Skeeter A Cat Tale:

Skeeter Anne L. Watson, 2005-04 When a stray kitten romps into Lynne's life she has no idea what she's getting into Lynne describes in a series of letters to her friend Angie how Skeeter is high spirited contrary and inventive And when Angie comes for a visit she meets the irrepressible cat

Skeeter Anne L. Watson, 1900 Dealing with a dog to put it crudely is like dealing with a person who's a bit dumb Dealing with a cat is like dealing with a person who's more than a bit crazy When a stray kitten romps into Lynne's life she has no idea what she's getting into As Lynne describes in letters to her friend Angie Skeeter is all cat high spirited contrary and inventive He's so goofy that he reminds Lynne of her own nuttiest escapades so irrepressible that even Lynne's neighbor Mark gets wound around his paw And when Angie visits to see Skeeter for herself Well no one who meets Skeeter will ever be quite the same again

ABOUT THE AUTHOR Anne L Watson a retired historic preservation architecture consultant is the author of numerous novels plus books on such diverse subjects as soapmaking and baking with cookie molds A former resident of San Pedro California the setting of Skeeter Anne currently lives in Bellingham Washington with her husband and fellow author Aaron Shepard

SAMPLE January 29 2000 Dear Angie Skeeter is not entirely happy about the way we live For example he doesn't like my going to work With more justification he disapproves of some of my attitudes Most of my experience with animals is with dogs In a relationship with a pet I elect myself pack leader Cats are not pack animals Skeeter a democrat considers us equals and resents my bumptious ways This is particularly true when it comes to food I buy various kinds of food for Skeeter so he won't become too set on one type or flavor I had a friend in high school whose cat Sparkles would eat nothing but Kitty Queen Tuna No other brand would do even people tuna Kitty Queen Salmon would not do either My friend's family had Kitty Queen Tuna crises when none could be found Did you try the all night drugstore We went there last time remember They don't have it The cat probably would have starved before it ate anything else My friend's mother had a strange relationship with the cat She believed Sparkles to be the reincarnation of her own mother long deceased So the cat ruled the household I am not going down that road with Skeeter A gauntlet has been thrown though regarding turkey Till last week he ate it with obvious enjoyment The two cans I've given him this week have gone untouched Someone said it might be spoiled that I should smell it A longtime vegetarian I think meat always smells spoiled but I gave it a whiff Disgusting but not rancid I won't buy it again though if he feels that way This morning he got beef which he accepted In fact he made a pig of himself After breakfast he returned to the bedroom belching alarmingly Would Monsieur like a potato with the steak next time I asked Perhaps a small glass of red wine Monsieur looked interested A salad No sale I think I'll continue being pack leader Like all despots I perpetuate Skeeter's servitude by monopolizing the means to freedom the checkbook the car keys the can opener It's unfair that I should be the leader just because I'm bigger and smarter and have opposable thumbs But it's going to stay that way as long as I can manage it If Skeeter is the reincarnation of my mother she can learn to eat what she's given Love Lynne

READING THIS BOOK ASK ON HER WEB SITE AND YOU LL NORMALLY HEAR BACK WITHIN HOURS In this standalone
companion to Smart Housekeeping Anne L Watson presents tips on cleaning organizing decluttering furnishing maintaining
and managing your home as you d face those tasks around the year Travel with Anne through the calendar as she deals with
every aspect of keeping the things around you just the way you want them New homemakers will gain skills and perspective
while even veterans will find unique tips and insights All delivered with a wit and frankness not seen in housekeeping books
since the days of Peg Bracken Anne s almanac also features the return of her photogenic family of felted mice After their
brief introduction in Smart Housekeeping Lady Mouse and the rest now return joined by even more critters to help Anne
illustrate many of her tips and add a touch of whimsy for readers delight Anne L Watson is the author of Smart Housekeeping
as well as a number of other popular books on home crafts and lifestyle plus many novels In a previous career she was a
historic preservation architecture consultant Anne lives in Bellingham Washington SAMPLE Housekeeping has gotten a bad
rap Somehow the subject has shrunk to discussions of clutter control and cleaning a bit like when your mom told you to pick
up your room But that s the dull part Necessary of course I wrote a book Smart Housekeeping that s mostly about getting to
a state of order But housekeeping is no more about clutter control than gardening is about weeding Yes you have to do some
of both but why stop short of the interesting stuff Housekeeping is making yourself comfortable in your home whatever that
takes A lot of housekeeping is about what you do and why you do it after you ve taken care of the obvious chores How do you
set up a guest room Unclog a sink Keep garbage odors out of the kitchen Arrange toy storage so that the kids will use it on
their own What s the best way to wash a family quilt To be safe on a ladder To choose appliances Housekeeping isn t just
housework it s setting the stage for your whole life at home which includes play enjoyment and creativity This book is
arranged as an almanac because the more skilled housekeeping tasks tend to follow the calendar We do what we need to for
seasonal celebrations and we try to get the weather on our side when we paint a room air dry a comforter or get the carpets
steam cleaned Other tasks and concerns are less linked to the seasons but also don t need to be revisited often once you ve
arranged things to please yourself So considering them on an annual basis is probably about right You may want to use this
book as much as a reference as a read through especially if your seasons are different from mine or even nonexistent Smart

Housekeeping featured felted white mice at least on the cover As mice will do they have now taken over the house and are shown throughout this book doing their chores handling household crises and entertaining other small animals And they step out each month enjoying adventures together and just having fun I recommend that for all of us Smart Soapmaking Anne L.
