Gilsdorf, 2014-03-06 The Favor of Friends offers the first book-length exploration of intercession aid and advocacy by one individual or group in behalf of another within early medieval aristocratic societies Drawing upon a variety of disciplines and historiographical traditions Sean Gilsdorf demonstrates how this process operated and how it was ideologically elaborated in Carolingian and Ottonian Europe allowing individuals and groups to leverage their own limited interpersonal networks to the fullest produce new relationships gain access to previously closed spaces and generate interest in their agendas from those able to effect change The Favor of Friends enriches our understanding of early medieval politics and rulership offering a model of political interaction in which hierarchy and comity do not stand in ideological and pragmatic tension but instead work in integrated and mutually reinforcing ways

Refusing the Favor Deena J. Gonzalez,1999-11-04 Refusing the Favor tells the little known story of the Spanish Mexican women who saw their homeland become part of New Mexico A corrective to traditional narratives of the period it carefully and lucidly documents the effects of colonization looking closely at how the women lived both before and after the United States took control of the region Focusing on Santa Fe which was long one of the largest cities west of the Mississippi Deena Gonz lez demonstrates that women s responses to the conquest were remarkably diverse and that their efforts to preserve their culture were complex and long lasting Drawing on a range of sources from newspapers to wills deeds and court records Gonz lez shows that the change to U S territorial status did little to enrich or empower the Spanish Mexican inhabitants The vast majority in fact found themselves quickly impoverished and this trend toward low paid labor particularly for women continues even today Gonz lez both examines the long term consequences of colonization and draws illuminating parallels with the experiences of other minorities Refusing the Favor also describes how and why Spanish Mexican women have remained invisible in the histories of the region for so long It avoids casting the story as simply bad Euro American migrants and good local people by emphasizing the concrete details of how women lived It covers every aspect of their experience from their roles as businesswomen to the effects of intermarriage and it provides an essential key to the history of New Mexico Anyone with an interest in Western history gender studies Chicano a studies or the history of borderlands and colonization will find the book an invaluable resource and guide

Lundbom, 2014-08-18 This book seeks to place before a broad audience of students and general readers theological essays on both the Old and New Testaments Theology is seen to derive from a number of sources the biblical language biblical rhetoric and composition academic disciplines other than philosophy and above all a careful exegesis of the biblical text The essay on Psalm 23 makes use of anthropology and human development theory the essay on Deuteronomy incorporates Wisdom themes the essay called Jeremiah and the Created Order looks at ideas not only about God and creation but also about the seldom considered idea of God and a return to chaos the essay on the Confessions of Jeremiah examines not words this extraordinary prophet was given by God to preach but what he himself felt and experienced in the office to which he was called Other essays argue that theology is rooted in biblical words in and of themselves and in context and in

rhetoric where the latter must also include composition One essay on Biblical and Theological Themes includes a translation into the African language of Lingala Saint Paul Elliott C. Maloney,2014-02-28 In Saint Paul Elliott C Maloney explores what the great saint says about the spiritual life the how to in the day to day activities and concerns of Christians How should people live in covenant relationship with God committed to seeking God s will in every aspect of their lives Spirituality is a popular topic but it is regarded as merely one part of life some higher level of living when compared to ordinary living Even Catholic scholarship Maloney argues notable as it is in Pauline exegesis and theology seems to lack a feel for the overall kind of living that Paul wanted for his communities not to mention how we might appropriate such wisdom for today For Paul all of a believer s life is spiritual life The alternative is a life according to the flesh a self centered life without God a continual spiritual death Based on over forty years of teaching and study of the Pauline letters Maloney s Saint Paul offers a rich vision of Christianity and the spiritual life in Christ *The Hymns of Saint Luke* Richard J. Dillon,2023-07-21 The four canticles of Luke s birth story the Magnificat Benedictus Gloria in excelsis and Nunc dimittis are taken to be integral components of the narrative and a sustained lyrical prelude to the author s two volume historical work Each composition is analyzed in three steps proximate context text and macrocontext the last displaying in each case a graded contribution to the cumulative preview of Luke s overall argument that the songs constitute The summary impression made by this argument is of the author s decisive role in the creation of these passages of which save perhaps for the Benedictus his is the originating hand

Halligan,2004-10-07 Making full use of the new Code of Canon Law recent conciliar documents and pertinent ecclesiastical directives this work brings together into one handy volume a wealth of information along with authorized norms whereby priests and aspirants to the ministry may be safely guided in the lawful and reverential celebration of the sacraments The author is a recognized expert in the area of pastoral theology and canon law and as such brings to this book the qualifications

which promise to make it a standard reference work in its field *A Preface to Romans* Christopher Bryan, 2000 Bryan approaches St Paul's letter to the Romans with a number of aims in view First he wants to show which literary type or genre would have been seen by Paul's contemporaries as being exemplified in the letter He also attempts to determine what we can surmise of Paul's attitude and approach to the Jewish bible The study involves discussion of and comparison with other literature from Paul's time place and milieu including other writings attributed to Paul *The Complete Works of C. H. Spurgeon, Volume 39* Spurgeon, Charles H., Volume 39 Sermons 2289-2341 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon's legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon
