## **The First Easter What Really Happened:**

**The First Easter** Hubert J. Richards,1986      **The Old Testament** John Holdsworth,2005 This SCM Study Guide to the Old Testament guides the newcomer to Old Testament studies easily and smoothly through the myriad of interpretations of this ancient text Explaining difficult concepts and ensuring space for the reader to reflect independently on topics throughout this accessible textbook is aimed specifically at those who want to make connections between their own experience and the Old Testament text in a way which enables each to be transformed by the other It provides the reader with matter to reflect upon and presents Biblical text in a way that makes reflection and understanding possible      **The First Easter Dawn** Charles Turner Gorham,1908      **The Easter Story What Really Happened** Chuck Missler,2023-01-24 From the beginning of time thinkers have puzzled over the paradox of fate vs Free will In theological terms this leads to the struggle between Calvinism and Arminianism As we explore this paradox we find that examining the fruit of each position reveals that the River of Life seems to flow between these two extremes and that again truth involves a careful balance We hear a lot about the Sovereignty of God and the prerogatives of our Creator are pretty obvious As the children s riddle goes Where does the gorilla sleep in the forest Anywhere he wants to And as most of you have discovered He has also given us one of His greatest treasures His Word Jealous as He is of His Name Psalm 138 2 highlights for thou hast magnified thy word above thy name And indeed God has declared in detail the responsibilities He desires of His people The Bible lays out just how He desires to be worshipped etc Beyond the mysteries associated with the sovereignty of God and the libraries are full of studies on that subject there emerges what is to many of us an even more troubling mystery The Sovereignty of Man Internationally recognized Biblical authority Chuck Missler explores the fundamental paradox underlying our ultimate destiny      *The Son Rises* Robert L. Wise,2008-02-19 When the Church gets lost in the maze of competing cultural agendas its revolutionary message and life giving influence are compromised and eventually consumed This increasing marginalization is exactly what began to happen in the latter half of the twentieth century Many say the answer is for the Christian community to seek a more prominent position in society but respected teacher and best selling author Dr Robert L Wise contends that we must confront the surrounding culture with a deeper understanding of Christ s resurrection Only by recovering and sharing the resurrection of the living Lord can the Church reclaim the experience of the first believers who found in the resurrection a doorway to personal redemption that in turn transformed society around them *The Son Rises* is a fresh exploration of Jesus Christ s resurrection from the dead and His promise of continuing relationship with those who believe in Him      Addiction and Recovery Martha Postlethwaite,2019-02-01 Companionship for the lifelong journey of recovery In *Addiction and Recovery* A Spiritual Pilgrimage Martha Postlethwaite pastor and a person in recovery reflects on her pilgrimage of healing through valleys of despair and vistas of resurrection *Addiction and Recovery* is not just Postlethwaite s story though She also draws on the wisdom of pilgrims who have walked other paths to explore themes such as surrender truth telling shame

powerlessness grace forgiveness and resurrection Together these chronicles bring hope to people who struggle with the disease of addiction and to those who love them Each chapter ends with questions to reflect on with conversation partners or in a journal and a spiritual practice The spiritual practices are related to the chapter themes and serve as samplers but they can be woven into the reader s own pilgrimage Readers will recognize themselves in these stories and reflections learn that they are not alone and find reasons to hope as they make their own pilgrimage

### **The Resurrection of the Son of God**

Nicholas Thomas Wright,2003 Explores ancient beliefs about life after death highlighting the fact that the early Christians belief about the afterlife belonged firmly on the Jewish spectrum while introducing several new mutations and sharper definitions forcing readers to view the Easter narratives not simply as rationalizations but as accounts of two actual events the empty tomb of Jesus and his appearances Simultaneous Hardcover no longer available

### Incarnation and Resurrection

Paul D. Molnar,2007-06-15 For too long contemporary theology has downplayed the importance of holding together the incarnation and the resurrection when thinking theologically Paul Molnar here surveys the place of these key doctrines in the thought of several influential theologians Karl Barth Karl Rahner Thomas F Torrance John Macquarrie Gordon Kaufman Sallie McFague Roger Haight John Hick and Wolfhart Pannenberg Molnar demonstrates that whenever the starting point for interpreting the resurrection is not Jesus himself the incarnate Son of the Father then Christology and Soteriology are undermined because they are not properly rooted in a plausible doctrine of the Trinity Fair comprehensive and balanced Molnar s analysis following Torrance and Barth highlights the details of contemporary theology of the resurrection linked to the incarnation and maintains the necessity of the incarnation in its intrinsic unity with the resurrection as the beginning rather than the end of Christology

