Robert G. Barrett

The Frayne Brothers:

Frayne Brothers Leighton Frayne, 2003 Lindsay and Leighton Frayne are the brains and the brawn behind one of the most feared firms in the UK For years they have ruled the underworld with a fair but very firm hand When a close friend was raped and the police did nothing they upheld her honour and went after the rapist with a 44 Magnum When the daughter of a friend had drugs pushed on her they ensured that the pusher's operation was shut down permanently Their methods and success has led many gangsters to compare them with the Krays In this book they tell their own story *The Godson: A Les Norton Novel 4* Robert G. Barrett, 2016-01-16 NOW AN ABC TELEVISION DRAMA STARRING DAVID WENHAM AND REBEL WILSON Les Norton thought they were going to be the easiest two weeks of his life Playing minder for a young member of the Royal Family called Peregrine Normanhurst III sounded like a dead set snack So what if he was a millionaire Hooray Henry and his godfather was the Attorney General Les would keep Peregrine out of trouble So what if he was on the run for the IRA They'd never find him in Australia The Godson moves at breakneck speed from the corridors of power in Canberra to the grimy tenements of Belfast to climax in a nerve shattering blood spattered shootout on a survivalist fortress in the Tweed Valley If you thought Australia's favourite son could get up to some outrageous capers in his previous adventures until you've read *The Godson* you ain't read nothin' yet *Wannabe in my Gang?* Bernard O'Mahoney, 2011-04-15 Kray gang boss Tony Lambrianou who served a life sentence for the brutal murder of Jack the Hat McVitie has threatened to kill Bernard O Mahoney by smashing a hammer through his head Dodgy Dave Courtney who claims to have murdered two gangland rivals tried to put him out of his misery and the most dangerous man in the country John Gaffer Rollinson has vowed to kill him when he finds him But O Mahoney one time friend of the notorious Kray Brothers and former key member of the Essex Boys gang isn't concerned about any of these threats because he knows the truth about the wannabe gangsters who have built their reputations on fantasy gleaned from Hollywood movies and true crime books written by their heroes *Wannabe in my Gang* is a story that spans two decades and involves some of the most infamous names and crimes in British history It gives a unique insight into the Kray brothers firm revealing that its public image is far from the truth Also uncovered is what happened to the remaining members of the Essex Boys firm following the death of Ecstasy victim Leah Betts and the murder of three of its leaders who were found dead in their blood spattered Range Rover one winter's evening For the first time ever O Mahoney will expose the gangland myths that have made legends of those who claim to be responsible for mayhem and murder He reveals the sordid secret of one of Britain's most infamous gangsters and tells the truth about the imposters who make a living selling stories and writing books about events that have never even happened *Wannabe in my Gang* is the book that many in the underworld never wanted the public to read A crime exposé of the highest order it is shocking revelatory and gripping from beginning to end *The Kray Files* Colin Fry, 2011-11-25 When Ron and Reg Kray were sentenced to life imprisonment in 1968 most people thought that was the last they'd hear of two of the most notorious and vicious criminals

Britain has ever produced Instead the twins and their evil doings have since achieved almost iconic status Simultaneously they have become Ronnie and Reggie cuddly Robin Hood characters little more than a couple of bad lads who loved their mum The Kray Files is an explosive investigative work which strips away the myths that have grown up around the brothers It examines why the twins were put away the true extent of their crimes and the truth about the last 30 years which Ron and Reg spent at the expense of the country while making a quiet fortune through duplicitous dealings from behind bars It looks at why their brother Charlie turned to drugs as his only way out of a life of deprivation and misery and tries to discover the reason why some women have found the Krays fatally attractive For the first time ever The Kray Files goes behind the scenes painting a vivid picture of the brothers world through psychological profiling studying the sociology of the East End of London with the help of academics and investigating the violent legacy the brothers have left behind Loonyology Charles Bronson,2011-11-09 Lifer Charlie Bronson s reputation precedes him Britain s most violent prisoner or does it Do we really know the true Charlie or are our impressions the result of media hype Well what is in no doubt is that Loonyology is 200% Bronson and will transport the reader on the dizziest no holds barred roller coaster ride of their lives from suspense and shock to laughter and tears and from Bronson the Solitary King to Bronson the Philosopher the Poet the Artist the Author the Joker the Walking Scar and the Freedom Fighter Now 55 years old and having spent most of his last 34 years as a maximum security Bronco Zoo inmate he s a much wiser man as he looks back on his crazy journey of unpredictable behaviour his ever alert mind darting from reminiscences of his teenage years to memories of fellow cons the screws the cranks letters and news reports prison life and procedures and the overall madness loonyology of the legal and penal systems peppering his stories with diary entries true gems of information sound advice and hilarious one liners Together with his many supporters and with the aid of a top lawyer Charlie is campaigning for the parole board to finally allow him his freedom but begging is not his style he calls a spade a spade and is determined to win with dignity fighting with his pen and his brain to achieve his aim of a life outside the cage In his words I chose to be a villain I m not proud of it nor am I ashamed of it I have paid my debt to society and it s time to go home **The Burning Prince** Georgina Makalani,2022-10-14 A witch on the run Two brothers determined to help her A king scouring the kingdom for revenge and a holy man burning it to the ground The Kingdom of Burasal has been hunting out and destroying witches long before the great fire that took the life of the new prince and destroyed half of Sunsong Castle The fire fuelled the hunt and the new king is determined that no witch shall survive particularly the one responsible for his son s death Nelda has spent her life hiding who she truly is not that she knew what was until that night she was lost to the flames A night that has scarred a kingdom a king and her brother But in all the years they searched for her she remained hidden Until the man burning his way across the kingdom flushes her out Now she is running for her life again with two brothers and a young witch They are only drawing more attention from those she is trying to hide from Should she have abandoned them to save herself Is she leading them to danger or are they leading her If they

