## **The Hidden Life Of The Prophet Muhammad:**

**The Hidden Life of the Prophet Muhammad** A. A. Ahmed, 2006-02 It is very rare to find a book in the academic circles and public libraries that speaks about Muhammad of history Most of the books today tell you about Muhammad of faith the founder of Islam In this book I am presenting Muhammad of history his life wars and teachings My accounts are based on the Mothers of the Islamic Books 1 the writings of the Egyptian Muslim liberal thinker Sayyid Mahmoud Al Qimni and the views of some modern Muslim and non Muslim writers What is written in the Mothers of the Islamic Books is called Al Maskoot Anho which means information that people Muslims and non Muslims are not supposed to hear and know Very few ulama or Muslim Scholars of al Azhar al Sharif University read these accounts and hardly speak about them even to one another However modern Egyptian Muslim writers such as Sayyid Mahmoud al Qimni Faraj Foda and Nasr Hamid Abu Zayd endangered their lives by breaking the seals of these books and revealing to the public information about Muhammad that they have never heard before For this reason Faraj Foda was shot dead in front of his office in Cairo Nasr Hamid Abu Zayd fled out of Egypt to escape the death penalty and Sayyid Mahmoud al Qimni was forced to recant all his writings Unfortunately before the outside world would get chance to read their works these writers were silenced through murder terrorization and death threat and their writings are banned in the Muslim world Besides that none of their books have been translated into English or any other western languages In this book I am presenting the reader with the most important contributions of Dr Sayyid Mahmoud al Qimni Accordingly although many books are written about the life and teachings of the Prophet Muhammad however this book is unique because it reveals things you have never heard before and you are not likely to get them in any other biographies of Muhammad No matter what religious background you come from this book is going to change your understanding of Islam and give you better insight into our world today It is a book with no disguises that takes you deep into the life teachings and wars of the Prophet Muhammad The Author Dr A A Ahmed October 21 2005 1 The Mothers of the Islamic Books are books approved by Al Azhar al Sharif University in Cairo Egypt Al Azhar University is the oldest largest and most prestigious religious university in the Muslim world It controls the religious life of the Sunni Muslims around the world 85% of the Muslims in the World are Sunni Muslims      The Secret Life of Another Indian Nationalism Shail Mayaram, 2022-06-16 Nationalism is among the most influential ideas that has shaped the Metamorphoses of the Political in the long twentieth century This book focuses on exclusivist Indian nationalism and identifies its distinction from inclusivist nationalism It highlights shifts in another Indian nationalism over the last two centuries as the geopolitical context has transitioned from the Pax Britannica to the Pax Americana and its war on terror The books braids the following three strands together first a majoritarian nationalist ideology called Hindutva second the making of popular history as a precolonial epic is highlighted depicting the defeat of the last Hindu Emperor by a conquering Muslim Sultan purportedly leading to eight centuries of Hindu enslavement and third the reconversion of a community by the Visva Hindu Parishad with

consequences for Lived Hinduism and Indic civilisation with its complex identities

**The Secret Life of Theater** Brian Kulick, 2019-01-08 What is the secret DNA of theater What makes it unique from its sister arts Why was it invented Why does it persist And now in such an advanced technological age why do we still feel compelled to return to a mode of expression that was invented over two thousand years ago These are some of the foundational questions that are asked in this study of theater from its inception to today The Secret Life of Theater begins with a look at theater s origins in Ancient Greece Next it moves on to examine the history and nature of theater from Agamenon to Angels in America through theater s use of stage directions revealing the many unspoken languages that are employed to communicate with its audiences Finally it looks at theater s ever shifting strategies of engendering fellow feeling through the use of emotion allowing the form to become a rare space where one can feel a thought and think a feeling In an age when many studies are concerned with the how of theater this work returns us to theatre s essential why The Secret Life of Theater suggests that by reframing the question we can re enchant this unique and ever vital medium of expression

**The Secret Life of War** Peter Beaumont, 2009-09-01 A provocative story of war that offers rare insight into the real effects of conflict on civilians reporters and societies themselves Once it was simple to write about war States or ideologies clashed battles were fought between national armies or movements But war has changed War has become privatized by small armed groups states have fragmented and the conventional arms of the West are found wanting against warlordism Drawing on the author s experiences as a foreign correspondent in the world s most dangerous places The Secret Life of War focuses on the human cost of war to the combatants to civilians and to the author as one who bears witness Every encounter is arresting a visit to the bombed and abandoned home of Mullah Omar a deserted Al Qaeda camp where a plan to attack London is found young bomb throwers in Rafah refugee camp Unflinching and exquisitely written The Secret Life of War goes beyond classic reportage it is a deeply personal and defining vision of the inner secret nature of modern war

Andrew,2018-01-01 The first ever detailed comprehensive history of intelligence from Moses and Sun Tzu to the present day The history of espionage is far older than any of today s intelligence agencies yet the long history of intelligence operations has been largely forgotten The codebreakers at Bletchley Park the most successful World War II intelligence agency were completely unaware that their predecessors in earlier moments of national crisis had broken the codes of Napoleon during the Napoleonic wars and those of Spain before the Spanish Armada Those who do not understand past mistakes are likely to repeat them Intelligence is a prime example At the outbreak of World War I the grasp of intelligence shown by U S President Woodrow Wilson and British Prime Minister Herbert Asquith was not in the same class as that of George Washington during the Revolutionary War and leading eighteenth century British statesmen In this book the first global history of espionage
