**Jonathan Smele**

## **The Guillotine At Work Vol 1 The Leninist Counterrevolution:**

**The Guillotine at Work Vol. 1: The Leninist Counter-Revolution** Gregory Petrovich Maximoff, 1979-05 Originally published in 1940 in two volumes this is the partly eyewitness account of the Leninist terror inflicted upon Russia Maximoff a life long anarchist fought in the Russian Revolution organized with the metal workers and was imprisoned by Lenin's secret police in 1920 when he refused to join the Red Army he was happy to fight the Whites but not put down workers\_ and peasants\_ uprisings Exiled he wrote this incredible volume in English Over the course of nearly 400 pages he recounts not only the Leninist terror and reaction against the popular revolution but shows how the actions of Stalin followed deliberately in his master and mentor's footsteps Volume 2 unfortunately never reprinted was a collection of supporting documents primary evidence Regardless this volume stands alone as a stunning and sadly relevant indictment of the Bolshevik terror This is the original American edition of the Cienfuegos Press edition published here in America in 1979

**The Guillotine at Work Vol. 1** Grigoriĭ Petrovich Maksimov, 1978

**The Origins of the Stalinist Political System** Graeme Gill, Graeme J. Gill, 2002-07-18 New and challenging perspectives on Soviet political development from 1917 to 1941

[The "Russian" Civil Wars, 1916-1926](#) Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

**The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it

identifies these crucial years as something more than simply the creation of a communist state

**Political Thought From Machiavelli to Stalin** E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition

**No Less Than Mystic** John Medhurst, 2017-08-22 Published in the centenary year of the 1917 Russian Revolution No Less Than Mystic is a fresh and iconoclastic history of Lenin and the Bolsheviks for a generation uninterested in Cold War ideologies and stereotypes Although it offers a full and complete history of Leninism 1917 the Russian Civil War and its aftermath the book devotes more time than usual to the policies and actions of the socialist alternatives to Bolshevism to the Menshevik Internationalists the Socialist Revolutionaries SRs the Jewish Bundists and the anarchists It prioritises Factory Committees local Soviets the Womens Zhenotdel movement Proletkult and the Kronstadt sailors as much as the statements and actions of Lenin and Trotsky Using the neglected writings and memoirs of Mensheviks like Julius Martov SRs like Victor Chernov Bolshevik oppositionists like Alexandra Kollontai and anarchists like Nestor Makhno it traces a revolution gone wrong and suggests how it might have produced a more libertarian emancipatory socialism than that created by Lenin and the Bolsheviks Although the book broadly covers the period from 1903 the formation of the Bolsheviks and Mensheviks to 1921 the suppression of the Kronstadt rebellion and explains why the Bolshevik Revolution degenerated so quickly into its apparent opposite it continually examines the Leninist experiment through the lens of a 21st century de centralised ecological anti productivist and feminist socialism Throughout its narrative it interweaves and draws parallels with contemporary anti capitalist struggles such as those of the Zapatistas the Kurds the Argentinean Recovered Factories Occupy the Arab Spring the Indignados and Intersectional feminists attempting to open up the past to the present and points in between We do not need another standard history of the Russian Revolution This is not one

**Behind the Front Lines of the Civil War** Vladimir N. Brovkin, 2015-03-08 Countering the powerful myth that the civil war in Russia was largely between the Whites and the Reds Vladimir Brovkin views the struggle as a multifaceted social and political process Brovkin focuses not so much on armies and governments as on the interaction of state institutions political parties and social movements on both Red and White territories In the process he exposes the weaknesses of the various warring factions in a Russia plagued by strikes mutinies desertion and rebellions The Whites benefited from popular resistance to the Reds and the Reds from resistance to the Whites In Brovkin's view neither regime enjoyed popular support Pacification campaigns mass shooting deportations artillery shelling of villages and terror were the essence of the conflict and when the Whites were defeated the war against the Greens the peasant rebels went on Drawing on a remarkable array of previously untapped

sources Brovkin convicts the early Bolsheviks of crimes similar to those later committed by Stalin What emerges behind the front lines is a picture of how diverse forces Cossacks Ukrainians Greens Mensheviks and SRs as well as Whites and Bolsheviks created the tragic victory of a party that had no majority support This book has important contemporary implications as the world again asks an old question Can Russian statehood prevail over local regional and national identities Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916-1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War