are discovered she will be killed on the spot and the young men she is trying to protect will burn with her *The Burning Prince* is the first in a sword and sorcery fantasy series where family is not what you think it is and the flames burning across a kingdom reveal more than they destroy **Amalgamated Sheet Metal Workers' Journal** ,1913 *International Brotherhood of Blacksmiths, Drop Forgers and Helpers Monthly Journal* ,1922 **The Krays: A Violent Business** Colin Fry,2011-05-05 Twins Ron and Reg Kray were without doubt the most powerful violent and deadly gangsters that London has ever known They ran protection rackets clubs and casinos as well as fraudulent long firms They blackmailed intimidated and killed for many years with impunity thanks to their powerful cronies in the Establishment Working with all five main Mafia families in New York they were expanding their business worldwide when they were imprisoned for murder in 1968 Featuring revealing new material *The Krays A Violent Business* is the story of their lives and of the secrets and scandals the British government still doesn't want you to know about *The Feathered World* ,1908 **The Bridgemen's Magazine** ,1916 **The Mixer and Server** ,1921 **The Leather Worker's Journal** ,1916 *The Breach* Naomi Wallace,2022-06-09 They won't even know we won this game Only you and I will know that we Topped Their Love Love has no limits for the Diggs siblings there's nothing that seventeen year old Jude won't do to keep her younger brother Acton safe Growing up in the turbulence of 1970s America Jude works nights and weekends to pay the bills just so that they can stay together with their mother But when Acton's troublesome pals form a club in their basement a foolish game threatens to upend Jude's plans and derail their lives forever Jude will do anything to protect her brother but someone may have to pay the price As trust and loyalty are put on the line hindsight proves devastating in Naomi Wallace's riveting drama *The Breach* opened at Hampstead Theatre London in May 2022 **The Poultry Monthly** ,1897 *Catering Industry Employee* ,1921 **The Builder** ,1875 **Tile Layers' and Helpers' Journal** ,1911 **A Pair of Shootists** Jerry Kuntz,2012-10-11 In 1888 Samuel F Cody a twenty one year old horse wrangler met Maud Lee a sixteen year old aspiring circus performer while touring with the Wild West show cast of Adam Forepaugh's Circus A quick rapport developed between the girl from Norristown Pennsylvania and the cowboy who dazzled audiences with his good looks and fancy pistol shooting *A Pair of Shootists* is the exuberant and sometimes heartbreaking story of the elusive S F Cody and his first wife Maud Lee Recounting their many dramatic exploits this biography also overturns the frequently romanticized view of Wild West shows Living the erratic lives of touring performers S F Cody who changed his name to capitalize on his resemblance to William F Buffalo Bill Cody and Maud Lee first appeared together in vaudeville halls and dime museums Setbacks in the United States made Cody and Lee eager to try their luck abroad so they traveled to Great Britain where they played music halls and acted in burlesques on roller skates and in extravagant arena exhibitions When the two performers eventually parted ways author Jerry Kuntz masterfully splits their stories into two From there he follows their individual ups and downs including Cody's soaring career in pioneer aeronautics and Lee's decline into mental illness and addiction In an ironic twist Maud's

professional life ended amidst a vast misunderstanding that brought her into conflict with the woman she had been emulating her entire career Annie Oakley While other biographies focus mainly on Cody s contribution to aviation Kuntz uses sources previously unavailable to scholars to paint a more complete picture of Cody s early years and to recover the forgotten and ultimately tragic story of Maud Lee *The Leather Workers' Journal* ,1915
