The Feminine In Jungian Psychology And In Christian Theology Paperback By:

The Feminine in Jungian Psychology and in Christian Theology Ann Belford Ulanov, 1971 The Feminine in Jungian Psychology and in Christian Theology investigates the implications for Christian theology of Jung's special insights into the feminine. In it Ann Belford Ulanov gathers together in one volume what Jung and Jungians have discovered about the feminine in order to explore what Jungian thought and methods may illuminate about the place of the feminine in Christian theology. Jung focuses on the human person and sees as central its mixture of masculine and feminine elements. In a time when so much is asserted and written about women in society their rights, roles, identities, needs, and contributions, it is especially significant that Jung asserts the existence of the feminine as a key element not only in women but in men as well. No less contested are the roles and identities of Christians. Ulanov brings into focus the deep and fascinating connections between theology and psychology.

Receiving Woman - Studies in the Psychology and Theology of the Feminine Ann Belford Ulanov, We live in a time of unparalleled opportunity for women and a time just because of that opportunity of great stress. It is a time when every woman can find her own particular style to develop her skills to acknowledge her needs and failures and to claim both her satisfactions and dissatisfactions. The old stereotypes are all but dead. But another danger threatens of new stereotyped roles for women in the very range of choices and opportunities presented to the RECEIVING WOMAN. It grew out of a decade of reflections on women's experiences, my own, my patients, and my students, writes Professor Ulanov. From all of them a common voice emerged speaking about each woman's struggle to receive all of herself. Each was trying to find and put together different parts of herself into a whole that was personal, alive, and real to her and to others. I know that women want to be all of themselves and want to be their own selves, not examples of types. They want to work out their own individual combinations of what have been called the masculine and feminine parts of themselves. This book focuses on that possibility on women receiving themselves, all of themselves, wisely and gladly.

Jung and Feminism Demaris S. Wehr, 2015-12-14 Jung, in contrast to Freud, has typically been considered more sympathetic to women, largely because of his emphasis on the feminine as a way of being in the world and on the anima, the unconscious feminine aspect of male personality. Feminists, however, have viewed Jung's whole notion of the feminine with suspicion, seeing it as a projection of male psyche and not an authentic understanding of female humanity. For Demaris Wehr, both feminism and Jungian psychology have been guiding forces, and in this book, originally published in 1988, she mediates between feminists and classical Jungians, two groups historically at odds. She faces squarely the male-centred assumptions of some Jungian concepts and challenges Jung's claims for the universality and purely empirical basis of his work, but nevertheless maintains an appreciation for the value of Jung's understanding of human nature and the process of individuation. By bringing the insights of feminist theology to bear on the seemingly unbridgeable gap between analytical psychology and feminism, she succeeds in reclaiming Jungian psychology as a freeing therapy for women and reveals it as the ultimately liberating vision of its founder.