**Russian Nights Autocracy and Testimony: Life in Russia during the Soviet Period as Told by Those Who Lived it** Roberto Echavarren, 2023-09-12 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin's and Stalin's reigns of terror are far less known because they took place behind a wall of secrecy and survivors have been reluctant to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of testimonies gathered between 2001 and 2005 of actors implicated in different aspects of Russian life roughly through the period 1917-1956 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one Party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG Russian Nights offers a wide and detailed perspective of what we call the Russian Century Lenin's takeover the all powerful

Party the GULAG and the Second World War      **Soviet Communists in Power** R. Sakwa,1988-06-21      **Left of the Left**  
 Anatole Dolgoff,2016-06-13 Sam Dolgoff a house painter by trade was at the center of American anarchism for seventy years  
 His political voyage began in the 1920s when he joined the Industrial Workers of the World He rode the rails as an itinerant  
 laborer bedding down in hobo camps and mounting soapboxes in cities across the United States Self educated he translated  
 edited and wrote some of the most important books and journals of twentieth century anti authoritarian politics including the  
 most widely read collection of Mikhail Bakunin s writings in English His story told with passion and humor by his son  
 conjures images of a lost New York City the Lower East Side the strong immigrant and working class neighborhoods the  
 blurred lines dividing proletarian and intellectual culture the union halls and social clubs the brutal cops and bosses and the  
 solidarity that kept them at bay An instant classic of radical history this biography is written by a man now in his seventies  
 who as a child and young man had a front row seat to the world of proletarian politics and the colorful characters who  
 brought it to life The American left in its classical age used to celebrate an ideal which was the worker intellectual someone  
 who toils with his hands all his life and meanwhile develops his mind and deepens his knowledge and contributes mightily to  
 progress and decency in the society around him Sam Dolgoff was a mythic figure in a certain corner of the radical left and his  
 son Anatole has written a wise and beautiful book about him Paul Berman author of A Tale of Two Utopias and Power and the  
 Idealists If you want to read the god honest and god awful truth about being a radical in twentieth century America drop  
 whatever you re doing pick up this book and read it Pronto If you re not crying within five pages you might want to check  
 whether you ve got a heart and a pulse Peter Cole author of Wobblies on the Waterfront Anatole Dolgoff is the son of Esther  
 and Sam Dolgoff two of the most important anarchists in the United States in the twentieth century He has lived in New York  
 City his entire life and teaches geology at the Pratt Institute      **The Russian Revolution in Retreat, 1920-24** Simon  
 Pirani,2008-03-03 This book examines the relationship between the Russian Communist Party and working class in the years  
 after the revolution and civil war It shows that the working class was politically expropriated by the Bolshevik party as  
 democratic bodies such as soviets and factory committees were deprived of decision making power      *No Harmless Power*  
 Charlie Allison,2023-08-22 Lively incendiary and inspiring No Harmless Power follows the life of Nestor Makhno who  
 organized a seven million strong anarchist polity during the Russian civil war and who developed Platform anarchism during  
 his exile in Paris as well as advising other anarchists like Durruti on tactics and propaganda Both timely and timeless this  
 biography reveals Makhno s rapidly changing world and his place in it He moved swiftly from peasant youth to prisoner to  
 revolutionary anarchist leader Narrowly escaping Bolshevik Ukraine for Paris this book also chronicles the friends and  
 enemies he made along the way including Lenin Trotsky Alexander Berkman Kropotkin Emma Goldman Ida Mett and others  
 No Harmless Power is the first text to fully delve into Makhno s sympathy for the downtrodden the trap of personal heroism  
 his improbable victories unlikely friendships and his alarming lack of gun safety in meetings Makhno and the movement he

began are seldom mentioned in most mainstream histories Western or Russian mostly on the grounds that acknowledging anarchist politics calls into question the inevitability and desirability of the nation state and unjust hierarchies With illustrations by N O BONZO and Kevin Matthews this is a fresh humorous and necessary look at an under examined corner of history as well as a deep exploration of the meaning and value if any of heroism as history *The Guillotine at Work*.

