Bury [and Others] ,1968 The Hellenistic Age John Bagnell Bury,1925 **The Hellenistic Age; Aspects Of Hellenistic Civilization Treated J B** Bury,2020-11-05 This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature The Hellenistic Age J. B. Bury,2015-07-04 Excerpt from The Hellenistic Age Aspects of Hellenistic Civilization Treated It is at least arguable in the case of abler men whether the three years which follow graduation be not as important as the three years which precede it For those pursuing an academic career this can hardly be in question Few go far in that career who can not point back to some kind of inspiration personal or impersonal which at this critical period turned their energies to work which provoked their powers A series of informal discussions of the Hellenistic Age conducted by experts and open to the classical and historical scholars of Corpus and other colleges was but a logical development of the employment of the Lewis Collection as a stimulus to graduate work How suitable was the choice at this moment of this period how instant its problems how romantic this vast new sea of history which still remains inadequately charted can best be told by the distinguished mariners who with at present but few others have sailed often and far upon it and brought back their argosies To them not merely conventional gratitude is due All scholars might not have been so prodigal of their unpublished results but their generosity made the course of lectures as it now makes this book No attempt has been made to rewrite the three addresses for publication Their charm and freshness when first delivered suggested the desirability of preservation in permanent shape and the value of an additional essay by Professor Bury requires no comment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Hellenistic Age; Aspects of Hellenistic Civilization Treated by J.B.
