The First Great Canadian

The First Great Canadian:

The Great Canadian Book of Lists Randy Ray, Mark Kearney, 1999-09-01 Who were Canada's ten most romantic couples of the twentieth century? What were this country's worst disasters, its ten best beers and its most controversial works of art in the past one hundred years? Where will you find the most haunted places in Canada and who are Canada's greatest heroes, its most accomplished athletes and its most despised criminals? The Great Canadian Book of Lists chronicles a century of achievements, trends, important and influential people and fascinating events that have shaped this country as it heads into a new millennium. Award-winning writers Mark Kearney and Randy Ray, who have delighted readers with their bestselling books *The Great Canadian Trivia Book* and *The Great Canadian Trivia Book 2*, turn the spotlight on the twentieth century to determine the best, worst and most significant happenings in our lives. Not content with supplying a shopping list of items about Canada, Kearney and Ray provide plenty of details to support why certain people and events are included on the lists. And their statistical snapshots comparing a variety of societal trends over different years show readers how Canada has changed in the course of the past century. You'll also learn how experts from the worlds of science, sports, lifestyle, literature and politics rate the personalities and events that have made Canada what it is today. And several guest celebrities weigh in with lists they've created exclusively for *The Great Canadian Book of Lists*. Enlightening, controversial and fun, *The Great Canadian Book of Lists* is bound to start as many arguments as it settles. Was Guy Lafleur a better hockey player than Rocket Richard? Why are rower Silken Laumann and actress Margot Kidder on the same list? What were the best Canadian novels of the twentieth century? And what are some key milestones achieved by Canadian women, medical doctors, inventors and musicians? Innovations and flops, successes and failures, comebacks and breakthroughs, record setters and trend setters. You'll find them all in *The Great Canadian Book of Lists*. **Manitoba Law Journal Volume 42:5 -- The Great Canadian**

Sedition Trials (2nd ed) Darcy MacPherson, *The Manitoba Law Journal* is a peer-reviewed journal founded in 1961. The MLJ's current mission is to provide lively, independent and high-caliber commentary on legal events in Manitoba or events of special interest to our community. **Great Canadian Film Directors** George Melnyk, 2007-06-15 Film directors articulate creative visions that provide insights into national cultures. 18 essays highlight Canada's prominent Anglophone and Francophone filmmakers.

The Great Canadian Trivia Book 2 Randy Ray, Mark Kearney, 1998-05-01 Did a Canadian kill famed escape artist Harry Houdini? Are the streets of Yellowknife really paved with gold? What was Canada's connection to those famous Paul McCartney is dead rumours of the late 1960s? And just how long does it take a drop of water to flow from Lake Superior to the Atlantic Ocean? *The Great Canadian Trivia Book II* brings you all these answers and more. In the much anticipated sequel to their bestseller *The Great Canadian Trivia Book*, award-winning writers Mark Kearney and Randy Ray dig even deeper into Canada's curious characters, storied past, natural phenomena, cultural idiosyncrasies and the peculiarities of our leisurely pursuits. In the pages of this intriguing book, you'll discover the Canadian who was responsible

for introducing the glove to professional baseball the story behind Canada's blue two dollar bill how the robbery phrase hands up was connected to Canada and whether a goalie can take a face off in a hockey game Think it's unlikely a Canadian might have been president of the United States That Sir John A Macdonald was the only one in his family to achieve political fame Or that a Canadian rock group would turn down a chance to play at the famous Woodstock festival of 1969 The Great Canadian Trivia Book II will have you thinking again And again

Cannibal Tours and Glass Boxes Michael M. Ames, 2010-10-01 Cannibal Tours and Glass Boxes poses a number of probing questions about the role and responsibility of museums and anthropology in the contemporary world In it Michael Ames an internationally renowned museum director challenges popular concepts and criticisms of museums and presents an alternate perspective which reflects his experiences from many years of museum work Based on the author's previous book Museums the Public and Anthropology the new edition includes seven new essays which argue as in the previous volume that museums and anthropologists must contextualize and critique themselves they must analyse and critique the social political and economic systems within which they work In the new essays Ames looks at the role of consumerism and the market economy in the production of such phenomena as world's fairs and McDonald's hamburger chains referring to them as museums of everyday life and indicating the way in which they like museums transform ideology into commonsense thus reinforcing and perpetuating hegemonic control over how people think about and represent themselves He also discusses the moral political ramifications of conflicting attitudes towards Aboriginal art is it art or artifact censorship is it liberating or repressive and museum exhibits are they informative or disinformative The earlier essays outline the development of museums in the Western world the problems faced by anthropologists in attempting to deal with the often conflicting demands of professional as opposed to public interests the tendency to both fabricate and stereotype and the need to establish a reciprocal rather than exploitative relationship between museums anthropologists and Aboriginal people Written during the course of the last decade these essays offer an accessible often anecdotal journey through one professional anthropologist's concerns about and hopes for his discipline and its future