intended it to be Chimes of Change and Hours Audrey Borenstein,1983 Encompassing a variety of perspectives on the lives of older women in modern America this book is a rich mosaic drawing on demographic social psychological social historical economic and gerontological data and incorporating transcripts of oral histories interviews with women artists fiction and essays by and about women in the second half of their lives autobiographies diaries journals letters and other sources **Routledge International Encyclopedia of Women** Cheris Kramarae,Dale Spender,2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects **Bibliography of the History of Medicine** , *Diving Deep & Surfacing* Carol P. Christ,2015-10-13 *Diving Deep and Surfacing* reveals how the writings of Kate Chopin Margaret Atwood Doris Lessing Adrienne Rich and Ntozake Shange can inform women s search for spiritual renewal A new afterword testifies to the importance of spiritual autobiography for women *Artist Emily Carr and the Spirit of the Land* Phyllis Marie Jensen,2015-12-14 Emily Carr often called Canada s Van Gogh was a post impressionist explorer artist and writer In *Artist Emily Carr and the Spirit of the Land* Phyllis Marie Jensen draws on analytical psychology and the theories of feminism and social constructionism for insights into Carr s life in the late Victorian period and early twentieth century Presented in two parts the book introduces Carr s migr English family and childhood on the edge of nowhere and her art education in San Francisco London and Paris Travels in the wilderness introduced her to the totem art of the Pacific Northwest coast at a time Aboriginal art was undervalued and believed to be disappearing Carr vowed to document it before turning to spirited landscapes of forest sea and sky The second part of the book presents a Jungian portrait of Carr including typology psychological complexes and archetypal features of personality An examination the individuation process and Carr s embracement of transcendental philosophy reveals the richness of her personality and artistic genius *Artist Emily Carr and the Spirit of the Land* provides captivating reading for analytical psychologists academics and students of Jungian studies art history health gender and women s studies **Transforming Psyche** Barbara Weir Huber,1999-08-05 In *Transforming Psyche* Huber shows that the myth of Psyche and Eros can be interpreted to illuminate the experiences of twentieth century women In contrast to the portrayal of Psyche as indecisive and amorphous Huber emphasizes those aspects of the tale that describe Psyche s connectedness to her sisters her own sexuality her earth bound experience and ultimately to the birthing of her child Using the works of such writers as Emily Carr Margaret Laurence Gertrude Stein and Virginia Woolf Huber demonstrates that feminist theory and women s autobiography mirror the insights uncovered in her retelling of the Psyche

story **Love and the Soul** James Gollnick,2006-01-01 This book provides serious students of psychology religion and mythology with a detailed account and analysis of what has been accomplished in the psychological interpretation of the Eros and Psyche myth to date The Eros and Psyche myth has over the course of the twentieth century received nearly as much attention from depth psychologists as has the Oedipus story In their attempt to better understand this popular story scholars have proposed various interpretations which have generally followed either Freudian or Jungian theories about the nature of the psyche and its development Love and the Soul emphasizes how psychological theory determines the direction of interpretation much more than does the literary context of the myth itself It also examines the strengths and weaknesses of these psychological interpretations five Freudian and six Jungian of the Eros and Psyche myth in order to lay the groundwork for an interpretation which 1 avoids the rigidity of both Freudian and Jungian dogma and 2 restores the myth to its rightful literary and religious context something which has been ignored by most psychological interpretations *Cinderella and Her Sisters* ,1983-01-01 Through a discussion of the Cinderella fairy tale the nature of envy is explored from the viewpoints of psychology and theology **Teilhard de Chardin on Love** Louis M. Savary,Patricia H. Berne,2017 The authors offer a first summary of Teilhard s thoughts on love a central element in his evolutionary spirituality presented in accessible language for the ordinary reader They explore the implications of Teilhard s evolutionary perspective on love as it affects friendships marriages parent child relationships and teams larger groups **Choice** ,1985 **La Comunidad Latina in the United States** David T. Abalos,1998-05-26 La comunidad Latina the fastest growing ethnic group in the United States has long been told that assimilation is the only way to succeed in American society This book challenges that generally accepted view and concludes instead that transformation as a way of life is the only viable option for the Latino community as a whole regardless of racial class regional or religious differences It highlights how in the everyday life of la comunidad Latina the members of the community can recognize the underlying ways of life the stories and the patterns of relationships that cripple them and how to break with these ways of life stories and relationships to create fundamentally more loving and compassionate alternatives Along with all men and women Latinos and Latinas face four choices retaining a blind loyalty to a romanticized past assimilating violating each other or transforming their ethnic and racial group for the better This examination of the underlying sacred meaning of the stories of the Latino culture attempts to determine whether these stories are destructive or creative Now coming of age la comunidad Latina previously wounded by assimilation continues to tell its story in art literature history and religion so that the world may perhaps for the first time see its personal political historical and sacred faces The most important story now being lived is that of Latina women and Latino men who are making choices that will determine the ultimate meaning of a new Latino culture in this nation **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1972 First multi year cumulation covers six years 1965 70 The Unfolding God of Jung and Milton James P. Driscoll,2014-07-15 In this first extensive Jungian treatment of Milton s