Gregory Petrovich Maximoff,1979 *Black Flag Boricuas* Kirwin R. Shaffer,2013-05-15 This pathbreaking study examines the radical Left in Puerto Rico from the final years of Spanish colonial rule into the 1920s Positioning Puerto Rico within the context of a regional anarchist network that stretched from Puerto Rico and Cuba to Tampa Florida and New York City Kirwin R Shaffer illustrates how anarchists linked their struggle to the broader international anarchist struggles against religion governments and industrial capitalism Their groups speeches and press accounts as well as the newspapers that they published were central in helping to develop an anarchist vision for Puerto Ricans at a time when the island was a political no man s land neither an official U S colony or state nor an independent country Exploring the rise of artisan and worker based centers to develop class consciousness Shaffer follows the island s anarchists as they cautiously joined the AFL linked Federaci n Libre de Trabajadores the largest labor organization in Puerto Rico Critiquing the union from within anarchists worked with reformers while continuing to pursue a more radical agenda achieved by direct action rather than parliamentary politics Shaffer also traces anarchists alliances with freethinkers seeking to reform education progressive factions engaged in attacking the Church and organized religion and the emerging Socialist movement on the island in the 1910s The most successful anarchist organization to emerge in Puerto Rico the Bayam n bloc founded El Comunista the longest running most financially successful anarchist newspaper in the island s history Stridently attacking U S militarism and interventionism in the Caribbean Basin the newspaper found growing distribution throughout and financial backing from Spanish speaking anarchist groups in the United States Shaffer demonstrates how the U S government targeted the Bayam n anarchists during the Red Scare and forced the closure of their newspaper in 1921 effectively unraveling the anarchist movement on the island

**Unruly Equality** Andrew Cornell,2016-01-13 In this highly accessible social and intellectual history of American anarchism in the United States Andrew Cornell reveals an amazing continuity and development across the twentieth century Far from fading away anarchists dealt with major events such as the rise of Communism the New Deal atomic warfare the black freedom struggle and a succession of artistic avant gardes stretching from 1915 to 1975 This book traces U S anarchism as it evolved from the creed of poor immigrants militantly opposed to capitalism early in the twentieth century to one that today sees resurgent appeal among middle class youth and foregrounds ecology feminism and opposition to cultural alienation Provided by publisher [The Bloomsbury Companion to Anarchism](#) Ruth Kinna,2012-06-28 The Bloomsbury Companion to Anarchism is a comprehensive reference work to support research in anarchism The book considers the different approaches to anarchism as an ideology and explains the development of anarchist studies from the early twentieth

century to the present day It is unique in that it highlights the relationship between theory and practice pays special attention to methodology presents non English works key terms and concepts and discusses new directions for the field Focusing on the contemporary movement the work outlines significant shifts in the study of anarchist ideas and explores recent debates The Companion will appeal to scholars in this growing field whether they are interested in the general study of anarchism or in more specific areas Featuring the work of key scholars The Bloomsbury Companion to Anarchism will be an essential tool for both the scholar and the activist

**The State versus the People** Matthew Rendle,2020-06-11 The State versus The People provides the first detailed account of the role of revolutionary justice in the early Soviet state Law has often been dismissed by historians as either unimportant after the October Revolution amid the violence and chaos of civil war or in the absence of written codes and independent judges little more than another means of violence alongside the secret police Cheka This is particularly true of the most revolutionary aspect of the new justice system revolutionary tribunals courts inspired by the French Revolution and established to target counter revolutionary enemies Yet the evidence put forward in this book paints a more complex picture The Bolsheviks invested a great deal of effort and scarce resources in building an extensive system of tribunals that spread across the country and operated within the military and the transport network At their peak hundreds of tribunals heard hundreds of thousands of cases every year Not all though ended in harsh sentences some were dismissed through lack of evidence others given a wide range of sentences and others still suspended sentences Instances of early release and amnesty were also common This book argues that law played a distinct and multi faceted role for the Bolsheviks Tribunals in particular stood at the intersection between law and violence offering various advantages to the Bolsheviks by strengthening state control providing a more effective means of educating the population about counter revolution and enabling a more flexible approach to punishing the state s enemies All of this challenges traditional understandings of the early Soviet state adding to our knowledge of the civil war and ultimately how the Bolsheviks held on to power

Anarchism Seán Sheehan,2004-04-04 Anarchism is as much an attitude as it is a set of formulated doctrines and in this book Sean Sheehan provides an engaging introduction to what anarchism means describing its history through anecdote and dramatic events and offering explanations of the issues behind this movement

## **The Guillotine At Work Vol 1 The Leninist Counterrevolution Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Guillotine At Work Vol 1 The Leninist Counterrevolution PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Guillotine At Work Vol 1 The Leninist Counterrevolution PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can

enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Guillotine At Work Vol 1 The Leninist Counterrevolution free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About The Guillotine At Work Vol 1 The Leninist Counterrevolution Books**

1. Where can I buy The Guillotine At Work Vol 1 The Leninist Counterrevolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