### The First Easter Morning

Edward Lynn Bode,1970 *What Really Happened to Jesus* Gerd Lüdemann,Alf Özen,1995-01-01 Were the resurrection appearances real physical events or nothing more than grief induced hallucinations What does it mean to say Jesus rose from the dead Dissatisfied with what he regarded as evasive answers given by theologians and scholars about the nature of the resurrection of Jesus Gerd Ludemann here subjects the New Testament traditions to a thorough investigation In particular Ludemann is concerned with the story of the empty tomb and the subsequent appearance stories first related by Peter Ludemann s startling and somewhat radical conclusions have created a stir in Europe This book written for nonspecialists presents Ludemann s provocative conclusions Readers will find a positive albeit a revolutionary new way of viewing the resurrection

Hushbeck Jr.,2007-01-31 Christianity and Secularism is the second volume in the Consider Christianity series written by Elgin Hushbeck Jr It focuses on the evidences for the Christian faith and the conflict between Christianity and secularism Hushbeck believes that there is good evidence on which to base a belief in Jesus and in the basic doctrines of Christianity He also believes it is important for Christians to understand their faith and to be prepared to defend it Chapter titles are The Secularization of S      *The Historical Development of Legal Apologetics* William P. Broughton,2009 The Historical Development of Legal Apologetics This book will indicate that legal apologetics has a history that is co extensive with Christianity itself It is unified by faith and reason and requires a fact based defense that seeks probable judgment rather than absolute certainty but nevertheless would be conclusive in a court of law It will provide a comparative examination of the legal model as a form of evidentialism and alternative models or schools There are many clear contrasts among apologetic approaches for example evidentialism is definitely J W Montgomery s approach and presuppositionalism is definitely the approach of Cornelius Van Til However this book is not only about the differences between evidentialism and presuppositionalism since there are other models to consider each of which adopts a model different from both the evidentialist approach and the presuppositional approach This work concludes with an assessment of how closely a Montgomery type legal apologetic accords with the specific needs of the historical era in which it has emerged and ascended from the 1960 s to the present Apologetics is the response to the central claims that the faith faces from inside and outside the Christian religion The resurrection of Jesus is assaulted from many quarters Furthermore large scale secularism and pluralism has resulted with the development of large scale multi culturism in our society Legal apologetics focuses squarely on proving the factual reality of Jesus resurrection and is an apologetic which is particularly well suited to our times with its emphasis on factual evidence BILL BROUGHTON received his B A from Concordia University in Montreal Canada his M Div from McMaster Divinity College in Hamilton Ontario Canada and his D Min from Trinity Seminary in Newburgh Indiana He is a retired pastor in the United Church of Canada and lives in Arnstein Ontario with his wife Bonnie      *Table Talk* Mike Graves,2017-10-24 For nearly two thousand years followers of Jesus have gathered in churches to eat a meal called Communion in his memory In Table Talk Mike Graves claims if we could travel back to those earliest Christian gatherings we would realize we are not just two thousand years removed we are light years removed from how they ate when gathered because eating was why they gathered in the first place a kind of first century dinner party Four characteristics of their Communion practices would leap out at us traits that are scattered throughout the New Testament but that often go unnoticed how the meal was part of a full evening together promoting intimacy how it was a mostly inclusive affair everyone welcome at the table how it was typically festive more like a dinner party and how afterwards they enjoyed a lively conversation on a host of topics But Table Talk explores more than just Communion practices because a new way of doing

church is happening around the world gatherings more horizontal than vertical For two thousand years Christians have oriented themselves toward God in the presence of others now a growing number of congregations part of the dinner church movement are orienting themselves toward each other in the presence of God This book tells their story and helps us rethink our own

*Death, Where Is Your Sting?* Robert Reiss, 2021-07-31 Death Where Is Your Sting is about both the process of dying and the question of what if anything happens after death Robert Reiss knows the answers to his questions have eluded philosophers and theologians past but he gives a compelling argument as to why we should continue to ask the question in light of new evidence from neuroscience and new interpretations of the New Testament Paying close attention to the contested issue of assisted dying Reiss shows that questions of life after death are not only eternal but urgent as lawmakers continue to use religion and religious ethics as a guide
