Black Newspapers and America's War for Democracy, 1914-1920 William G. Jordan, 2003-01-14 During World War I the publishers of America s crusading black newspapers faced a difficult dilemma Would it be better to advance the interests of African Americans by affirming their patriotism and offering support of President Wilson s war for democracy in Europe or should they demand that the government take concrete steps to stop the lynching segregation and disfranchisement of blacks at home as a condition of their participation in the war This study of their efforts to resolve that dilemma offers important insights into the nature of black protest race relations and the role of the press in a republican system William Jordan shows that before during and after the war the black press engaged in a delicate and dangerous dance with the federal government and white America at times making demands or holding firm sometimes pledging loyalty occasionally giving in But although others have argued that the black press compromised too much Jordan demonstrates that given the circumstances its strategic combination of protest and accommodation was remarkably effective While resisting persistent threats of censorship the black press consistently worked at educating America about the need for racial justice **Creating the Modern Man** Tom Pendergast, 2000 Pendergast traces the shift in US periodicals from Victorian masculinity which valued character integrity hard work and duty to modern masculinity which valued personality self realization and image Arguing

that the rise of mass consumer culture was a key factor in the change he describes how such magazines as American Magazine Esquire and True presented masculinity in ways that reflected the magazines relationship to advertisers contributors and readers Annotation copyrighted by Book News Inc Portland OR Freedom Facts and Firsts Jessie Carney Smith, Linda T Wynn, 2009-01-01 Spanning nearly 400 years from the early abolitionists to the present Freedom Facts and Firsts 400 Years of the African American Civil Rights Experience profiles more than 400 people places and events that have shaped the history of the black struggle for freedom Covering such mainstay figures as Martin Luther King Jr Malcolm X and Rosa Parks as well as delving into how lesser known figures contributed to and shaped the history of civil rights Freedom Facts and Firsts chronicles the breadth and passion of an entire people s quest for freedom Among the inspiring stories found in this comprehensive resource are How the Housewives League of Detroit started a nationwide movement to support black businesses helping many to survive the Great Depression What effect the sports journalist Samuel Harold Lacy had on Jackie Robinson s historic entrance into the major leagues How the 9th and 10th Calvary and the 24th and 25th Infantry became known as the Buffalo Soldiers a term of respect and endearment How Whoopi Goldberg survived poverty drug addiction single parenthood and a welfare income and used her personal history to take a satirical look at social issues How world champion bicyclist Marshall Major Taylor was the first American born black champion in any sport How in 1890 John Mercer Langston became the first black U S congressman elected from his native state of Virginia This inspiring resource offers an encouraging look at the historic struggles and triumphs of black men and women in politics arts music journalism law social work and sports the authors chart a full and inspiring history of African American activism *Out of the Shadows* David K. Wiggins, 2008-02-01 The original essays in this comprehensive collection examine the lives and sports of famous and not so famous African American male and female athletes from the nineteenth century to today Here are twenty insightful biographies that furnish perspectives on the changing status of these athletes and how these changes mirrored the transformation of sports American society and civil rights legislation Some of the athletes discussed include Marshall Taylor bicycling William Henry Lewis football Jack Johnson Satchel Paige Jesse Owens Joe Lewis Alice Coachman track and field Althea Gibson tennis Wilma Rudolph Bill Russell Jim Brown Arthur Ashe Michael Jordan Tiger Woods and Venus and Serena Williams The New Abolition Gary Dorrien, 2015-09-29 The black social gospel emerged from the trauma of Reconstruction to ask what a new abolition would require in American society It became an important tradition of religious thought and resistance helping to create an alternative public sphere of excluded voices and providing the intellectual underpinnings of the civil rights movement This tradition has been seriously overlooked despite its immense legacy In this groundbreaking work Gary Dorrien describes the early history of the black social gospel from its nineteenth century founding to its close association in the twentieth century with W E B Du Bois He offers a new perspective on modern Christianity and the civil rights era by delineating the tradition of social justice theology and activism that led to Martin Luther King Jr **Thomas**

Dixon Jr. and the Birth of Modern America Michele K. Gillespie, Randal L. Hall, 2009-08 Thomas Dixon Jr is best remembered as the author of the racist novels that served as the basis for D W Griffith's controversial 1915 classic film The Birth of a Nation He also enjoyed great renown during his lifetime as a minister lecturer lawyer and actor In Thomas Dixon Jr and the Birth of Modern America distinguished scholars of religion film literature music history and gender studies offer a provocative examination of Dixon's ideas personal life and career and in the process illuminate the evolution of white racist ideas in the early twentieth century and their legacy

The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed

Apocalyptic Rhetoric and the Black Protest Movement Aaron Pride, 2023-12-06 Apocalyptic Rhetoric and the Black Protest Movement offers a challenging new formulation of African American religious culture by asserting that African American Christianity produced a militant millennialist movement that invoked the apocalypse the kingdom of God and the end of the world to compel Black people to oppose racial injustice in the early twentieth century In this account of the Black civil rights movement in Boston in the early twentieth century Aaron Pride argues that the apocalyptic rhetoric and millennial imagery disseminated from the Boston Guardian by William Monroe Trotter cast Booker T Washington and other opponents of Black protest as false prophets biblical villains and harbingers of the end times By placing Black Christianity at the center of Black civil rights activism in the early twentieth century this book provides a seminal interpretation of the emancipatory capacity of religion as cultural and intellectual force in social and political movements This book will be of interest to scholars of cultural history Black studies and the history of religion

the leading separatists and integrationists of his day He berated Marcus Garvey for giving up on America and urging blacks to pursue a separate destiny He also rejected Walter White's insistence that integration was the best way to promote the advancement of black people Du Bois felt that American blacks should be full fledged Americans with all the rights of other American citizens However he believed that they should also preserve and develop enough racial distinctiveness to enable them to maintain and foster a sense of racial identity community and pride Du Bois and His Rivals shows that Du Bois stood for much more than protest against racial oppression He was also committed to pluralism and his pluralism emphasized the importance of traditional standards and of internal cooperation within the black community Anyone interested in the civil rights movement black history or the history of the United States during the early twentieth century will find this book valuable

Defining the Struggle Susan D. Carle, 2015 This book punctures the myth that important national civil rights organizing in the United States began with the NAACP showing that earlier national organizations developed key ideas about law and racial justice activism that the NAACP later pursued

African American History Day by Day Karen Juanita Carrillo, 2012-08-22 The proof of any group's importance to history is in the detail a fact made plain by this informative book's day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool

The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. I Robert A. Hill, Marcus Garvey, Universal Negro Improvement Association, 1983-11-04 Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey 1887-1940 Volumes I-VII of the Marcus Garvey and Universal Negro Improvement Association Papers chronicled the Garvey movement that flourished in the United States during the 1920s Now the long awaited African volumes of this edition Volumes VIII and IX and a forthcoming Volume X demonstrate clearly the central role Africans played in the development of the Garvey phenomenon The African volumes provide the first authoritative account of how Africans transformed Garveyism from an external stimulus into an African social movement They also represent the most extensive collection of documents ever gathered on the early African nationalism of the interwar period Here is a detailed chronicle of the spread of Garvey's call for African redemption throughout Africa and the repressive colonial responses it engendered Volume VIII begins in 1917 with the little known story of the Pan African

commercial schemes that preceded Garveyism and charts the early African reactions to the UNIA Volume IX continues the story documenting the establishment of UNIA chapters throughout Africa and presenting new evidence linking Garveyism and nascent Namibian nationalism
