**The Father's Eternal Freedom** Dario Chiapetti, 2022-06-30 John Zizioulas is renowned for his controversial reflection on the ontological freedom as the cause and cipher of God's being which also has important implications for anthropology ecclesiology and ecumenical dialogue This view is bound up with a personalist conception of the Trinity recognised in the teaching of the Greek Church Fathers in which the person represents the primary ontological category In particular Zizioulas shows how by virtue of the Father personhood coincides with absolute freedom In *The Father's Eternal Freedom* Dario Chiapetti explores this ontology Taking into account Zizioulas epistemological principles his patristic reading and his theological development the author systematically presents Zizioulas thesis verifying its conformity to dogma and its internal coherence Chiapetti analyses how Zizioulas proposal brings back to the centre of systematic theology the teaching of the Greek Fathers especially the Cappadocians and the apophatic horizon of dogmatic reflection Such reflection pushes the discourse on God to its maximum degree identifying and bringing out rather than resolving or attenuating the aporetic terms that structure it

Somchai, 2025-08-19 Children born to American fathers with Asian mothers during the Vietnam War were labeled Amerasian Usually they were abandoned by their fathers Somchai the author of this book invites you to visualize the problems these children face in this memoir in which he recalls leaving his Thai girlfriend while he was serving in Southeast Asia after being drafted during the Vietnam War When he left Thailand he had his doubts about being the father as he served two separate tours of duty and discovered that his girlfriend had acquired a new boyfriend between his first and second tours of duty But as someone who knew what it meant to be fatherless he never liked the idea of putting a child in that same predicament Therefore with a heart of compassion for fatherless children he wrote this book to encourage those children who like the daughter he ultimately embraced have often had to navigate life alone Join the author as he shares an inspiring story of how he made his way back to his daughter after being absent for thirty seven years *The Popular Handbook on the Rapture*

Tim LaHaye, Thomas Ice, Ed Hindson, 2012-05-01 Why is there so much confusion about how and when the rapture will take place What does the Bible say for certain about this event When will the Tribulation occur and who will face it There is a lot of discussion among Christians about the rapture and the last days Why all the different views And how do those perspectives line up with Scripture Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God's Word for the answers In this book readers will discover what they can know for certain And as they consider the things that still remain uncertain they will gain a renewed trust that God knows what He is doing His plan is perfect and it will unfold in His timing An easy to understand resource that provides much needed clarification about the end times [Provisions of State Laws and Other Data Relating to Wage Garnishment, Attachment and Assignment, and](#)
