The French Socialists In Power 1981 1986 Contributions In Political Science:

The French Socialists in Power, 1981-1986 Patrick McCarthy, 1987-09-22 In 1981 in uneasy alliance with the Communists and amidst a storm of revolutionary rhetoric the French Socialist party came to power for the first time since the founding of the Fifth Republic The only full length study of the subject yet written this book looks at the realities beyond the rhetoric how the Left came to power what the Socialists achieved in the way of social change where they failed to diverge from policies associated with the Right and what lasting impact their brief tenure is likely to have on French and European politics

The French Socialists in Power, 1981-1986 Thomas Rodney Christofferson, 1991 An overview of the Socialist movement espousing a quasi Marxist ideology before the 1981 election that discusses the conflicts of the 1970s and the 1981 electoral campaign as well as the economic problems that generated a Socialist position of implementing a very limited agenda of reforms once they had gained power

The Birth of Judicial Politics in France Alec Stone Sweet, 1992 The French Constitutional Council a quasi judicial body created at the dawn of the Fifth Republic functioned in relative obscurity for almost two decades until its emergence in the 1980s as a pivotal actor in the French policymaking process Alec Stone focuses on how this once docile institution through its practice of constitutional review has become a meaningfully autonomous actor in the French political system After examining the formal prohibition against judicial review in France Stone illustrates how politicians and the Council have collaborated over the course of the last decade often unintentionally and in the service of contradictory agendas to significantly enhance Council's power While the Council came to function as a third house of Parliament the legislative work of the government and Parliament was meaningfully juridicized Through a discussion of broad theoretical issues Stone then expands the scope of his analysis to the politics of constitutional review in Germany Spain and Austria

Cultural Policy and Socialist France David Wachtel, 1987-09-30 The past fifteen years have seen a major evolution in French society and the way it views culture Cultural Policy and Socialist France offers a multi faceted approach to determining what role the Socialist Party has had in that change through a detailed evaluation of the policies of the Ministry of Culture under President Francois Mitterrand and Minister of Culture Jack Lang

Liberalization and Redemocratization in Latin America George A. Lopez, Michael Stohl, 1987-12 This volume is the product of three coalitions of research interests focused on a single topic of inquiry the processes of liberalization and democratization within authoritarian regimes in Latin America The three branches of research may be characterized as first individuals researching the changing character of human rights violations repression and state terror in various Latin American nations second scholars of redemocratization the process through which governments gradually revert to a more democratic regime and third experts in the comparative analysis of Latin American politics who believe that a cross national perspective is necessary to complement current theoretical and case study work on liberalization and redemocratization The opening chapter provides a theoretical basis for

the discussion and the closing essay analyzes the relationship between redemocratization in Latin America and U S foreign assistance policies there A bibliographic essay and an index complete the volume **Subject Guide to Books in Print**

,1996 **Opposing Europe?: The Comparative Party Politics of Euroscepticism** Aleks Szczerbiak,Paul

Taggart,2008-04-24 The project of European integration now spans Europe but in becoming bigger and broader the European Union has brought on itself significant criticism As the EU becomes deeper wider and more ambitious so opposition and scepticism become more prominent for citizens and more problematic for elites Concerns about a democratic deficit and the distance between European elites and publics have come to be a common feature of European politics As a consequence Euroscepticism has become a part of the terrain of conflict between political parties across Europe *Opposing Europe* provides the first comprehensive review of party based Euroscepticism across the breadth of contemporary Europe and the first in depth comparative academic study of Euroscepticism This the first of two volumes is made up of chapters that map describe and analyse Euroscepticism in the party systems of a range of countries and the European Parliament Each is written to a common frame of reference that differentiates hard and soft Euroscepticism The volume looks across Europe and includes EU member states and candidate and non member states in order to draw out comparative lessons that relate to the nature of political parties party systems and the domestic politics of European integration *Opposing Europe* is a groundbreaking state of the art book that provides a definitive review of a key issue in European politics It is also one of the few attempts to integrate the fields of EU studies with both West European and East European studies in order to draw lessons about the way in which the EU interacts with domestic politics in both member and non member states Examining the way that parties position themselves and compete on the European issue provides powerful lessons for the trajectory of the European integration project more generally and on the prospects for the emergence of a European political system and polity *Bibliographic Index* ,1991 **Bibliography of European Economic and Social History** Derek Howard

Aldcroft,Richard Rodger,1993 This bibliographical guide contains 10 000 references to the economic and social history of 30 European countries during the period 1700 1939 More than 3000 periodicals have been consulted to obtain references as well as books edited collections and conference proceedings The information is listed in categories such as industry agriculture finance migration labour conditions urban communities and organizations Full publication details are included so that references may be located easily *Irrationality in International Confrontation* Robert Mandel,1987-08-04 The first book to explore systematically and comprehensively the influence and utility of irrationality in international relations this study begins with an intensive exploration of the nature of irrationality The author proceeds to examine twelve case studies in which irrationality has figured prominently in international confrontations Among these conflicts are featured the Poland Solidarity crisis the Soviet natural gas pipeline controversy American involvement in Nicaragua the Grenada invasion the Iranian seizure of American hostages the Iran Iraq war the Libyan embassy incident and the Falkland Islands war among

others Finally the work assesses patterns which emerge throughout the case studies and generates policy perceptions for applying or resisting irrationality suggesting as well the global consequences of proliferating irrationality in the international political arena **The European Community and the Management of International Cooperation** Leon

Hurwitz,1987-10-20 As Leon Hurwitz clearly illustrates in this new work Western Europe provides the best examples of regional interdependence and international management of cooperation through various intergovernmental and nongovernmental organizations And it is the European Community institutional framework which has enjoyed the greatest success among these organizations This book is a penetrating study of the European Community s experience in the international management of cooperation its goals and objectives its present operation and future prospects Ethnic
