

# The Flatey

**Geoffrey Malcolm Gathorne-Hardy**

## **The Flatey:**

**The Flatey Book**, 1908      *The Flatey Book and Recently Discovered Vatican Manuscripts Concerning America as Early as the Tenth Century* Rasmus Björn Anderson, 1906      *The Finding of Vineland the Good* Arthur Middleton Reeves, 1890

**The Catholic Contribution to the History of the Norse Discovery of America** William Stetson Merrill, 1928      *The Norse Discoverers of America: The Vineland Sagas Translated & Discussed* Geoffrey Malcolm Gathorne-Hardy, In spite of a considerable bibliography the early Norse voyages to America provide a still unexhausted field for investigation and discussion So far are the authors who have dealt with the subject from reaching final and unchallenged conclusions that it may almost be said that each fresh commentator provides new matter for controversy Apart from the fascinating problem of attempting to locate on the map the various parts of the American continent visited by the first explorers the historic value of the evidence has been the subject of the most varied estimates though it may be said that nowadays no student of the subject has remained completely sceptical The relative importance to be attached to the different versions of the narrative has also been much debated and will no doubt continue to be so though on this point most recent critics will be found arrayed in the opposite camp to the present writer As regards the precise situation of the Norse discoveries most points from Northern Labrador and even Baffin's Land to well down the Eastern coastline of the United States have their advocates who by a judicious selection of the evidence have all managed to find something to say in favour of their respective points of view In these circumstances it is felt that no apology is needed from one who has given the matter close and protracted study if he ventures to add his quota to the discussion The topic is moreover one on which the man in the street at any rate in England stands in considerable need of enlightenment There are probably few acknowledged historical facts on which the general public is more surprisingly ignorant Considering that the available data compare favourably with what is known of the later discoveries of Cabot and Corte Real it is regrettable to find as any one will who takes the trouble to mention the matter to a dozen friends selected at random that to most of them the fact that the Norsemen visited America is quite unknown while by the remainder it is probably regarded as a vague legend containing perhaps a kernel of truth but to be ranked no higher than the Welsh tale of Madoc and similar insubstantial traditions When Dr Nansen's *In Northern Mists* appeared three allusions were made to it in *Punch* the point of which was in every case that the eminent explorer had proved that the honour of the first discovery of America belonged to his compatriots Of course as a matter of fact the proof was forthcoming long ago and Dr Nansen so far from adding to it is one of the most sceptical of the authorities dealing with the subject but here as is usually the case our leading humorous paper has faithfully represented the views and the knowledge of the average educated man It is perhaps not altogether surprising that the circle of the initiated has been so restricted The principal works dealing with the question with very few exceptions are either written in foreign tongues or entombed in the pages of inaccessible scientific periodicals or in works mainly concerned with a wider field or have been published so long ago that as the life of

books goes nowadays the man in the street can hardly be expected to have read or to have remembered them Reeves Finding of Wineland the Good one of the likeliest books on the subject to have fallen into the hands of the general reader is now more than twenty years old How many books other than standard classics of a similar age come under the eyes of members of the ordinary public It must be confessed too that a taste for Icelandic literature is not widely prevalent in this country The man in the street if the author s experience of him is typical does not find the method of story telling which enthralled contemporary Icelandic audiences at all to his mind He cannot stomach the long genealogies on which no doubt the original reader or listener insisted in order that he might add to the story the flavour of personal interest arising from the inclusion of ancestors friends or acquaintances He gets confused and irritated by names of unfamiliar sound with uncouth nicknames attached many of the former closely resembling one another When he has at length managed to become engrossed in some thread of the story he finds himself suddenly switched off to follow the fortunes of other characters the previous mention of whom he had forgotten and finally losing his bearings he throws the book down in disgust The present writer has on this account considered carefully whether it would not have been better to transpose the two parts of this work putting the translation last but he feels that such an arrangement would be illogical and would make the arguments used in discussing the question much more difficult to follow As a sop to the indolent he has however marked in the table of contents the parts of the story dealing with the American discoveries though he feels personally that those who skip the remainder will miss some very interesting matter including the vivid description of the sibyl s s ance

A Students' History of the United States Edward Channing,1898     **The Encyclopædia Britannica** Hugh Chisholm,James Louis Garvin,1926     *The Encyclopaedia Britannica: L-Lord Advocate* ,1911 The last great work of the age of reason the final instance when all human knowledge could be presented with a single point of view Unabashed optimism and unabashed racism pervades many entries in the 11th and provide its defining characteristics Despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained with its volumes It is especially strong in its biographical entries These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the historians scholars The Guardian <https://www.theguardian.com/books/booksblog> 2012 apr 10 encyclopedia britannica 11th edition     The Encyclopædia Britannica: L-Lord Advocate ,1911     **The Encyclopaedia Britannica: Ita to Lor** ,1911

**The Encyclopaedia Britannica** ,1911     **The Encyclopædia Britannica** ,1911     *The Encyclopedia Britannica* ,1911

*The Encyclopaedia Britannica* Hugh Chisholm,1911     Encyclopedia Britannica Hugh Chisholm,1911     **The Encyclopaedia Britannica** Hugh Chisholm,1911     **The Catholic University Bulletin** ,1895     *Encyclopedia of Nordic Crime Fiction* Mitzi M. Brunsdale,2016-05-12 Since the late 1960s the novels of Sjowall and Wahloo s Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir

techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit Iceland Andrew Evans,2017-11-01 A new thoroughly updated edition of Bradt s Iceland recipient of the Lowell Thomas Award the highest travel writing award available in the United States providing more context for individual places than any other guidebook plus honest investigative hotel and restaurant reviews that hide nothing Based on 20 years of personal and business travel exploration and adventure all around the country Bradt s Iceland is in depth well researched and comprehensive featuring a year round approach to travelling in Iceland in line with the development of the local tourist industry to offer attractions beyond the normal summer season This latest edition covers the growing tourist infrastructure the new fully paved road system better routes through the interior a wave of new hotels and resorts more tour companies with more tour options new adventure activities plus day tours from port city destinations and tips for those travellers arriving by cruise ship Natural history and wildlife experiences are featured prominently along with a focus on the outdoors and help in accessing even the most difficult corners of Iceland Also featured is the most in depth political and economic analysis offered by any guidebook since the turmoil of 2008 And even though Iceland is notoriously expensive there are now a lot more options for travellers including more hostels campsites and budget airlines This new edition also includes a foreword by the newly elected President of Iceland Gu ni Th J hannesson Containing information on remote offshore islands the uninhabited interior and Reykjavik s bustling music and art scene this remains the definitive guide **Sailing Directions for East Greenland and Iceland** ,1964

## **The Flatey Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Flatey has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Flatey has opened up a world of possibilities. Downloading The Flatey provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience

allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Flatey has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Flatey. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Flatey. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Flatey, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Flatey has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Flatey Books**

1. Where can I buy The Flatey books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
