

The French In Mexico And Texas 1838 1839

Hubert Howe Bancroft

The French In Mexico And Texas 1838 1839:

The French in Mexico and Texas, 1838-1839 Eugène Maissin, 1961 *The French Experience in Mexico, 1821-1861* Nancy Nichols Barker, 2018-08-25 This is the first scholarly appraisal of relations between France and Mexico from the time Mexico achieved independence until Emperor Napoleon III decided to intervene and place Maximilian on the Mexican throne Barker shows that economic political demographic and behavioral factors led to chronic friction between the two countries and contributed to the buildup of an ideology of intervention Originally published in 1979 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The French in Texas** François Lagarde, 2010-01-01 A surprising history of explorers pirates priests artists and more The best overall study of the French experience in Texas ever assembled Jack Jackson editor of Texas by Ter n The flag of France is one of the six flags that have flown over Texas but all that many people know about the French presence in Texas is the ill fated explorer Cavelier de La Salle fabled pirate Jean Lafitte or Cajun music and food Yet the French have made lasting contributions to Texas history and culture that deserve to be widely known and appreciated In this book Fran ois Lagarde and thirteen other experts present original articles that explore the French presence and influence on Texas history arts education religion and business from the arrival of La Salle in 1685 to the dawn of the twenty first century Each article covers an important figure or event in the France Texas story The historical articles thoroughly investigate early French colonists and explorers the French pirates and privateers the Bonapartists of Champ d Asile the French at the Alamo Dubois de Saligny and French recognition of the Republic of Texas the nineteenth century utopists of Icaria and Reunion and the French Catholic missions Other articles deal with French immigration in Texas including the founding of Castroville Cajuns in Texas and the French economic presence in Texas today the first such study ever published The remaining articles look at painters Th odore and Marie Gentilz sculptor Raoul Josset French architecture in Texas French travelers from Th odore Pavie to Simone de Beauvoir who have written on Texas and the French heritage in Texas education Includes more than seventy photos and illustrations *Sketches of Early Texas and Louisiana* Frédéric Gaillardet, 2013-08-26 A lively report of travels in early nineteenth century Texas and Louisiana and a fascinating account of the discovery exploration and settlement of those areas is presented in the work of this ebullient young French dramatist and journalist who traveled to Louisiana in 1837 and to Texas in 1839 Fr d ric Gaillardet an alert and talented writer of the romantic school was lured away for a decade from a successful career in Paris to satisfy his wanderlust and to seek inspiration on the American frontier During that time he visited the American Southwest and he talked with many personages there men like Sam Houston Mirabeau B Lamar and Achille Murat His character sketches of these men add zest to the book as do the facets of Gaillardet s own personality and life displayed in these pages Gaillardet s reports of his travels

were published in various French language newspapers of the time a few were incorporated into the author's posthumous memoirs His opinions as recorded in his writings exerted undeniable influence in the French decision to recognize Texas one of his theses was that the Republic of Texas might become a curb rather than a stepping stone to an expanding United States Despite Gaillardet's historical importance however none of these chapters has ever appeared before in English translation This collection was gathered from several sources the Journal des D bats the Constitutionnel the Courier des tats Unis and Gaillardet's memoirs entitled L Aristocratie en Am rique The latter chapters concentrate on the career of a prominent Louisiana lawyer politician and diplomat Pierre Soul whose much maligned name Gaillardet repeatedly and stoutly defended A less favorable treatment of Soul contained in Fanny Calder n de la Barca's Attach in Madrid is reprinted in the appendix to aid the reader in judging the accuracy of Gaillardet's analysis of this arresting figure Copious footnotes to clarify the text have been added by the translator His introduction presents a biographical sketch of Gaillardet together with a careful analysis of the book which has been translated lucidly and vividly

Mexico at War David F. Marley, 2014-08-11 A comprehensive overview of Mexico's military history from 1810 to the present day including rare facts and information not found online Mexico's past is riddled with stories of struggle military battles internal rebellions revolutions and drug wars This in depth reference provides a complete military history of that country since its War of Independence in 1810 through the present day From the evolution of combat in the region to the motivations and tensions behind recurrent conflicts to the dubious beginnings of drug gangs and warlords this is the only book of its kind to explore Mexican warfare in such great depth This detailed study consists of an alphabetical compilation of roughly 300 entries dealing with different facets of hostile encounters throughout the country's history In addition to covering key places and people regional expert and author David F Marley offers unique insights into more obscure topics such as the 1913 aerial bombardments at the port of Guaymas visits from American luminaries colorful Mexican military slang and the songs that identify various political factions The work includes a host of important historical documents a glossary and an extensive bibliography to encourage further research on the subject

Texas and Her Fifty-Nine Flags Lawrence Drake Williams, Jr., 2023-07-11 Texans are fiercely proud of their Lone Star flag It has flown from foxholes been displayed at military bases around the world and even been to space Most Americans don't even know that the state has had a grand total of fifty nine different flags over the course of its great history Texas and Her Fifty Nine Flags explores the standards for a different approach to a history of Texas Throughout each chapter the author provides a story taken from history texts research and anecdotes collected during his teaching and travels which took fifteen years This unique history of Texas will captivate the reader from the first Spanish flag through revolutions and pirates to the Bonnie Blue Flag of the Civil War

