**Revel with a Cause** Stephen E. Kercher,2010-06-15 We live in a time much like the postwar era A time of arch political conservatism and vast social conformity A time in which our nation s leaders question and challenge the patriotism of those who oppose their policies But before there was Jon Stewart Al Franken or Bill Maher there were Mort Sahl Stan Freberg and Lenny Bruce liberal satirists who through their wry and scabrous comedic routines waged war against the political ironies contradictions and hypocrisies of their times Revel with a Cause is their story Stephen Kercher here provides the first comprehensive look at the satiric humor that flourished in the United States during the 1950s and early 1960s Focusing on an impressive range of comedy not just standup comedians of the day but also satirical publications like MAD magazine improvisational theater groups such asSecond City the motion picture Dr Strangelove and TV shows like That Was the Week That Was Kercher reminds us that the postwar era saw varieties of comic expression that were more challenging and nonconformist than we commonly remember His history of these comedic luminaries shows that for a sizeable audience of educated middle class Americans who shared such liberal views the period s satire was a crucial mode of cultural dissent For such individuals satire was a vehicle through which concerns over the suppression of civil liberties Cold War foreign policies blind social conformity and our heated racial crisis could be productively addressed A vibrant and probing look at some of the

most influential comedy of mid twentieth century America Revel with a Cause belongs on the short list of essential books for anyone interested in the relationship between American politics and popular culture Benton Mackaye Larry Anderson, 2021-04-27 The life of the visionary conservationist who created the Appalachian Trail is chronicled in this first rate biography of a unique American thinker Mark Harvey Journal of American History Born in 1879 Wilderness Society cofounder Benton MacKaye was a pioneer in linking the concepts of preservation and recreation Spanning three quarters of a century his career had a major impact on emerging movements in conservation environmentalism and regional planning MacKaye s seminal ideas on outdoor recreation wilderness protection land use planning community development and transportation have inspired generations of activists professionals and adventurers seeking to strike a harmonious balance between human need and the natural environment This pathbreaking biography provides the first complete portrait of this significant figure in American environmental intellectual and cultural history Drawing on extensive research Larry Anderson traces MacKaye s extensive career examines his many published works and describes the importance of MacKaye s relationships with such influential figures as Lewis Mumford Aldo Leopold and Walter Lippmann **The Twilight Warriors** Robert Gandt, 2011-11-08 Winner of the 2011 Samuel Eliot Morison Award for Naval Literature The Twilight Warriors is the engrossing page turning saga of a tightly knit band of naval aviators who are thrust into the final and most brutal battle of the Pacific war during World War II Okinawa April 1945 The end of World War II finally appears to be nearing The Third Reich is collapsing in Europe and the Americans are overpowering the once mighty Japanese Empire in the Pacific For a group of young pilots trained in the twilight of the war their greatest worry is that it will end before they have a chance to face the enemy They call themselves Tail End Charlies They fly at the tail end of formations stand at the tail end of chow lines and now they are catching the tail end of the war What they don t know is that they will be key players in the bloodiest and most difficult of naval battles not only of World War II but in all of American history The Twilight Warriors relives the drama of the world s last great naval campaign From the cockpit of a Corsair fighter we gaze down at the Japanese task force racing to destroy the American amphibious force at Okinawa Through the eyes of the men on the destroyers assigned to picket ship duty we experience the terror as wave after wave of kamikazes crash into their ships Standing on the deck of the legendary superbattleship Yamato we watch Japan s last hope for victory die in a tableau of gunfire and explosions The fate of the Americans at Okinawa including a twenty two year old former art student an intrepid fighter pilot whose life abruptly changes when his Corsair goes down off the enemy shore and a young Texan lieutenant who volunteers for the most dangerous flying job in the fleet intercepting kamikazes at night over the blackened Pacific is intertwined with the lives of the young gods the honor bound kamikazes forces who swarm like killer bees toward the U S ships The ferocity of the Okinawa fighting stuns the world Before it ends the long battle will cost more American lives ships and aircraft than any naval engagement in U S history More than simply the account of a historic battle The Twilight Warriors brings to life the human

side of an epic conflict It is the story of young Americans at war in the air and on the sea and of their enigmatic fanatically courageous enemy

**Almost a Family** John Darnton, 2012-04-03 From the Pulitzer Prize winning journalist and best selling author a beautifully crafted memoir of his lifelong chase after his father's shadow John was eleven months old when his father Barney Darnton a war correspondent for The New York Times was killed in World War II John's mother a well known reporter and editor perpetuated a myth of Barney as a hero who gave his life for his family country and the fourth estate Decades after his father's death John and his brother the historian Robert Darnton began digging into the past to discover who the real life Barney Darnton was When they did they found a man who was far different from the story they had grown up with Intensely moving and vividly descriptive Almost a Family is the compelling story of one man's search for the truth
