GEORGE ALLEN & UNWIN

# The French And The Dardanelles A Study Of Failure In The Conduct Of War

**Yigal Sheffy**

## **The French And The Dardanelles A Study Of Failure In The Conduct Of War:**

**The French and the Dardanelles** George H. Cassar, 1971      **The Dardanelles Campaign, 1915** Fred R. van Hartesveldt, 1997-11-20 The passage of time has not slowed the production of books and articles about World War I This volume provides a guide to the historiography and bibliography of the Dardanelles Campaign including the Gallipoli invasion It focuses on military history but also provides information on political histories that give significant attention to the handling of the Dardanelles Campaign The opening section of the book provides background information about the campaign discusses the major sources of information and lays out the major interpretative disputes A comprehensive annotated bibliography follows This book nicely complements the two earlier volumes on World War I battles The Battle of Jutland by Eugene Rasor and The Battles of the Somme by Fred R van Hartesveldt      **The War Lords and the Gallipoli Disaster** Nicholas A. Lambert, 2021 This book based on comprehensive archival research in official and private papers offers a new history of the infamous British disaster at Gallipoli in 1915 Contrary to all previous accounts it shows that the campaign originated not in the search for an alternative to the Western Front but in the need to lower the price of bread in Britain

British Military Intelligence in the Palestine Campaign, 1914-1918 Yigal Sheffy, 2014-02-04 Shortly after the end of the First World War General Sir George Macdonagh wartime director of British Military Intelligence revealed that Lord Allenby's victory in Palestine had never been in doubt because of the success of his intelligence service Seventy five years later this book explains Macdonagh's statement Sheffy also adopts a novel approach to traditional heroes of the campaign such as T E Lawrence      The Last Century of Sea Power, Volume 1 H. P. Willmott, 2021-12-22 In this first of three volumes on sea power the author reviews the story of political economic and military oceanic control from the 1890s through WWI Choice The transition to modern war at sea began during the period of the Sino Japanese War 1894 1895 and the Spanish American War 1898 and was propelled forward rapidly by the advent of the dreadnought and the nearly continuous state of war that culminated in World War I By 1922 most of the elements that would define sea power in the 20th century were in place Written by one of our foremost military historians this volume acknowledges the complex nature of this transformation focusing on imperialism the growth of fleets changes in shipbuilding and armament technology and doctrines about the deployment and use of force at sea among other factors There is careful attention to the many battles fought at sea during this period and their impact on the future of sea power The narrative is supplemented by a wide range of reference materials including a detailed census of capital ships built during this period and a remarkable chronology of actions at sea during World War I The author dean of naval historians provides a sweeping look at and analysis of the transformation of naval power His dry wit and sense of irony add spice to the impressive array of facts and analysis of the greatest period of naval warfare Willmott is fearless in his judgments Seapower This book first of a series contains a wealth of facts and opinions the latter provided with Willmott's unerring analytical eye and mordant wit Bernard D Cole National War College      **Strategy**

**and Command** Roy A. Prete, 2009-06-01 Histories of the First World War are often written from a British perspective ignoring the coalition element of the conflict and the French point of view In Strategy and Command Roy Prete offers a major new interpretation supported by in depth research in French archival sources In the first of three projected volumes Prete crafts a behind the scenes look at Anglo French command relations during World War I from the start of the conflict until 1915 when trench warfare drastically altered the situation Drawing on extensive archival research Prete argues that the British government's primary interest lay in the defence of the empire the small expeditionary force sent to France was progressively enlarged because the French especially Commander in Chief Joseph Joffre dragged their British ally into a progressively greater involvement Several crises in Anglo French command relations derived from these competing strategic objectives New information gleaned from French public and private archives including private diaries enlarge our understanding of key players in the allied relationship Prete shows that suspicion and distrust on the part of both sides of the alliance continued to inform relations well after the circumstances creating them had changed Strategy and Command clearly establishes the fundamental strategic differences between the allies at the start of the war setting the stage for the next two volumes Bertie of Thame Keith Hamilton, 1990 Sir Francis Bertie from 1915 Lord Bertie of Thame was a senior British diplomat of the late Victorian and Edwardian eras He is perhaps best known for the thirteen years between 1905 and 1918 during which time he was Britain's ambassador in Paris and it is with this period of his life that Dr Hamilton is mainly concerned The book thus examines his contribution to the evolution and maintenance of the entente cordiale the nature of his anti Germanism his influence upon Sir Edward Grey and other British statesmen and the eclipse of professional diplomacy during the first world war Above all it is a study of a man whom another British diplomat was later to describe as the very last of the great ambassadors **General Maurice Sarrail, 1856-1929** Jan Karl Tanenbaum, 2018-08-25 Commander of the French Third Army at the Battle of the Marne commander of the Allied Eastern Army in 1916 17 and high commissioner to Syria and Lebanon in 1924 25 Sarrail was one of the most controversial figures of the Third French Republic because of his deep involvement with domestic politics Unlike the majority of twentieth century military officers however he was an ardent supporter of Republican ideals and closely associated with the political Left Originally published 1974 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Anglo-Iranian Relations During World War I** William J. Olson, 2013-12-19 A study of Anglo Iranian relations during World War I This book analyzes such diplomacy as an example of great power politics in regional affairs examining Britain's concern to maintain stability in Iran and exclude foreign interests from the Persian Gulf and the approaches to India **Kitchener's War: British Strategy from 1914-1916** George H. Cassar, 2005-10-31 A new study of one of Britain's most famous soldiers

