The Fascinated God:

The Fascinated God Robert E. Zinser, 2003-10 I loved her inasmuch as day one and when day two came I married her on day three she made me a gallant father to three beautiful kids On day four we sat on our porch and watch our grand children play hide and seek When day five arrived she planted a kiss on my lips before she floated up the sky On day five and a quarter my heart could no longer exist a second without saliva from a soul mate when day five and a half and seven seconds came I accepted her hands for a prom dance in heaven Now every morning we lay under our first date bridge with anticipation we watch legend sun rise with a kiss *The Fascinating Story of Muhammad* Ahmad Shameem, 2014-01-09 Ali Sina a great expert of Islam wrote about this book This is a great book I read the first thirty pages and I could not stop This book must be translated in all languages and become available to all Narrating the story in the gripping way of a good novel it tells about Muhammad his believer and unbeliever tribal relatives the Qur'an and the Arabian society of the period as truthfully and originally as the oldest Arab records make it possible It does not fail to shock and surprise when one finds that during his twenty three years of apostolate Muhammad arranged for banditry raids secret assassinations ransom taking kidnappings slave trading ethnic cleansing inter tribal wars and murderous expeditions Of these raids the number of well recorded and documented discussed by the Qur'an itself is thirty eight Muhammad personally took part in twenty seven raids and battles in nine of which he was directly engaged in killing These were the battles of Badr Uhud Ahzaab Hunayn and Ta'if the massacres of the Qurayza and the Khyber Jews the surprise raid on the Mustalaq and the occupation of Mecca History tells us that many kings started as bandits and came to rule vast territories If Muhammad had claimed that he was a king one could place him amongst the greatest of kings but the surprise lies in his claim that he was God's most favourite and final prophet If prophets were to kill and plunder sell slaves hold captives for ransom allow rape of slave women and develop systems of extortion how does one differentiate between a Godly man and a king **The Fascinating Life and Theory of**

Pleasures of Loving God is a call to accept God's all encompassing love for you something that is already yours not anything that you have to earn or win *Love Language of God* James W. Sheets, 2011-02-01 Author James Buddy Sheets gives a clear picture of the love of God as He intends for us to understand it In the busyness and activity of our modern lives it is easy to forget that love relationship that the Lord so desires to have with every believer A clear image of that loving relationship between Christ and His Bride the church is outlined here for those who would like to have a closer more intimate relationship with the Savior Don't let that intimate relationship with Jesus get lost in the everyday hubbub of life *The Fascination with Unknown Time* Sibylle Baumbach, Lena Henningsen, Klaus Oschema, 2017-11-01 This volume explores unknown time as a cultural phenomenon approaching past futures unknown presents and future pasts through a broad range of different disciplines media and contexts As a phenomenon that is both elusive and fundamentally inaccessible time is a key object of fascination Throughout the ages different cultures have been deeply engaged in various attempts to fill or make time by developing strategies to familiarize unknown time and to materialize and control past present or future time Arguing for the perennial interest in time especially in the unknown and unattainable dimension of the future the contributions explore premodern ideas about eschatology and secular future historical configurations of the perception of time and acceleration in fin de siècle Germany and contemporary Lagos the formation of deep time and timelessness in paleontology and ethnographic museums and the representation of time past present and future alike in music film and science fiction *The Ecclesiastical Review*, 1916 *May This Be the Year*, *Aquinas and the Early Chinese Masters* Joshua Brown, Joshua R. Brown, 2024 *Aquinas and the Early Chinese Masters* lays intellectual foundations for the integration of Chinese philosophy into Catholic theology Although Catholic theology in Chinese contexts has drawn upon Chinese philosophical concepts few have attempted to develop a rigorous systematic approach to testing what in the Chinese philosophical traditions can be fruitful or unfruitful for Catholic theological expression This book attempts to model such an approach by engaging classical Chinese philosophy with the mind and spirit of St Thomas Aquinas who read Aristotle and other pagan philosophers with both charitable appreciation and a firm critical eye It applies this Thomistic lens through concrete comparative engagements with three main representatives of early Chinese philosophy Mencius Mengzi Xunzi and Mozi In each chapter the book presents Aquinas thought as an evaluative frame for perceiving how Chinese philosophical commitments and concepts do or do not seem fit for adoption into Catholic theological science Following the general structure of the *Summa theologiae* the book is comprised of six chapters touching on the doctrine of God morality and Christology The first two chapters engage Confucian master Mengzi's notion of Heaven Tian and then the Mohist doctrine of Heaven's Will Tian zhi Chapter three provides a Thomistic assessment of the two main positions in the classical Confucian debate on the goodness of man's moral nature renxing Chapter four compares Aquinas account of charity and Mozi's doctrine of universal love jian ai Chapter 5 offers a Thomistic assessment of the possibility of understanding Christ in terms of Xunzi's sage shengren Finally Chapter 6 explores Christ as a
