity. Academic or public libraries supporting a program of black culture will find it invaluable and it belongs in any library supporting American literature studies. Richard Wright has truly been well served. Choice. The most comprehensive bibliography ever compiled for an American writer, this book contains 13,117 annotated items pertaining to Richard Wright. It includes almost all published mentions of the author or his work in every language in which those mentions appear. Sources listed include books, articles, reviews, notes, news items, publishers' catalogs, promotional materials, book jackets, dissertations, and theses, encyclopedias, biographical dictionaries, handbooks, and study guides, library reports, best-seller charts, the Index Translationum, playbills, and advertisements, editorials, radio transcripts, and published letters and interviews. The bibliography is arranged chronologically by year. Each entry includes bibliographical information, an annotation by the author, and information about all reprintings, partial or full. The index is unusually complete and contains the titles of Wright's works, real and fictional characters in the works, entries relating to significant places and events in the author's life, important literary terminology, and much additional information.

Conversions and Visions in the Writings of African-American Women

Kimberly Rae Connor, 1994. The subsequent achievement of selfhood is then based on the interplay of individual and community identities. Connor suggests that the distinctiveness of African American women's experiences and writings can transcend their immediate communities and be brought to bear on women's experiences in general, making their individual stories more accessible and meaningful to the whole of humankind.

Stephen Crane Harold Bloom, 2007. Stephen Crane is widely recognized as a master of literary naturalism. His best-known works include the classic novel *The Red Badge of Courage*, the short stories *The Open Boat*, *The Bride Comes to Yellow Sky*, and *The Blue Hotel*, and some of the nineteenth century's most innovative lyric poems. The essays gathered in this updated volume offer a wealth of critical information and

The Fragile Presence Transcendence In Modern Literature Introduction

In today's digital age, the availability of The Fragile Presence Transcendence In Modern Literature books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Fragile Presence Transcendence In Modern Literature books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Fragile Presence Transcendence In Modern Literature books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Fragile Presence Transcendence In Modern Literature versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Fragile Presence Transcendence In Modern Literature books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Fragile Presence Transcendence In Modern Literature books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Fragile Presence Transcendence In Modern Literature books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Fragile Presence Transcendence In Modern Literature books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
