Barnes, 2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand

what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church

Heart of Africa Duone Ekane,2024-07-19 The book Kingdoms in the Heart of Africa constitutes a thrilling tale of four fictitious prominent kingdoms that dominated the region called the heart of Africa The four kingdoms Mbantuu kingdom Utanne kingdom Shanaba kingdom and Manaka kingdom were in constant competition with each other The book explores the power dynamics that dominated the relations between these kingdoms as they compete for the position of dominance in the region Each of the kingdoms was headed by a powerful king except for the kingdom of Shanaba kingdom which was headed by queen Edonge who was considered to be the goddess of Africa There was constant rivalry between the kingdoms as each sought to assert itself as the most powerful kingdom in the region Due to this suspicion prevailed amongst the kingdoms resulting in secret plots and alliances forming between the different kingdoms Despite the tension division and conflict that beset the region in these kingdoms vast masses of minerals that had never been discovered before in other parts of the world were found This attracted foreign interest in the region whose sole quest was to conquer the region an issue the kingdoms were oblivious to The rise of these kingdoms propelled Africa to a place of prominence in the world *An Exposition of the Prophet Ezekiel* William Greenhill,1839 *An Introduction to the History of the principal Kingdoms and States of Europe ...
