originating from the thick vegetations of Jaffna *Rethinking Genre in Contemporary Global Cinema* Silvia Dibeltulo, Ciara Barrett, 2018-08-02 *Rethinking Genre in Contemporary Global Cinema* offers a unique wide ranging exploration of the intersection between traditional modes of film production and new transitional transnational approaches to film genre and related discourses in a contemporary global context This volume's content the films genres and movements explored as well as methodologies used in their analysis is diverse and crucially up to date with contemporary film making practice and theory Significantly the collection extends existing scholarly discourse on film genre beyond its historical bias towards a predominant focus on Hollywood cinema on the one hand and a tendency to treat other national cinemas in isolation and or as distinct systems of production on the other In view of the ever increasing globalisation and transnational mediation of film texts and screen media and culture worldwide the book recognises the need for film genre studies and film genre criticism to cast a broader indeed global scope The collection thus rethinks genre cinema as a transitional cross cultural and increasingly transnational global paradigm of film making in diverse contexts **Women in Chinese Martial Arts Films of the New Millennium** Ya-chen Chen, 2012-01-01 *Women and Gender in Chinese Martial Arts Films of the New Millennium* by Ya chen Chen is an excavation of underexposed gender issues focusing mainly on contradictory and troubled feminism in the film narratives In the cinematic world of martial arts films one can easily find representations of women of Ancient China released from the constraints of patriarchal social order to revel in a dreamlike space of their own They can develop themselves protect themselves and even defeat or conquer men This world not only frees women from the convention of foot binding but it also unbinds them in terms of education critical thinking talent ambition opportunities to socialize with different men and the freedom or right to both choose their spouse and decide their own fate Chen calls this phenomenon Chinese cinematic martial arts feminism The liberation is never sustaining or complete however Chen reveals the presence of a glass ceiling marking the maximal exercise of feminism and women's rights which the patriarchal order is willing to accept As such these films are not to be seen as celebrations of feminist liberation but as enunciations of the patriarchal authority that suffuses Chinese cinematic martial arts feminism The film narratives under examination include *Crouching Tiger Hidden Dragon* directed by Ang Lee *Hero* Zhang Yimou *House of the Flying Daggers* Zhang Yimou *Seven Swords* Tsui Hark *The Promise* Chen Kaige *The Banquet* Feng Xiaogang and *Curse of the Golden Flower* Zhang Yimou Chen also touches upon the plots of two of the earliest award winning Chinese martial arts films *A Touch of Zen* and *Legend of the Mountain* both directed by King Hu **God Descending to Another World** Luo Yeqiufeng, 2019-12-17 As a person without a weapon peerless mental cultivation method handsome appearance and a noble background Ye Xinghe had no place to stand in this world of slaughter and death His greatest wish in life was to return home If time and space are irrevocable I will control the universe to defy the heavens and change fate If heaven's will cannot be defied I will use the sword in my hand to shatter the nine heavens However when he finally found a way to reverse time and space he was already surrounded by his wives looking down at the
