The First Hay(na)ku Anthology Jean Vengua, Mark Young, 2005 It began when Eileen R Tabios in 2000 read Richard Brautigan's novel The Hawkline Monster and was inspired by one of its characters Cameron was a counter He vomited nineteen times to San Francisco He liked to count everything From that moment on Tabios began a Counting Journal in which she kept track of anything she could count as her days unfolded The journal would come to reference in 2001 the Selected Letters of Jack Kerouac where Kerouac is quoted as saying I think American haikus should never have more than 3 words in a line Tabios recalled both moments on her first poetic blog WINEPOETICS as background to her decision to invent a Pinoy Haiku form that would come to be known as the hay na ku This new poetic form's name is a pun off of the Filipino exclamation Hay naku which is used in a variety of situations in the same way the English Oh is interjected Inaugurated on June 12 2003 the hay na ku is deceptively simple with its form of a tercet comprised of one two and three word lines The form swiftly became popular and since has been used by poets from all over the world

BOOK JACKET I Take Thee, English, for My Beloved Eileen Tabios, 2005 Poetry Memoir Asian American Studies With I TAKE THEE ENGLISH FOR MY BELOVED Eileen R Tabios melds the forms of poem memoir art monograph play novel and questionnaire to affirm that the poet not only speaks English but she loves English From her love she crafts poems denoting a unique vision as well as other writings that transcend inherited literary forms This collection ends with a close reading by Ron Silliman of one of Tabios poems through which he concludes Tabios tries for more in one page than many other poets would attempt in 20 And she pulls it off

Evocare: A Collection of Tanka Ayo Gutierrez, Eileen R. Tabios, Brian Cain Aene, Tanka which translates to short song is the lyrical five line poem that has historically served as the basic form of Japanese poetry Despite its shifts in style over the centuries tanka has remained a poem that captures the nuances of human experience by exploring the simultaneous simplicity and complexity found in nature relationships and situations Evocare offers tankas of love and lust solitude and togetherness the familiar and the unfamiliar hope and heartbreak strength and weakness among other themes The authors leave room for readers to draw their own connections to the poems Upon reading Evocare I admired its sense of fluidity within structure and depth in

meaning within such simple compressed form Each tanka offers spiritual nourishment through practical teachings that are embedded in the lines Some of what you will find in these pages are teachings that help us to cultivate a conscious awareness and acceptance of contrast Nature is balance Between birth and death of all Demand and supply Too much birth brings extinction Too much death makes life grow strong Gutierrez Ayo Gutierrez asserts that a balance is possible between contrasting realities By using juxtaposition she explores these notions of contrast and balance in other tankas as well In one poem she tells of the powerful policeman who was once skinny and presumably powerless In another she highlights the difference between elevating above ground level and being on ground Gutierrez teaches us to be aware of balance changes that time can bring dichotomies and contrasting forces as we navigate through the complexities of life and living There is as well much in these pages that helps us to bridge the past and the present If only bullets Could create peace not make wars A schoolchild once hoped This fantasy pays homage To the students as they march Tabios Here Eileen R Tabios uses tanka to allude to a 2018 United States gun violence protest Likewise she uses tanka to refer to the Marvel universe Tabios illustrates that modernity and tradition can interweave and hold hands Her innovative approach to tanka is present in both content and style In particular Tabios introduces readers to her experimental tankas including the ducktail tanka and the hay na ku Her inventive tankas corroborate the fluidity of poetry while maintaining structure These dualities between fluidity and structure and past and present show that a deep connection between contrasting forces can generate new meaning development and understandings In addition the book reveals that we can find a wealth of lessons from experiences that have challenged our values or hurt us Portrait 72 When things break apart Think back how He broke bread in Pieces to feed men Sometimes it takes broken heart To feed souls with great lessons Aene Brian Cain Aene reminds us that pain can be transformed into power Similar to Gutierrez and Tabios Aene forges a connection between contrasting forces namely the negative and the positive Moreover Aene s tankas provide a sensory experience for readers engaging the senses with insightful portraits about complex subjects that cannot be easily defined such as home love and lust An underlying theme in this collection of tankas is the power of connection The following tankas overall manifest a connectedness between things that are unseen but authentic our feelings and evocations with the observable world in which we live The tankas in Evocare connected me back to my own beginnings as a poet I was reminded of the loneliness and despair I felt as a teenager who was bullied and my reliance on poetry as a source of comfort I used poetry as a means to understand my feelings and to transform all negative energy into strong connective energy weaving together words symbols feelings and rhythms that empowered me Poetry projects power and can touch the soul in myriad ways I hope that the authors humble efforts in this book present you with profound mantras for living inject you with a renewed passion for life and living and instill within you a sense of connection to something that evokes feelings of comfort and empowerment Arienne L Calingo **The Light Sang as it Left Your Eyes** Eileen Tabios, 2007 Poetry Memoir Asian American Studies Filipino American Studies Winner of the Philippines National Book
