Empress and Handmaid Sarah Jane Boss, 2000-03-01 Medieval images of the Virgin Mary for veneration usually showed a mother and child enthroned bearing signs of regal authority Yet modern images show her standing alone without signs of authority or maternity This work argues that this and other developments in the cult of the Virgin in western Christianity must be understood against the background of our changing relationship with nature The book offers a new assessment of the significance of the cult of the Virgin in Christianity It also includes an original account of the development of the doctrine of the Immaculate Conception The theoretical perspective is strongly influenced by the Critical Theory of the Frankfurt School in its critique of domination

On the Lord's Appearing Michael Robinson, 1998-01-01 In this book Fr Jonathan Robinson examines the nature of the Catholic tradition and its teachings about personal prayer He develops an understanding of tradition that integrates the call to holiness with the need for truth and shows that a living tradition of prayer is nourished by the objective content of the faith

Margery Kempe and Translations of the Flesh Karma Lochrie, 2012-07-24 Selected by Choice magazine as an Outstanding Academic Book for 1999 Karma Lochrie demonstrates that women were associated not with the body but rather with the flesh that disruptive

aspect of body and soul which Augustine claimed was fissured with the Fall of Man It is within this framework that she reads The Book of Margery Kempe demonstrating the ways in which Kempe exploited the gendered ideologies of flesh and text through her controversial practices of writing her inappropriate seeming laughter and the most notorious aspect of her mysticism her hysterical weeping expressions of religious desire Lochrie challenges prevailing scholarly assumptions of Kempe's illiteracy her role in the writing of her book her misunderstanding of mystical concepts and the failure of her book to influence a reading community In her work and her life Kempe consistently crossed the barriers of those cultural taboos designed to exclude and silence her Instead of viewing Kempe as marginal to the great mystical and literary traditions of the late Middle Ages this study takes her seriously as a woman responding to the cultural constraints and exclusions of her time Margery Kempe and Translations of the Flesh will be of interest to students and scholars of medieval studies intellectual history and feminist theory

Nicholas of Cusa - A Companion to his Life and his Times Morimichi Watanabe, Edited by Gerald Christianson, 2016-05-06 This work is a guide to the life thought and activities of Nicholas of Cusa 1401-1464 the great fifteenth century philosopher theologian jurist author of mystical and ecclesiastical treatises cardinal and reformer It is intended not only for advanced scholars but also for beginners and those simply curious about a man who has been called one of the greatest Germans of the fifteenth century and a medieval thinker for the modern age The book provides a series of detailed but readable essays on ideas persons and places a work developed over the course of nearly three decades First it contains articles on the important events and concepts that affected Cusanus philosophical religious intellectual and political Then it turns to his precursors and contemporaries both friendly and critical These include philosophers theologians politicians and canon lawyers And third the book follows the footsteps of the man from Kues and examines various sites where he lived studied or visited Because the author has also visited many of these sites he can contribute personal observations to enliven the journey To add to the book's usefulness as a resource and reference tool each entry is followed by a bibliography containing both recent and older works The purpose of the volume is to gain a greater appreciation of Cusanus and his legacy by striving for a total view of his thought and experience instead of narrowly focusing on specific philosophical theological or intellectual ideas or certain periods of his activities in isolation from other facets of this compelling figure