Between the Summit and the Sea Alfred H. Siemens, 2011-11-01 For some time now there has been a great deal of concerned reflection on the ways in which the tropical lowlands of the Americas have been perceived and exploited This book addresses this concern It is also something of an

appreciation of tropical lowlands as they emerge along one particular road gathered from the accounts of early nineteenth century observers Aerial reconnaissance has shown that many wetlands in the lowlands which these travellers crossed are patterned with the remains of prehispanic platforms and canals an old and effective system for the cultivation of wetlands These show particularly clearly in the pastures of modern ranches a very different land use and yet perhaps governed by similar constraints The pastures are dotted with palms which eloquently indicate repeated burning and long use and scored by drainage ditches cut according to contemporary practice thus giving evidence of both ancient and modern use The travellers accounts throw light on this juxtaposition Early nineteenth century visitors to Mexico usually entered the country at Veracruz and proceeded inland along the Jalapa road Their impressions of the surrounding landscape have long been relied upon for a contemporary interpretation of this region They produced a rich literature which reveals a great deal about what the European and North American travellers thought about the tropics The reader is taken along the Veracruz Jalapa road up to the summit of the pass and on to the central tableland and allowed to see the coastal landscape take shape from the commentary step by step detailed and coloured by predisposition the objective landscape often aggrandized and misperceived The accounts are not benign they are tinged with an evaluation of tropical lowlands that unfortunately persisted and proved prejudicial to actual development here and elsewhere In this book Alfred Siemens brings together a wide array of commentary to coalesce as though it were a piece of landscape theatre always with the recognition that the fascinating and at times entertaining observations carry venom

After San Jacinto Joseph Milton Nance, 2011-05-18 A balanced account of the skirmishes along Texas borderland during the years between the Battle of San Jacinto and the Mexican seizure of San Antonio The stage was set for conflict The First Congress of the Republic of Texas had arbitrarily designated the Rio Grande as the boundary of the new nation Yet the historic boundaries of Texas under Spain and Mexico had never extended beyond the Nueces River Mexico unwilling to acknowledge Texas independence was even more unwilling to allow this further encroachment upon her territory But neither country was in a strong position to substantiate claims so the conflict developed as a war of futile threats border raids and counterraiders Nevertheless men died often heroically and this is the first full story of their bitter struggle Based on original sources it is an unbiased account of Texas Mexican relations in a crucial period Solid regional history The Journal of Southern History

Confederate Generals in the Trans-Mississippi, Vol 3 Thomas E. Schott, Lawrence Lee Hewitt, 2024-01-12 Far removed from the main centers of commerce and population and thus remote from the priorities of Confederate political leaders in the East the Trans Mississippi Theater experienced a different sort of war during America's great fratricidal conflict of 1861-1865 Not only was its distance from Richmond a distinguishing factor but it was also a theater where the Union army and navy gained a foothold far sooner than elsewhere in the South first in Missouri and then in Louisiana and the Mississippi River Valley Confederate generals were tasked with ousting not merely halting an enemy closing from two directions guerrilla warfare was more often

the norm than the exception and the shortage of men and materiel was a constant problem The third volume of Confederate Generals in the Trans Mississippi offers eight new essays on generals engaged in the effort to secure a region whose unique challenges would have daunted the best of commanders Included here are Joseph G Dawson III on Earl Van Dorn s efforts to bring order to the chaos of the Trans Mississippi District and how his experiences affected his battlefield performance in 1862 Jeffery M Prushankin on the administrative nightmares facing Edmund Kirby Smith when he assumed responsibility for the region in 1863 and Richard Holloway on the formidable army commander Richard Taylor and the all but forgotten effort to move Confederate troops east of the Mississippi in 1864 Essays on Hamilton Prioleau Bee James Fleming Fagan William Robertson Boggs Tom Green and Austin Wharton round out the collection Like its predecessors this new volume brings splendid research and a wealth of new insight and analysis to bear on an aspect of the Civil War whose historical significance has too long been overshadowed by the events farther east *Wars of the Americas* David F. Marley,2008-02-11 A

comprehensive account of every major war and battle fought in the Americas this revised edition of the award winning Wars of the Americas offers up to date scholarship on the conflicts that have shaped a hemisphere When it was first published in 1998 Wars of the Americas A Chronology of Armed Conflict in the Western Hemisphere was the only major reference focused exclusively on warfare in all its forms in North Central and South America over the past five centuries Now this acclaimed resource returns in a dramatically expanded new edition For its second edition Wars of the Americas has been doubled in size to two full volumes the first covers all wars and major battles from the earliest Spanish conquests through the 18th century colonial rivalries that gripped the hemisphere The second volume covers covers the American Revolutionary War and all subsequent conflicts up to the present In addition to exhaustive updating throughout and a deeper focus on the historical context of each conflict the new edition includes new coverage of the present day drug cartel wars international terrorism and the ever evolving relationships between the United States and the nations of Latin America **Latin America's Wars**

Robert L. Scheina,2003-01-31 Robert Scheina s latest book drawn upon years of research lecturing and teaching in the field is a groundbreaking and definitive study of Latin American military history Despite the pivotal role of wars in U S history few in the United States under Social Change in the Southwest, 1350-1880 Thomas D. Hall,1989 **Mexico ...** Hubert Howe
