The Game Of Deception:

The Game of Deception Destined, 2005-07-01 Jade listens to Oprah's guest speaker and decides to forfeit her dull life in Florida and head to New York to become a writer. Little does she know what her price will be for playing The Game of Deception. Tony sees a woman across the room who catches his eye. He obsesses over her only to find out that she's already in every aspect of his life. He thinks that one little lie won't throw him into The Game of Deception but now he's in too deep. The Game of Deception intertwines not only Jade and Tony but other characters as well in order to weave intricate webs of trickery that invite more people in while killing off others who have served their purpose and brought the ultimate choice of wrong versus right to the surface. Everyone is given a choice but when you choose to deceive you must play by his rules and this is The Game of Deception.

The Game Of Deception Zhe'laja McCabe, 2020-12-30 Research developer Patricia Maxwell partners with Davosk L Richards the creator of The Game Of Deception to observe six random people from all around the world. During this 72 hour period all participants will stay in a mini mansion located in Kettering Ohio. As a part of the study each participant will receive ten thousand dollars and the winner of the game wins a total of fifty thousand dollars. Davosk L Richards believe that his game will build bonds between all types of people as well as enhance one's social development. The creative fella also believes that people will become more acceptant to the things most wouldn't and he argues that human instinct can become dangerous when one's back is against a wall. People all around the world have signed up but only six were selected. Meet Ezekiel Henderson from Panama, Jamison Carter from Detroit Michigan, Mi Asia Carson from Cincinnati Ohio, Kiara Tobbs from Phoenix Arizona, Seyni Oukui from Nigeria and Sasha Dunlap from Chicago Illinois.
