The Fearful Fifties:

Fear of Fifty Erica Jong, 2006-09-07 Seducing the Demon has introduced Erica Jong to readers who hadn't been born when Fear of Flying was published in 1973. Now one of her finest works of nonfiction and a New York Times bestseller is back in print with a new afterword. In Fear of Fifty a New York Times bestseller when first published in 1994, Erica Jong looks to the second half of her life and goes right to the jugular of the women who lived wildly and vicariously through Fear of Flying. Publishers Weekly delivering highly entertaining stories and provocative insights on sex, marriage, aging, feminism, and motherhood. What Jong calls a midlife memoir is a slice of autobiography that ranks in honesty, self-perception, and wisdom with works by Simone de Beauvoir and Mary McCarthy. wrote the Sunday Times U.K. Although Jong's memoir of a Jewish American princess is wittier than either **The Pilgrim's Progress ... The Fifty Fourth Edition. Pt. 1-3** John

Bunyan, 1773 Fancies of Fifty Years Virginius Hutchen, 1890 *Fifty Ways of Letting Go* Robert Kando Cornell, 2017-02-21 Robert Cornell has written a wise and practical book for our times. A book that beautifully integrates psychological health and well-being with a genuine spiritual path. Roshi Robert Joshin, Althouse Zen Life Meditation Center, Chicago. This is a book that bears witness to a life-long journey of intense self-understanding and is an exquisite exploration of the oft-heard spiritual injunction to let go. I say intense and exquisite because you will be stunned by the subtle layers of the human psyche that Robert has beautifully unpacked and articulated in a way that will give every authentic pilgrim of the human experience some new territory to ponder and explore. John Dephouse, Associate Priest, All Saints Episcopal Church, Pasadena, CA **The Christian's Sunday Evening. [Fifty-two Sermons.]** George Ayliffe Poole, 1835 Fifty Years of Anthropology and Education 1950-2000 George and Loui Spindler, 2000-06 Brings together seminal articles by the Spindlers, widely regarded as the founders of educational anthropology, and binds them together with a master commentary by George Spindler. Presents a unified view of the Spindlers' work, development of the field. *Three Hundred and Fifty Portions of the Book of Psalms, selected from various versions ... Twenty-fourth thousand. The Life of Love: An Invitation: Fifty-two Reflections on Emotional and Spiritual Healing Sharon Southwell, 2014-10-26 Is love the place where psychological observation and spiritual wisdom about healing meet? If love is associated with healing of all sorts, how do I more consciously set about to grow in love, seeking healing for myself and for my neighbours, community, and world? How do I encourage others in their journeys into love? Drawing on a broad Christian heritage, a deep respect for the insights of other religious and spiritual traditions, and two decades of work in welfare and clinical settings, psychologist Sharon Southwell encourages spiritual seekers of all backgrounds to consider these questions for themselves. Structured in 52 Reflections, each followed by Invitations, *The Life of Love* invites you to grow in love by embracing life, giving connection to yourself, to others, your community, to art, nature, and to your ultimate context, whether you experience this as God or as some other immanent or transcendent spiritual connection.