**European Powers in the First World War** Spencer Tucker, 2018-12-07 First published in 1996 The First World War was the single most important event of the twentieth century This volume concentrates on non U S aspects of the conflict Organized alphabetically its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict major battles and campaigns weapons systems including military aviation chemical warfare the submarine and the tank and the terms of the peace Some 350 biographies provide information on the roles played in the conflict by generals admirals and civilian leaders There are also biographies of individuals who were shaped by the war such as Charles De Gaulle Adolf Hitler Benito Mussolini and Joseph Stalin essays on each of the countries involved in the conflict new appraisals of such subjects as military medicine and artillery tactics and essays on such diverse subjects as art literature and music in the war Each entry has references for additional reading and a subject index provides easy access The volume is an excellent reference source for scholar and neophyte alike

**Asquith As War Leader** George H. Cassar, 1994-01-01 Asquith was at the pinnacle of his success when the course of his life and that of his country was changed by the outbreak of the First World War Instead of being over by Christmas 1914 the war became a stalemate with opposing trenches extending from the Channel coast to the Swiss border During the initial stages of the war Asquith's oratory tact and skill combined with his imperturbability and prestige made him indispensable As the war dragged on his failure to show the ruthlessness needed to win at any cost made him ill suited to direct the nation in total war In December 1916 Asquith was manoeuvred out of Downing Street by Lloyd George Asquith as War Leader is the first comprehensive study of this exceptionally talented Prime Minister's war record In a thorough examination of British war policy with its evolutionary shifts and internal dissensions George H Cassar has defined the precise nature of Asquith's involvement and responsibility He describes Asquith's part in bringing Britain into the war in shaping war aims and strategy and in mobilising the nation's resources Because he was not the Prime Minister who won in 1918 Asquith's achievements in dealing with the problems of fighting a war on an unprecedented scale have been insufficiently recognised

**1916** Keith Jeffery, 2016-01-26 So much of the literature on the First World War centers on the trench warfare of the Western Front and these were essential battlegrounds But the war was in fact truly a global conflict and by focusing on a sequence of events in 1916 across many continents historian Keith Jeffery's magisterial work casts new light on the Great War Starting in January with the end of the catastrophic Gallipoli campaign Jeffery recounts the massive struggle for Verdun over February and March the Easter Rising in Ireland in April dramatic events in Russia in June on the eastern front the familiar story of the war in East Africa where some 200 000 Africans may have died and the November U S presidential race in which Woodrow Wilson was re-elected on a platform of keeping the United States out of the war a position he reversed within five months Incorporating the stories of civilians in all countries both participants in and victims of the war 1916 A Global History is a major addition to the literature and the Great War by a historian at the height of his powers

**The French Army and the First World War** Elizabeth Greenhalgh, 2014-11-13 A

major new account of the role and performance of the French army in the First World War      **The Kitchener Enigma**

Trevor Royle,2016-05-02 In this critically acclaimed biography now fully updated Royle revises Kitchener's latter day image as a stern taskmaster the ultimate war lord to reveal a caring man capable of displaying great loyalty and love to those close to him New light is thrown on his Irish childhood his years in the Middle East as a biblical archaeologist his attachment to the Arab cause and on the infamous struggle with Lord Curzon over control of the army in India In particular Royle reassesses Kitchener's role in the Great War presenting his phenomenally successful recruitment campaign Your Country Needs You as a major contribution to the Allied victory and rehabilitating him as a brilliant strategist who understood the importance of fighting the war on multiple fronts      **Australia's War with France**

Richard James,2017-09-05 1941 Great Britain is fighting for its very existence France has surrendered and installed Marshal Pétain an ageing reactionary as head of a hostile new government at Vichy The Allied outpost in Egypt and the Suez Canal its strategic jewel are threatened on both sides To the west Rommel is rampaging through North Africa To the east the Germans are arming rebels and fostering an uprising in British Iraq Churchill's cabinet is reeling after disastrous campaign in Greece There are fears of a German takeover in Vichy controlled Syria and Lebanon where a languishing French colonial army may fall in line with the Nazis Churchill orders a disgruntled General Wavell to take the offensive assuming that the French will not put up a fight against an Allied show of force The only troops available are a division of Australians the 7th untested recruits digging ditches in the Egyptian desert This is the story of how the 7th Division came to fight against the Army of the Levant Australia against France in the rocky hills of Lebanon and the barren wastes of Syria Contrary to Churchill's expectations the French resisted viciously The Australians won the war but at the price of more than 400 young men sons of Anzacs who had fought to defend France in the trenches of the western Front The British were embarrassed the campaign was forgotten and the Australians who fought were dubbed the silent men No contemporary Australian historian has studied the conflict British and French accounts exist but fail to do justice to the Australian contribution Through interviews with the veterans archival records and on the ground research this book seeks to understand a neglected campaign and give it a proper place in Australian history

**Far-flung Lines** Greg Kennedy,Keith Neilson,2013-01-11 These studies show how the British Empire used its maritime supremacy to construct and maintain a worldwide defence for its imperial interests They rebut the idea that British defence policy in the late 19th and early 20th centuries was primarily concerned with the balance of power in Europe      **Gallipoli**

Robin Prior,2009-06-02 The noted historian's decisive and devastating history of the WWI Battle of Gallipoli sets a new standard for assessing the Allied Dardanelles campaign Mustafa Aksakal American Historical Review The Gallipoli campaign of 1915-16 was an ill-fated Allied attempt to take control of the Dardanelles secure a sea route to Russia and create a Balkan alliance against the Central Powers A failure in all respects the operation ended in disaster and the Allied forces suffered some 390 000 casualties In this conclusive study military historian Robin Prior assesses the many myths about Gallipoli and

provides definitive answers to questions that have lingered about the operation Prior proceeds step by step through the campaign dealing with naval military and political matters and surveying the operations of all the armies involved British Anzac French Indian and Turkish Relying on primary documents including war diaries and technical military sources Prior evaluates the strategy the commanders and the performance of soldiers on the ground His conclusions are powerful and unsettling the naval campaign was not almost won and the land action was not bedeviled by minor misfortunes Instead the badly conceived Gallipoli campaign was doomed from the start And even had it been successful the operation would not have shortened the war by a single day Despite their bravery the Allied troops who fell at Gallipoli died in vain A Wall Street Journal Best Book of 2009      **Lloyd George and the Generals** David R. Woodward, 2004-11-23 The frustrating stalemate on the western front with its unprecedented casualties provoked a furious debate in London between the civil and military authorities over the best way to defeat Germany The passions aroused continued to the present day The mercurial and dynamic David Lloyd George stood at the centre of this controversy throughout the war His intervention in military questions and determination to redirect strategy put him at odds with the leading soldiers and admirals of his day Professor Woodward a student of the Great War for some four decades explores the at times Byzantine atmosphere at Whitehall by exhaustive archival research in official and private papers The focus is on Lloyd George and his adversaries such as Lord Kitchener General Sir William Robertson and Field Marshall Sir Douglas Haig The result is a fresh compelling and detailed account of the interaction between civil and military authorities in total war      Railways and International Politics T.G. Otte, Keith Neilson, 2012-09-10 This new study brings together leading experts to show how the modern world began with the coming of the railway They clearly explain why it had a greater impact than any other technical or industrial innovation before and completely redefined the limits of the civilized world While the effect of railways on economic development is self evident little attention has been paid to their impact on international relations This is unfortunate for in the period from 1848 to 1945 railways were an important element in the struggle between the Great Powers This took many forms Often as in East Asia the competition for railway concessions reflected the clash of rival imperial interests The success or failure of this competition could determine which of the European Powers was to dominate and exploit the markets of China and Siam Just as often railways were linked with military matters Prussia's success in the wars of German unification depended on its strategic railways just as much as on the strength of its armies and the rail links remained a vital aspect of German military thinking before the First World War So too did they for the Russians whose vast Empire required rail links capable of moving the Tsarist army quickly and competently Just as importantly railways could be vital for Imperial defence as the British discovered on the North West frontier of India This book will be of much interest to students of international history military history and strategic studies

The Enigmatic Realm of **The French And The Dardanelles A Study Of Failure In The Conduct Of War**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. ### **The French And The Dardanelles A Study Of Failure In The Conduct Of War Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The French And The Dardanelles A Study Of Failure In The Conduct Of War PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The French And The Dardanelles A Study Of Failure In The Conduct Of War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The French And The Dardanelles A Study Of Failure In The Conduct Of War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About The French And The Dardanelles A Study Of Failure In The Conduct Of War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The French And The Dardanelles A Study Of Failure In The Conduct Of War is one of the best book in our library for free trial. We provide copy of The French And The Dardanelles A Study Of Failure In The Conduct Of War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The French And The Dardanelles A Study Of Failure In The Conduct Of War.