major poems James P Driscoll uses archetypal psychology to explore Milton's great themes of God man woman and evil and offers readers deepened understanding of Jung's profound thoughts on Godhead The Father the Son Satan Messiah Samson Adam and Eve gain new dimensions of meaning as their stories become epiphanies of the archetypes of Godhead God and Satan of Paradise Lost are seen as the ego and the shadow of a single unfolding personality whose anima is the Holy Spirit and Milton's muse Samson carries the Yahweh archetype examined by Jung in Answer to Job and Messiah and Satan in Paradise Regained embody the hostile brothers archetype Anima animus and the individuation drive underlie the psychodynamics of Adam and Eve's fall Driscoll draws on his critical acumen and scholarly knowledge of Renaissance literature to shed new light on Jung's psychology of religion The Unfolding God of Jung and Milton illumines Jung's heterodox notion of Godhead as a quaternity rather than a trinity his revolutionary concept of a divine individuation process his radical solution to the problem of evil and his wrestling with the feminine in Godhead The book's glossary of Jungian terms written for literary critics and theologians rather than clinicians is exceptionally detailed and insightful Beyond enriching our understanding of Jung and Milton Driscoll's discussion contributes to theodicy to process theology and to the study of myths and archetypes in literature

C.G. Jung: Face to Face with Christianity Jakob Lusensky, 2024-08-19 These in depth conversations with leading Jungian analysts and scholars including Murray Stein Ann Lammers Paul Bishop and David Tacey explore C G Jung's lifelong wrestling with Christianity and its importance for us today Can analytical psychology be understood as Jung's attempt to recover a genuine experience of being Christian If so was it successful Jakob Lusensky in an accessible introduction and throughout these remarkable conversations with experts pursues Jung's dreaming the myth onward not merely as a fact of history a historical breakthrough in how and why we undertake analysis but as a living fundament for people on the path of individuation today with implications reaching far beyond the individual Wide ranging and insightful this collection is meant for Jungians analysts analysts readers for Christians laypeople and leadership and for any person anywhere likewise wrestling at the intersection of psychology and religion

The Southern Quarterly, 1978 **Victoria Ocampo** Doris Meyer, 2013-09-24 The first lady of Argentine letters Victoria Ocampo is best known as the architect of cultural bridges between the American and European continents and as the founder and director of Sur an influential South American literary review and publishing house In this first biographical study in English of la superba Argentine originally published in 1979 Doris Meyer considers Victoria Ocampo's role in introducing European and North American writers and artists to the South American public through the pages of her review through translations of their work and through lecture tours and recitations She examines Ocampo's personal relationships with some of the most illustrious writers and thinkers of this century including Jos Ortega y Gasset Rabindranath Tagore Count Hermann Keyserling Virginia Woolf Adrienne Monnier Vita Sackville West Gabriela Mistral and many others And she portrays an extraordinary woman who rebelled against the strictures of family and social class to become a leading personality in the fight for women's rights

in Argentina and later a steadfast opponent of the Peron regime for which she was sent to jail in 1953 Fifteen of Victoria Ocampo's essays selected from her more than ten volumes of prose and translated by Doris Meyer complement the biographical study **Receiving Woman** Ann Belford Ulanov, 2001 We live in a time of unparalleled opportunity for women and a time just because of that opportunity of great stress It is a time when every woman can find her own particular style to develop her skills to acknowledge her needs and failures and to claim both her satisfactions and dissatisfactions The old stereotypes are all but dead But another danger threatens of new stereotyped roles for women in the very range of choices and opportunities presented to the RECEIVING WOMAN grew out of a decade of reflections on women's experiences my own my patients and my students writes Professor Ulanov From all of them a common voice emerged speaking about each woman's struggle to receive all of herself Each was trying to find and put together different parts of herself into a whole that was personal alive and real to her and to others

Unveiling the Magic of Words: A Overview of "**The Feminine In Jungian Psychology And In Christian Theology Paperback By**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**The Feminine In Jungian Psychology And In Christian Theology Paperback By**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
