The Hebron File J. C. Avigad, 2005-07-01 It is 1910 along the rain drenched coast of Washington state Felton Connelly is trying to run from a past that haunts him A past that took the lives of his wife and two children His dedication to being a police officer kept him from being there that night to save his family He vowed to never do police work again Until his friend Nolan Delford an Aberdeen Washington detective talks him into working undercover A reluctant but capable Connelly agrees to aid Delford in his quest to bring one Billy Gohl an Aberdeen thug to justice Gohl is suspected of murder and dumping the bodies into Grays Harbor Many of the corpses have surfaced in the harbor with empty pockets heads bashed in and a bullet hole between the eyes Two women vie for Connelly s attention One of great beauty the other a plain but strong young widow with two sons whose husband was done away with by Billy Gohl Not only must Connelly bring Gohl to justice but he also must choose which woman he wants If his haunted past doesn t get in the way **The Alster Files** Joseph Alster, 2001

Networks of Power in Palestine Harel Chorev-Halewa,2019-02-28 Informal networks are an elusive and hidden factor in every society In the Middle East the Arab Spring recently highlighted their power and scope from Iraq to Morocco exposing how family and clan networks wield influence behind institutional facades While many studies of Middle Eastern societies solely analyse formal structures and official governing bodies this book illuminates longstanding informal social systems by examining the sociopolitical history of the Palestinian highlands known from 1950 as the West Bank By studying family based networks in cities like Jerusalem Nablus and Hebron Harel Chorev Halewa shows how their influence has receded more slowly and less dramatically in recent generations than is commonly believed He also connects individual elite families to the broader landscape of informal networks comprising inter familial alliances collective economic systems Sufi orders and customary law all of which make up the unseen familial order Unfolding chronologically this book spans a period of immense change from the Late Ottoman period to the present day asking How did Palestinian informal networks adapt to new realities Why and how did they endure And what does this say about modern Palestinian national politics in particular and Arab societies in general Offering an original and innovative look at informal networks in Palestine this study is of crucial importance to scholars of Middle East studies Palestine studies political science and anthropology
