**Arthur's Ladies' Magazine of Elegant Literature and the Fine Arts** ,1844      **The Encyclopædia Britannica** ,1895      **Sir Christian De Galis and the Fish Gravy** Carl E. Ramsey,2014-11-24 The worst choice is sometimes the best choice Such was the case of Sir Christian de Galis for thirty plus years the absolute worst choice to do anything in his particular kingdom Jesters told jokes about him Heroes avoided him Bullies humiliated him The king got real tired of having him around What suddenly made him the best choice to go on a quest with the kingdom's scariest lady who looked harmless As Sir Christian rode to the rescue of the lady's grandson with her equally scary yet zany retinue an ancient archer with more disabilities than arrows a loquacious niece with the realm's longest first name and a nephew with a speech defect and bad hair an even scarier fact slowly dawned on him This grandson didn't need rescue from anything and the true object of the quest was him and his sudden prayerful discovery of his father's long lost substance of great power Disguised as a food condiment that blows up burns up or makes people sick depending how you add sugar it had the most innocent sounding name Yet upon such might depend the survival of the kingdom      **Arthurian Torso** C.
