understanding of agricultural economics agribusiness and applied economics and the interrelationship of those areas

High-growth Women's Entrepreneurship Amanda Bullough, Diana M. Hechavarría, Candida G. Brush, Linda F. Edelman, 2019-12-27 Women's entrepreneurship is vital for economic and social development yet female entrepreneurs worldwide are consistently found to have weaker sales and employment growth fewer jobs and lower profitability This book was written to address this reality and focuses on the high growth potential of women entrepreneurs *Change at Home, in the Labor Market, and on the Job* Solomon W. Polachek, Konstantinos Tatsiramos, 2020-11-23 How do changes at home in the labor market and on the job affect worker well being This volume of Research in Labor Economics contains eight original and insightful articles answering this question Seven deal with demographic and labor market change and one deals with wage differences essentially at a point in time **Small Firms and Economic Development in Developed and Transition Economies** David A. Kirby, Anna Watson, 2017-11-22 This title was first published in 2003 Since the late 1970s there has been considerable interest in the role of small firms in economic development in general and employment generation in particular Throughout the developed world governments have introduced a range of measures to encourage small firm growth and development in an attempt to stimulate economic growth generate employment and foster innovation Though not all measures have been successful many policies have transferred to the transition economies of Central and Eastern Europe where since 1989 small firm growth and development has achieved considerable importance in economic restructuring Accordingly this volume presents the leading research on the role of small firms in economic development and employment generation in both transition and developed countries Setting itself in a wider theoretical context the book also considers the implications for both policy and theory and suggests directions for future research Sustaining Competitiveness in the New Global Economy Ramkishen S. Rajan, 2003-01-01 This is a thoughtful volume providing a well rounded treatment of some of the main economic issues currently confronting Singapore It will be of greatest interest to Singapore watchers but given the range of issues it grapples with a much wider audience of policymakers and those interested in development economics will also find it stimulating Alfred Oehlers Asian Pacific Economic Literature While the Singaporean economy has experienced one of the highest rates of growth in the world over the past three decades questions have recently been raised about the sustainability of the Singapore development model and its continued relevance in the global economy This book is a compilation of specially written essays by a select group of leading international scholars The authors analytically examine a number of related issues pertaining to national competitiveness structural and macroeconomic concerns and policy options for the Singapore economy in order for it to sustain its economic viability in the global economy **Entrepreneurship and the Growth of Firms** Per Davidsson, Frédéric Delmar, Johan Wiklund, 2006-01-01 Exploring the relationships between the growth of firms and entrepreneurship the authors have drawn on many individual projects case studies to provide a comprehensive analysis **The Quarterly Journal of Economics**, 1891 Vols 1-22 include the section Recent publications

upon economics Financial Sustainability of Public Sector Entities Josette Caruana, Isabel Brusca, Eugenio Caperchione, Sandra Cohen, Francesca Manes Rossi, 2019-03-01 This book analyses the role of public sector accounting and the relevance of accounting frameworks in assisting financially sustainable policy making Focussing on the European context the book examines financial reporting management accounting budgeting and other reporting requirements for example Government Finance Statistics It also analyses emerging forms of reporting such as popular reporting and integrated reporting which may also be considered by policy makers standard setters and managers of public sector entities *Catalog of Copyright Entries.
