## **The Hard Time Bunch:**

**The Hard Times** Matt Saincome, Bill Conway, Krissy Howard, 2019 From the comedic minds behind TheHardTimes net comes the most accurate reporting on punk and hardcore culture in music history Since 2014 The Hard Times has been at the forefront of music journalism delivering hard hitting reports and in depth investigations into the punk and hardcore scene From their scathing takedown of Kim Jong un after he appointed himself the new singer of Black Flag to their incisive coverage of a healthy Lars Ulrich being replaced by a hologram the site has become a trusted source for all things counterculture Now in this zine style historical retrospective the writers behind the site reveal their humble roots documenting The Hard Times ascension alongside the rise of punk With original articles from their archives commenting on 70s 80s and 90s punk as well as fan favorites from the aughts onward this comprehensive examination of the scene will make readers dust off their Doc Martens and creepy crawl their way to the nearest pit **Investigation of Hon. Harry M.**

**Daugherty, Formerly Attorney General of the United States** United States. Congress. Senate. Select Committee on Investigation of the Attorney General, 1924 [Our Man in Charleston](#) Christopher Dickey, 2016-07-26 Between the Confederacy and recognition by Great Britain stood one unlikely Englishman who hated the slave trade His actions helped determine the fate of a nation When Robert Bunch arrived in Charleston to take up the post of British consul in 1853 he was young and full of ambition but even he couldn't have imagined the incredible role he would play in the history making events to unfold In an age when diplomats often were spies Bunch's job included sending intelligence back to the British government in London Yet as the United States threatened to erupt into Civil War Bunch found himself plunged into a double life settling into an amiable routine with his slavery loving neighbors on the one hand while working furiously to thwart their plans to achieve a new Confederacy As secession and war approached the Southern states found themselves in an impossible position They knew that recognition from Great Britain would be essential to the survival of the Confederacy and also that such recognition was likely to be withheld if the South reopened the Atlantic slave trade But as Bunch meticulously noted from his perch in Charleston secession's red hot epicenter that trade was growing And as Southern leaders continued to dissemble publicly about their intentions Bunch sent dispatch after secret dispatch back to the Foreign Office warning of the truth that economic survival would force the South to import slaves from Africa in massive numbers When the gears of war finally began to turn and Bunch was pressed into service on an actual spy mission to make contact with the Confederate government he found himself in the middle of a fight between the Union and Britain that threatened in the boast of Secretary of State William Seward to wrap the world in flames In this masterfully told story Christopher Dickey introduces Consul Bunch as a key figure in the pitched battle between those who wished to reopen the floodgates of bondage and misery and those who wished to dam the tide forever Featuring a remarkable cast of diplomats journalists senators and spies [Our Man in Charleston](#) captures the intricate intense relationship between great powers on the brink of war **Investigation of Hon.**

**Hard Times** Studs Terkel, 2005 Recreates the character and atmosphere of this dramatic era in a collage of recollections by both well known and obscure Americans      *Louisiana Planter and Sugar Manufacturer*, 1921      **The Louisiana Planter and Sugar Manufacturer**, 1921      Myths and Legends of the Lipan Apache Indians Morris Edward Opler, 2018-12-12 Lipan Apache are Southern Athabaskan Apachean Native Americans whose traditional territory included present day Texas New Mexico Colorado and the northern Mexican states of Chihuahua Nuevo Leon Coahuila and Tamaulipas prior to the 17th century Present day Lipan live mostly throughout the U S Southwest in Texas New Mexico and the San Carlos Apache Indian Reservation in Arizona as well as with the Mescalero tribe on the Mescalero Reservation in New Mexico some currently live in urban and rural areas throughout North America Mexico United States and Canada The myths and tales of this volume are of particular significance perhaps because they have reference to a tribe about which there is almost no published ethnographic material The Lipan Apache were scattered and all but annihilated on the eve of the Southwestern reservation period The survivors found refuge with other groups and except for a brief notice by Gatschet they have been overlooked or neglected while investigations of numerically larger peoples have proceeded It is gratifying therefore to be able to present a fairly full collection of Lipan folklore and to be in a position to report that this collection does much to illuminate the relations of Southern Athabaskan speaking tribes and the movements of aboriginal populations in the American Southwest The myths
