Smoking Jimi Chad Peery,2009-04 It s 1999 the year we were supposed to party and with Smoking Jimi former rock musician Chad Peery Steppenwolf Bob Welch cooks up one wild 90 s flavored road adventure stuffed with enough sex drugs rock n roll and over the top perversion to satisfy any craving The recipe begins with Brad Wilson a heart broken down on his luck photographer who was once the guitarist and leader of a 70 s band with a single hit record Add to that the crooked manager who disappeared with their money and got the band blacklisted stir in the bassist who is now a monk at a hermitage and then oh so carefully blend in the crazy drummer a recluse living in a mountain cabin bristling with guns and posters Broil these road warriors inside the gilded oven of an obscenely wealthy and highly perverse South American eccentric and you have a full flavored road adventure that starts off like a slow blues and finishes with a full blast volume on 11 head thrashing smash the guitars ending So Bunky the van s ready to roll are you coming It Can't Get Better Than This Randy

O'Neal,2024-07-02 Currently there seems to be a growing nostalgia for simpler times even a push to return to some of the old ways Recent TV shows and books evidence this fact So many of Randy s stories center around rural life hard work in the corn and cotton fields sawmills turpentine woods family dramas church revivals births deaths school days and numerous other aspects of community life I am certain that any person who grew up anywhere in rural America in the 1940s 1950s and even 1960s would have stories very similar only the place and names would change His writings arrive at a perfect time when interest is high to preserve things of days gone by Randy s many family stories and musings will provide all of us far and wide with many hours of joyous and inspiring reading Dr Larry V Turner Urban Space and Late Twentieth-Century New York Literature C. Neculai,2014-03-06 Interdisciplinary in nature this project draws on fiction non fiction and archival

material to theorize urban space and literary cultural production in the context of the United States and New York City Spanning from the mid 1970s fiscal crisis to the 1987 Market Crash New York writing becomes akin to geographical fieldwork in this rich study **Rhino's Psychedelic Trip** Alan Bisbort, Parke Puterbaugh, 2000-10 Readers are invited to take a time trip through the mind blowing era of psychedelics with this illustrated narrative peppered with personal recollections about rock music and radical culture Includes rare photos of players album covers and record labels 200 photos some in color **Prizefighting** Arne K. Lang, 2014-09-17 This work brings a fresh perspective to the history of modern prizefighting a sport which has evolved over several centuries to become one of mankind s most lasting and valued sporting attractions With his primary focus outside the ropes the author shows how organizers publicity agents and political allies overcame both legal and moral roadblocks to make fisticuffing a lively commercial enterprise The book begins with the clandestine bare knuckle fights in eighteenth century London and ends with the vibrant large scale productions of modern Las Vegas fight nights Along the way he explains many of the myths about antiquarian prizefighters describes the origins of slave fight folklore and examines the forces that transformed Las Vegas into the world s leading venue for important fights
