Giroux, 2018-07-03 Are we in the beginning of a new fascist era As white supremacy ultra nationalism rabid misogyny and anti immigrant fervor coalesce a new and uniquely American form of fascism looms Could our current moment actually bring about the end of democracy in the United States Are Americans willing to surrender their freedom and dignity along with their ongoing struggle for equality

justice and mutual respect in the face of the rising tide of political and ideological extremism In this provocative collection of essays Henry Giroux warns of the consequences of doing too little as Trump and the so called alt right relentlessly attack critics journalists and target the hard earned civil rights of women people of color immigrants the working class and low income Americans As we face down the frightening reality of living under a system that serves only the interests of the wealthy few Giroux makes a passionate call for ordinary citizens to organize educate and resist by all available means Praise for American Nightmare In this current era of corporate media misdirection and misinformation Henry Giroux is one of the few great political voices of today with powerful insight into the truth Dr Giroux is defiantly explaining against the grain what s REALLY going on right now and doing so quite undeniably Simply put the ideas he brings forth are a beacon that need to be seen and heard and understood in order for the world to progress Julian Casablancas lead vocalist for The Strokes In frightening times like these what is desperately needed is an informed and wise voice that speaks clearly and with conviction about the situation we are in and what can be done Henry Giroux is one of the great public intellectuals of our times and American Nightmare is exactly the book for people grappling with how to understand the Trump era and how to proceed This is precisely the book that needs to be shared with friends and acquaintances It will provoke hard thinking bring clarity and stimulate much needed conversation and action Robert W McChesney co author of People Get Ready The Fight Against a Jobless Economy and a Citizenless Democracy We have no greater chronicler of these dystopian times Giroux s critique cuts to the crux of today s authoritarian crisis yet his voice remains of one hope that the people may collectively regain control Even while living though systemic efforts to privatize hope Giroux s critique enacts the sort of shared resistance that can effectively challenge authoritarianism American Nightmare demonstrates how we can resist the normalization of hate authoritarianism and alienation in Trump s America He shows us that not only are we not alone but we are among a majority who oppose the cruelties of American social policies David H Price author of Cold War Anthropology The CIA and the Growth of Dual Use Anthropology At a moment when the news cycle presents the dangers of Trumpian authoritarianism through disjointed and discrete hottakes Giroux s wide reaching analysis accounts for our current American nightmare with necessary historical context and in so doing creates an aperture for resistance more meaningful than a hashtag Natasha Lennard contributing writer for The Intercept co editor of Violence Humans in Dark Times Ourselves ,1918
