**The Bottom** Charles Lattimore Howard, 2020-10-30 the bottom a theopoetic of the streets explores homelessness fusing theology jazz verse and intimate storytelling into a challenging raw and beautiful tale As he journeys downward to build real relationships with sisters and brothers living on the streets the author invites the reader on that mysterious journey to meet those pushed to the margins where we discover harsh truths about social injustice and dehumanization This novel in verse moves between poetry and a theological text titled *A Theology of the Bottom* which is written by the book's main character Readers will be left with a greater understanding of the complex journeys of individuals who are navigating homelessness as well as an increased understanding about liberation theology and how to handle the grey areas of activism The reader will also discover as the author does their truest self and come to know more intimately the
