Gillcrust,2002-01-10 Stories of growing up in Oak Ridge Tennessee and in Vienna Austria in a LARGE 9 boys and a girl family as seen from both the authors and childrens viewpoints **The Reluctant Christians** Kristine Johnson,2023-06-21 About the Book This compelling and exciting fictional story of the Reluctant Christians depicts the lifelong journey of a mother Nora Young and her daughter Kathryn Kate as they struggle to remove themselves from the restrictive tentacles of life in a small town dominated by a conservative misogynistic religion This is a love story that exposes abuse within religious organizations but by no means is this story anti religion Rather it is a story of self reliance and resilience that explores the strength of the soul within This is a love story that spans decades of pioneering a new path for a family in a new time for women who seek freedom and break barriers of behavior dictation despite the fear of repercussion As the author I was inspired by the words of Woodrow Wilson There is no higher religion than human service To work for the common good is the greatest creed The characters find themselves united to bring comfort and forgiveness to their lives The strength of their relationships challenges them to defy the unjust suffering and persecution of sister ancestors one another and all women who have encountered prejudice and abuse of power Together they rise above with wisdom compassion lessons learned and groundbreaking leadership Together they confront the past and carve the future There are children to be cared for loves to be discovered death and grief to be endured and life to be lived by the characters entwined in this dramatic love story I give my heartfelt thanks to my family who have steadily encouraged me over the past four years of this project I dedicate this story to LOVE the answer to all things good About the Author Kristine Johnson resides in Colorado After growing up in a small rural community in Utah she had accumulated life experiences that contributed to her inspiration to write this novel Writing has always been her passion as both a cathartic and comforting hobby She has been a long time sports industry professional as well as an accomplished competitive cyclist with numerous national and state championship titles to her credit Kristine is deeply grateful for the incredible support throughout her life s journey of her beloved husband and family It has always been her passion to encourage other women to pursue their personal goals and live life to its fullest with confidence and unbridled joy She is also grateful for the many lessons taught to her through the good works and encouragement of her mother and Aunt who were certain her destiny would break barriers The story of the Reluctant Christians has been in her heart for years and she is thrilled to share it with others She is planning a sequel to this book and hopes her readers will enjoy the fruition of her work **Why Christianity—is it real, and what’s the difference?** Michael Martz,2023-01-25 Michael Martz asks why so many people don t understand God think the Bible is too complicated and are convinced that being good is enough He challenges readers to take several steps back and reexamine what they believe to be

true Consider questions such as What s the difference between Christianity and all other beliefs Do we have to choose between Christianity or science It is impossible to not have a religion do you approach it forward or backward Why is there no such a thing as an atheist What is salvation Who decides Why did the veil tear Can we fall from salvation Are all three OSAS views wrong Why are so many who call themselves Christian unsaved Could that be you What does the Bible say about homosexuality pornography and sin who does God hate What does scripture teach about universalism Water baptism Will Christians go through the tribulation What is the danger At the rapture are wicked taken fi rst and righteous left behind Why do Jehovah s Witnesses and Mormons carry verses they do not read or think are corrupted This text strives to prove the reality and simplicity of the Bible that it is scientific but naturalism is not and that a real person lived and died for us long ago and returned from the dead A person who claimed to be God who now offers Himself for intimate communion with us So many people perceive God and Jesus and the Spirit as detached and distant Can we experience God personally
